# 2022 YEAR OF VENGEANCE

Date Word Received: January 6, 2022

I, the Lord, this day tell My children this year of 2022 is a year for you. Everything that has been done to you through your adversaries, I will restore. Concerning your health, your peace, your families, your finances, your jobs and property, all restoration belongs with Me. I am restoring and reversing all damages.

So get ready, My children, for an eruption all over the news of Truth being exposed regarding Biden in the supposed government. The biggest steal of 2020 with fingerprints on this crime scene, and I mean all crime scenes of 2020 concerning the pandemic and your elections will emerge suddenly all over. Great confusion will strike the hearts of many of the betrayal.

Some just cannot believe even though the truth will be proven right in front of their eyes. Watch for chaos in the streets as things start to reverse. This great reversal which I have planned will bring shockwaves throughout this Earth. No one can imagine the way I'm about to move across this land. My children, this has to be done so the world knows who the great I AM really is. I am still the Most High God and sit on My throne, and nothing can overthrow Me or change My plans for this Earth.

Darkness will strike your enemies and consume them all for the hell they unleashed on this Earth and against My body, My children. I, the Lord, have said Enough is Enough, and these Words are blocking all that the enemies have planned against you. It is crushing and destroying the desires they had for taking over this Earth with their power and money. Can you hear it? Bombs, continual bombs, are hitting the enemy's camps now with the truth that is destroying their narratives and their lies.

I, the Lord, am fed up with them pursuing My children with fear and chaos which they have used to destroy you and to make you kneel into submission to their power. Do not bow and do not submit to their tyranny or the major distractions they are about to put on this earth to avert your attention away from their demise. Shortages, inflation, and the death toll rising will become great as the news becomes grimmer. Just know, My children, that this is "their news" NOT MINE! They are being destroyed, not you.

For I, the Lord, am moving to give back everything to you that was taken from you by them and their plans. In My Word, I used the Red Sea to save My children so they could walk through to their freedoms. Just watch what I do in these days to save you. It will be far greater than the Red Sea. Yes, far greater. Continue to watch the weather as unusual weather patterns hit this Earth. This is just to get your attention on Me. These signs I am giving you are to keep your faith and trust in Me that I am in control and not your enemies.

Major news will continue to come out of New York City. Truth will be revealed regarding those terrorist attacks on your soil on 9/11 and the one they planned to do which was much greater than those. Your borders were infiltrated, but I, the Lord, have dispersed My angels out all over this land to protect you from what they had planned against you. Continue to pray for Florida and for the rightful president. The plans to destroy him once and for all are being annihilated right now by Me, saith the Lord of Hosts.

You will hear more news regarding Mike Pence. You will soon see what My plans were and why things had to be this way. Pray for him and his family as the news breaks regarding the truth. The enemies will find out which side he was really on and how his actions didn't help them but ensured their

destruction, and they will try to destroy this reversal. No death shall befall Mine for they are ones I have chosen, and the evil plans will never be successful. Pray without ceasing, My children, as you are called to pray for the ones I will put in power in this hour.

More military movement will be seen on your soil and in the air. They can't hide these movements. Your enemies want to hide the fact that the military is coming to invade their camps.

Biden, the world will find out who you are, how fake your power really was and how you never sat in a rightful seat of power. People are exposing your “fake set” which you were always using to avert the nation from the truth regarding the White House. It's not in use by you! What is actually hidden in that house, I will empty out. I will empty out all the closets and tunnels and show the world what is hidden inside before I destroy it and destroy the tunnels underneath.

Hollywood, you have made many movies of destruction concerning the White House but My plan is far greater, and the world will see this is not a movie. The monuments and the capital you made, I am levelling because they stood for disgusting vile and because of the filth that came out of those buildings. I'll not stand nor tolerate it any longer.

Wall Street, the same goes for you. I am the Great I AM, and I will destroy everything you stand for. This Babylonian system, I am tearing apart as I speak these Words and am putting a new system in place for My children in the world. As the stock market implodes, My children, do not fear as this is not for you. I will destroy all the finances the world once had and hand it over to you like I did My children leaving Egypt. It will ALL be turned over to you. I am your Provider, and I will not leave this earth nor this system the way it is anymore to enslave My children.

So shout as great reversals are coming to this earth, great restorations and an overflow the world has never seen. I will show My children where there is more gold, silver and precious stones that I have kept hidden until now. This Earth belongs to Me and the fullness thereof, and I have given it to you, My children, to richly enjoy. So stand firm and stand with Me. All will be okay for the ones in the house of the Lord, saith the Lord your Redeemer!

## **YOUR ENEMIES ARE FINISHED**

Date Word Received: January 17, 2022

For I, the Lord, this day, am moving across this nation and across the nations of this Earth to restore, to deliver all My children from slavery and to put them in positions of power where they were always meant to be. My children, each and every one of you has a purpose, and I have My plans for all who will believe and obey My Words which will prosper each and every one of you in your lives. It won't just fall into your laps. You do have to believe in Me by pressing in and seeking Me. Then, I will show you where you need to go and which path to take for the blessed life I have in store for you to live in the fullness of days here on this Earth.

My children, I am annihilating every lie, every group, every regime and all governments that meant to hold you captive, kill you or deceive you. I am destroying their plans right now. There are groups all over this Earth that meant to lie in order to deceive My people from the truth.

Blinders are being removed right now to give everyone a chance to choose for themselves freedom without any deception swaying them from their decisions. My children, this world is about to see My righteous indignation, about to see Me restore life, justice, freedoms and about to see Me put My

children in the positions they should have already been in. The world kept you from holding these positions because you are My children. This satanic system that has been controlling this Earth was meant to keep you down and to enslave you while it brought the world's people, the ones who would do your enemies' bidding, the devil's bidding, against a child of the Most High God.

Well, no more will I stand for this **Babylonian System** destroying this earth I created while dictating what My children are allowed or not allowed to have. The closer you get, My children, to Restoration and Reversals, things will look more unstable, more confusing to some, more unusual and more shaking. What is about to be seen will shake most people to their core. Things that were somewhat normal will completely change.

Things are going to change as you have never seen before. This year, the landslide is picking up. The Avalanche is growing with intensity. Your enemies are becoming more unstable, and as it happens, more will lose their lives, and some will lose their minds right in front of you.

Watch as a massive earthquake hits in the state of California and off the West Coast. The big one they will call it.

To My children in those areas, do not fear. Plead the blood, and it will not affect you because I, the Lord, will protect you and your properties.

The news reporters and your neighbors will ask 'How can this be - everything around you is destroyed yet nothing affects your property?' You will respond 'It is God, the Creator of Heaven and Earth, Who protected me. He is My Father, and He can be yours, too'.

What Satan meant for destruction, I, the Lord, will turn for good on your behalf. Your enemies want to create so much calamity and chaos to stop what is about to take place. They are seeing The writing that I have put on their walls with these Words: YOU ARE FINISHED! YOUR PLANS ARE FINISHED! YOUR JUDGMENT IS HERE.

Keep watching as the weather will continue to be erratic over the next couple of months with snow, blizzards, ice storms, and tornadoes in places where they should not be. 'You don't see things like this in this area' they will say.

It is intensifying now, My children, in order to get the world's attention. I have said over and over for My children to believe My prophets. I am allowing unusual sightings and unusual weather to show My children that what My prophets are saying is true in order to get them to believe My will and My plans on this Earth so you don't miss out on what I have in store for each and every one of you. Glorious magnificent blessings I will give to the ones that stand on My side and choose to believe Me beyond what you see.

Watch as the ring of fire will keep making the news and headlines. Watch as you see this and hear this. Change your course of action if you are not standing with Me and My children. Things are getting stronger and more unbelievable for some to handle. These things have to shake this Earth and shake all those shackles and chains that are left on My children. Move forward with Me and March to your Victories.

Plagues came down on Egypt and became harsher and harsher before they would let My people go. You are seeing and experiencing that now. The Angel of Death will hit the enemies for the final blow. There will be some left alive, and they will say 'Just have it all. I don't care as long as you let me live'.

My children, your enemies are about to come to a Breaking Point, and all, and I mean all, will be let loose that was yours, and it will all be given back to you. These are your days. Do not fear what is coming upon this Earth. This judgment is for them to let My children go. You have My Name and My

blood, and you have Me as your protector. So stand with Me, the Most High God. I will not leave you nor forsake you. You cannot be defeated when you are with Me. Remove all the fear in your lives and replace it with My Word which will bring Faith in Me. These are the days of Retroactive Restorations for your freedoms. Everything that belongs to you will be yours. So stand. Rejoice. These are the days you have been praying for, saith the Lord of Hosts.

## **THE TRUTH ABOUT YOUR CAPITOL, OH UNITED STATES**

Date Word Received: February 23, 2022

I, the Lord, this day, am telling My children, the body of Christ, that everything will be okay despite what their enemies are about to say and do. It does not matter, saith the Lord of Hosts. I have said, so many times before, do not fear them or anything they say or do. It will not hurt you.

It does say in My Word 'touch not My anointed and do My prophets no harm'. My children, you are My anointed ones because of your Lord and Savior, Jesus Christ. By accepting Him, Resurrection Power lives on the inside of you. I am on the inside of you, and I am greater than he who is in the world.

My children, these are the days to get this Revelation down on the inside of you, so that when anything tries to come against you, it will not stand, and it will not prosper. I have spoken these things in My Word, so rejoice in these Words that bring freedom and joy to you, My children. My Words are Spirit and Life to you and a two-edged sword that your enemies can not run or hide from when you resist him and destroy his power or when you use My written and Rhema Words against him.

So study My Words more in this hour, My children. You will need these Words to spring out of you during these days, and you will need the faith to overpower your enemies' fear tactics that they will continue to use against you.

Wendy Rogers, you have My protection in this hour. You know what needs to be done in your state, and your green light is now. No matter what anyone tells you, use the information you have. It is time to go forward with the plan given to you. Move now, and all will be okay with you and for all who are with you. For what has been said and done against you, they are finished, and what they have now are empty threats. My protection is around you, so expose what needs to be exposed. All will be made right in your state, and all who were against you will be removed. Along with the ones who infiltrated your camps, I will expose the rest of them and remove them as well. The dominos are falling, and you know what to do. So do it, saith the Lord.

Mark Fincham, I have not forgotten you nor all that you have done to protect integrity and truth. I have blessed you, My son, anointed you for this very hour, given unto you strength, and given you the ability to get the job done. Move forward. I will protect you, bless the works of your hands and give you rest from the effects of the heat from this battle. All will be overturned. No, this has not been for naught. Great is your reward, My son. It is time to move forward with the plans I have given you. You know what they are, and you now have everything you need. Your green light is now, saith the Lord. This battle has been won by Me, and nothing can stop that. There is freedom and truth that is beginning to pour out of Arizona, and this is just the beginning for other states to follow suit. Pull it now. Pull it now, saith the Lord.

In this hour that you are in, My children, your enemies' destruction will be great. This is that time prophesied about by so many. They are about to pull as many things as they can at one time to take any strength you have left. Watch as the markets begin to collapse. They want total financial control to break you and to stop anyone from fighting them back.

Remember, My children, to stand, and do not fear. I will show you what to do and when. Nothing they do will stand against you. These are their final days of power. They want destruction; to threaten the ones that are pursuing them in order to take back power.

Remember, they want to use you as hostages against your rightful president. This will not work. They are going to move for a massive power grab in this hour to threaten you with all they have so you finally just give in to them once and for all. The window to take their full control is closing. That day they had been waiting for, February 22, 2022, didn't turn out the way they wanted it to. They don't understand. How could this be? They didn't count on Me, saith the Lord of Hosts.

To all the members of the House and Senate that are on the winning side: all the destruction that is coming to Washington D.C. is not for you. You all will be protected by Me. As I have stated before, watch for the unusual weather and for a usual thing that will appear in the skies over Washington DC. This Capital was never what I wanted. This was the satanic Capital used for many sacrifices and worshiping of Baal and the many other gods they serve.

My children, this is why your Capital has to move in this hour. A cleansing must take place, and everything they stood for must be and will be removed by My mighty hand. Their Babylonian system is being removed by Me. Everything they touched or perverted to use against you, I will remove.

Kamala, you feel like you are suffocating with no way out and nowhere to turn. Everyone is against you. You have no more allies. You have no peace because the target on your back is growing. You know that now they don't need or want you anymore. They already betrayed you with an actor in the seat you wanted. Obama is really leading everyone. You are just there as a fill-in. You can't take it much longer? Well, Kamala, you chose the wrong side, and peace you will never find, and treason will be your final end.

To 'The Biden': you liar, you snake in the grass. Your time is coming to an abrupt end. You can feel the power slipping from you and how disgusted Obama and all the others are with you. They want to ruin you and take full control before you ruin it all for them, but it is already too late. You are about to open your mouth and speak words they can't stop or recover from. You will give so many secrets away on live TV, and you will send them into an all-out panic scrambling to figure out what to do.

At the same time, "Jen Psaki, Nancy Pelosi, news anchors, who else can mess this up?" they will say. "What now?" When all this occurs, watch out, My children. They will pull out all stops against you. But at that same time, My hand is moving against them, and they shall not get what they want against you since I am against them.

Jen Psaki, you are feeling overwhelming pressure. You know the truth about Biden. They are turning on you. They don't trust you anymore. You will suddenly step down 'out of nowhere' they will say. You think that will bring you peace, but it won't. Your hour of Judgment has come for the part you played against the American people. You are a liar, and you are caught for all the webs of lies you weaved. You are also a traitor. And, yes, you shouldn't trust the ones you stand beside because they don't trust you. They want to dispose of you for leaving your post when they needed you to stay. Jen, you will not find the peace you are looking for. Judgment is about to hit your doors with nowhere for you to hide. You could have turned away and repented, but you chose not to. Now your fate has been sealed, and treason is your end.

Kevin McCarthy, get right before Me now and move forward with what you need to do, and I will protect you. No more waiting on others to do the job I have given to you. Do not fear what they can do to you. No, stand boldly, and I will protect you from the threats they planned against you. I will also protect your family, so, go. Your green light is now, saith the Lord.

Multiple storms will hit your land at one time, Oh United States. Blizzards in some areas, and thunderstorms and tornadoes in others. Many weather events at one time! A cleansing of your nation has begun. Some of these storms will be strong to stop the plans of your enemies against you. Do not fear the storms. Speak to them. Tell them that they cannot touch you or your house. You have power over them, so stand and use My authority in this hour. Speak truth and freedom along with victory, and you shall see it come to pass in your life. This year is great, My children, and it is all for you, saith the Lord your Redeemer.

## **DAYS OF JUDGMENT: DESTROYING THE WORKS OF DARKNESS**

Date Word Received: March 11, 2022

For I, the Lord, this day, am encouraging My children with these words for this time where there is much uncertainty, fear, and confusion. Know this, My written Word is truth, and it will set you free from anything that is in the world trying to hold you captive. I will not let these things you see now stand. When My hand is moving against them, more people will walk away from Me, but at the same time, more will come running to Me, saith the Lord of Hosts. This is the time of the great separation. I have spoken about the separation of My children from the world and its demonic system and of My Remnant from the rest of the body of Christ. My children, this has been your time to prepare, build you up stronger, and raise you higher than any adversity you will face. Don't be moved from the right to the left or be dismayed. Focus on Me and My Word, and I will give you peace and rest, saith the Lord your Redeemer.

The news will announce mass shortages, market crashes, possible shutdowns, and lockdowns. Do not listen to any of these words. They are just words that won't go anywhere. They will try certain things, but they will not work. My hand is moving, protecting, and delivering you.

They want to cause mass chaos on a scale never before seen. This will not happen. Neither genocide nor depopulation will happen. National shutdowns will not occur again, nor more lockdowns. No, because I always have the final say. They have gone as far as I will let them go, so their end is now at hand. So do not fear or be moved in this time of great shaking. I am here to deliver you.

Watch Yellowstone! I have spoken about this before. Things have been going on that were hidden from the public, but they can't hide anymore; obvious signs, smoke, and small eruption, nothing major. This earthquake will be reported. They have tried so hard to suppress so much news from the public, but the floodgates are now open for the whole world to see and hear.

Again, I am mentioning the Statue of Liberty. One day you shall see it standing, but the next day there will be a collapse and then only rubble on the ground.

The same goes for the Washington Monument and many other monuments and symbols across this nation.

The bull on Wall Street will be in the news, so watch as this is a sign. The Babylonian system will crumble to the ground and will not control the world again.

Lightning will strike a major symbol in this nation, signifying their destruction and demise.

Watch the White House. It too will have a lightning strike signifying I am striking them all down, and Judgment is here to end everything standing in your way.

Insider trading, manipulating markets: a whistleblower will expose all they have done for so many years against you and the world, how some of your government officials were a part of this manipulation, how they used the markets to control bills they passed, for price gouging, inflation, tax hikes, etc. Many ask, "Lord, how does this all tie together." "Lord, I don't understand?" Soon, My children, you will see all they have done and every piece of their intricate plans against you.

I am telling you this again, My children, watch Taiwan. It will continue to be in the news.

Indonesia will be in the news again for multiple reasons: a significant weather event and major flooding. So watch for this, My children.

General Petraeus will be in the news. Watch for this, My children. Information will show which side he truly is on.

A female news anchor will be entangled in a scandal. Also, watch as you hear and see more fall for the lies they told and the truth they purposely never reported. Why? To save their jobs and receive more cash.

The news industry is about to take major hits one after another. These hits will show the world who had no integrity left. But there are a select few who did tell as much truth as they could. They will be rewarded by Me for not bowing to the globalist agenda.

A news anchor will suddenly die. They will say it was a heart attack. Don't believe everything you hear. They are hiding the real reason, but that reason will be revealed.

Mount Everest will be in the news. Big time! Watch the tallest mountain and the information that comes from there. No matter how big or small, My children, nothing is impossible for Me. An avalanche will be seen and heard. This is the sign to watch concerning this mountain.

Concerning the Hollywood elite: a high-profile and very well-known actor for generations will suddenly pass away.

Bob Saget's death will be exposed, the circumstances surrounding his death, and why there was blunt force trauma. Yes, this was no accident. Child trafficking will be linked and shock the world regarding this beloved father on TV.

"Haha! Inflation?" they will scream and shout. And Janet Yellen, herself, will be exposed for all they paid her to say these things causing prices to soar, inflation, shortages, and markets. Everything done was to cause fear and panic so their final take over could succeed. Remember, My children, who is in charge. It is not them!

A huge report will expose a pedophilia ring. Yes, it will uncover who was in charge in a specific part of the world. Then there will be many more exposed after this.

Every dirty and dark secret is coming to light and will be destroyed in this time of great change. My children, know who always wins and know you are on My side. A thousand may fall at one side and ten thousand at another, but it won't come near you. Study Psalm 91, 34, and 93. Get them down in your hearts. Stand on My Word, and It will destroy anything in your way. My Word pierces your enemies. It is a two-edged sword. Shout out My Words. This will cause the most damage to any plans against you. See yourselves as the giants you are and know he, your enemy, is nothing in your sight. Not the other way around. He has had so many people believing this, and he has deceived them out of

what was already theirs. These are My days to destroy the works of the darkness against My children. See yourselves as I see you; through the eyes of Christ; through the eyes of victory.

Stand and receive these words today. This is your year and your great Exodus, saith the Lord of Hosts.

## **A GREAT HARVEST OF DESTRUCTION YOUR ENEMIES SHALL REAP**

Date Word Received: April 22, 2022

For I, the Lord, this day am telling My children to get ready for a victory shout, to shout so loud, the enemy's walls come all falling down to the ground like the walls of Jericho.

Soon you will literally see everything they designed, created, and made for your destruction, be destroyed before your eyes—every building, wall, monument, and business that were the enemies.

Every symbol and anything from this Babylonian system will not be left standing, including Wall Street. I told you before, My children, Wall Street is in for a very rude awakening, you would say. I will expose every dirty deal, dirty scheme, and plan they designed to enslave this world with their "financial system." They (your enemies) were planning a Wall Street crash worse than the depression, but what they didn't realize is, yes, there will be one. But instead of emptying your bank accounts and destroying your lives, it will happen to them instead.

A great harvest of destruction they will reap. I am tearing their system apart and leaving nothing left to control you with. They will have no finances when this crash happens. This is the time of a great wealth transfer. You said, Lord, you have said this before, but nothing is happening, and I asked you this, My children, have I not done this before no matter how impossible this seems? I will remind you in My Word that in the first Exodus, Pharaoh in Egypt wiped the Israelites of all their money through their ungodly system and also enslaved them. But when I said let My people go, I meant it in every way they held them hostage, including financially. I will not stand by and let them control the world with finances that don't belong to the world elites.

My children, you are to rule and reign in this earth. Be blessed to be a blessing with no limitations getting the gospel and truth regarding My son, Jesus, across this world to set the captives free.

This is a set time for the world to be completely set free from the slavery you have endured your whole lives, thinking this was normal when it wasn't. It was a set time in Egypt for My children to be set free, and this is another set time- the globalist have to let My children go. There is nothing that can stop this from taking place, saith the Lord of Hosts.

A sign of this: CNN will claim bankruptcy. I have told you many times that CNN will have nothing left. Judgment has already started to hit them and destroy the power that they used against you. More will leave that network. They see the writing on the wall- more transcripts, video evidence of them lying and deceiving this nation. A major whistleblower will come and expose CNN. This will be the final nail in the coffin of that network. But there will be more to follow. They are all being silenced by Me, saith the Lord in this hour of judgment and justice.

"All hail the queen." This phrase will be in your headlines. Look to see who is saying this, My children. So much truth is coming out of that land. Yes, the royals, the government, and all will be exposed, saith the Lord.

Mount Sinai will be in the news. Look to see what they are saying, My children, about what took place

there. Just know that I am God, and nothing your enemies do will stand against Me, the One True God.

Clemshaw: this word will be in your news. Truth is being told everywhere, and nothing will stay hidden.

There will be more breaking headlines on another cargo ship being stuck. Truth will be uncovered about what is really on that ship. Listen for the company's name. That is no coincidence.

This is the end to the shortages they created, My children. I am a God of multiplication, and there are no limits with Me. I knew they would do this, and I made sure there would be more than enough. They are hiding it from the world. A whistleblower is about to come forward with the information exposing all who were involved, how they did it, and where all of the supplies are. It will be surprising to some where it all was and how they did it.

But an overflow and a flood are coming your way, My children, and your adversaries' camps are about to be plundered like they never had any of it, to begin with. It will happen so fast, they won't know what hit them. They are too arrogant to think their plans wouldn't work, but I, The Great I AM, am against them, and judgment is hitting them head-on when they least expect it.

Georgetown will be in your headlines. My children, listen carefully to what is being reported there and know that I know all and see all. They can't hide anything from Me, saith the Lord of Hosts.

El Salvador will be in your news. Not only will a weather event be reported on, but there will be more that comes out of this country. Trafficking will be exposed and disposed of, each and every one of them who were involved. Many sting operations will take place all over this world to destroy this once-secret society, a secret world of evil. The stench has reached My nostrils. One so vile that My vengeance will be poured out, and no mercy they shall receive because no mercy they gave, saith the Lord of Hosts.

El Capitan will be in your headlines. My children, remember I Am the Great I AM, and I do tell you this before this happens so you know I am the One True God, and I am in control.

Howard Johnson: this name will be in multiple headlines. Listen to what is being said. There is more of this story; to come.

Barack Obama is about to come out on center stage once again. Listen carefully to what he is saying. Read between the lines. There is more to what is being said. He is signaling the world elites to make their next move. They think this is their final move to take over the world once and for all. But they don't know that with this next desperate move in an attempt to stay in power, it will be their end. They will all fall on their faces and fall to their own sword. These are the days of Haman, and they are finding out what they wanted to do to you is starting to happen to them.

Watch what they start to do, My children, in their desperate attempts to save themselves. More slips of the tongue, more of their inner circle being exposed, and more deaths will take place for them. Just watch, My children. All will play out in the world's eye for everyone to see that they lose and you win. I am The God of Abraham, Isaac, and Jacob, and I am still the deliverer.

These are your days of deliverance, My children. Hold on, for the darkness will be theirs, not yours. Their next power grabs will not stand, for I am moving quickly to save and set you free, children of Almighty God. Shout louder! Let the Lion of the tribe of Judah roar, destroying their plans and their walls. None will stand against Me, and none will stand against you.

Great celebrations! Great deliverance! Great restorations you never thought could or would take place! Prepare to celebrate like never before, saith the Lord your Redeemer.

# **A GREAT SHAKING HAS BEGUN**

Date Word Received: April 27, 2022

For I, the Lord, am moving upon this Earth in ways you can't see or understand yet. Yet is the keyword. I will show you My plans were always for your good, My children. I didn't leave you without hope, nor would I ever do that. I am your hope upon this Earth. Don't pay attention to your enemies who are trying to make everything seem hopeless. Remember, Satan is the father of lies, and everything he does is through a form of deception. If you know the total truth, he would have nothing to fight you with. That is why in this great hour of shaking and truth being revealed like never before, your knowledge of how much authority you have will grow like never before, and you will fight back and win.

It is hard for some of My children to believe anything good is going to happen. Evil is prevailing, and there is nothing that can be done than just sit back and let them destroy your freedoms, this country, and the world. My children, that is simply not true, and that's the farthest thing from the truth. I am changing everything you see now for your good. I am knocking down every one of your enemies from their places of power and influence and putting a child of Mine in those positions that belong to them, to begin with.

I am not standing idly by just to let them have their way. Look to My Word and see that I never allowed it then, and I won't allow it now. I have allowed them to go so far to utterly destroy them once and for all. Their plans have never worked, and they won't now either. This is nothing new. Your adversary, the devil, was a loser then, and he still is. So do not sit back and just accept everything being done to you. Stand up and use your voices, the power I have given to you, and go get what is yours. I am with you, and your deliverance is at hand.

The Solomon Islands will be in your news. A weather event will take place there that is unusual to them. This is another sign to you, My children, that things are changing everywhere. Do not fear what you see. It won't stand before Me and win.

The Canary Islands will be in your headlines. Listen for what took place there and what they are saying happened. A canary will come out in the open and sing the truth for all the world to hear. The name is no coincidence. What will take place is another whistleblower will come and stand for what is right.

Again, Whispering Pines will be in your news. This name and this location are no accident. Truth will be revealed, the liars will be caught, and judgment will take place.

Sri Lanka will be in your news. There is more that will come out regarding this story. It is not how it appears to be.

Snowden: I again will say this name. A whistleblower is about to blow the doors wide open on truth regarding your nation, oh United States. Your freedoms are here, and no one will steal what has already been paid for by Me, saith the Lord.

Armageddon: this word will be used to describe a situation that occurred on this Earth. Listen to who was saying this and why it is so important. All of their plans are imploding, and they can't stop it no matter how hard they try.

Tamisuma will be in your headlines. Look to this location. Information will be released that will shock this world, saith the Lord.

The Chesapeake Bay will be in the headlines. A secret has been hidden there that will be revealed. My children, watch and see how they all start to fall just like their plans against you.

Saudi Arabia will be in major headlines. An eruption will take place, and it's not what you think. My children, war is raging everywhere. Intentions are high. They want to make a move to stop the truth from coming out. But they can't, for I am against them, and they will not stand against Me and survive, saith the Lord.

Harrison Ford will be in your news. My children, remember I give you the news before the news all the time, no matter what it's about.

Freeman: this name will be in your news. Listen to the reason why. It will tell more of a story.

Explosive information will come out exposing the IRS, oh United States. A snake pit will be found of corruption, heinous acts, and crimes against your nation. Liars they all are, and they will be judged along with the Federal Reserve that was never meant to be in your land, oh United States. Oh, this Babylonian system is about to crumble to the ground. It will not stay this way, children of Almighty God.

Speak to the mountains of corruption, media, fraudulent governments, and world leaders, and they can't stay where they are. I, the Lord, am about to change the scenery of the United States. Soon you will see, My children, what this means. So hold on, sudden changes are about to occur.

The Australian Prime Minister will have some explaining to do once a news story breaks out. Truth is being told, and whistleblowers are coming for them all.

The NASDAQ will take a tumble. Oh yes, there is a bumpy road ahead for the ones who manipulated and played games against you, children of Almighty God and the people of this world, for I have seen it all. I have recorded it all, and all are being exposed in this hour of judgment, saith the Lord of Hosts.

The Dow will go down for them, and they will not be able to prop it up or manipulate it like they always have done, for My hand is moving against their financial system to take them down once and for all.

Muhammad: this name will be in your headlines. A breakout and exposures all over this world can't be held back anymore.

King Nebuchadnezzar made a fool out of himself and stood up against Me by going after My three Hebrew men. He saw the Fourth Man show up for them. Now the ones against My children will see Me show up for you and won't be able to deny that I am on the throne and that there is no one greater than Me, saith the Lord of Hosts.

Stonewall: this name will be in your news. Listen carefully, My children. More, and I mean so much more, will be revealed.

I have heard the cries of My people, and I am delivering you out of all that you see and are experiencing now. For I am The Great I AM. My Children, you can and will outlast anything they have done. I am giving you the ability to rise above it all. Receive what I have for you this day. Receive your victory that I have paid for. It is yours now. They can't take it away from you.

This is that time My children have dreamed of. I am not done with you, oh United States. I am not done with this Earth, no, just the ones who have enslaved you in it. I am here for your total deliverance in this time and in this year, saith the Lord your Redeemer.

# IT'S ALL ABOUT TO BREAK WIDE OPEN

[Watch video](#)

For I, the Lord, this day am reminding My Children who the Great I AM really is. There is no one bigger than I AM. No test or trial, no adversity, no enemy, or any plans they use will ever get past Me and win.

I know that statement; some of My children are struggling with it because so many horrible things have happened on this earth. I know it does look like your enemies have gotten away with much, but you can't go by what things look like. All your enemies will pay for their crimes here and for all eternity.

Things are shaking. Yes, things no longer appear normal. That is true, but suddenlies are about to break out in many places, and things will abruptly change. But when Lord? I can't take much more of this! My children, stop looking and magnifying the problems. Stop focusing on them, what they are saying and what they are doing. Look to Me. Look in My written Word. Look at all I have for you to endure to rise above and to be victorious. Yes, you can not only endure through this, but I will perfect you and strengthen you in the midst of it as long as you trust Me, be confident in Me, and what I have promised you.

A rattling is taking place. What your enemies thought was dead has come alive. What is that? My church, My body, your faith, your hope and trust in Me, your authority, your freedom, and your victories. They believe they killed and destroyed all My goodness upon this Earth, so they could magnify everything they were doing, so you would stop believing in Me. But the opposite is actually taking place for the majority of this world. Most people are turning toward Me and My word more than ever before. Your enemies never thought this could or would happen. They are losing in everything they are doing against you, saith the Lord of Hosts.

The Caspian Sea will be in your news. A major story will be reported on that is taking place on and around the sea. Nothing can get by Me, saith the Lord. Look at this in your news and know I did tell you this before it happened to encourage you. I know all things before they take place. I am in control.

Hammer & Smith: this name will be in your news. Look at what they are saying took place, and I will remind you things are not always as they seem.

Jekyll & Hyde will be used to explain certain leaders and government officials. They appear one way but are actually another. You will soon see and hear of the truth they have all tried to hide, and you will know who they really were all along.

Liars and snakes, jackals and rats: they are all coming out of their hiding places to receive their judgment, saith the Lord of Hosts.

Smith & Wesson will be in your headlines. A secret has been hidden. A person who is in charge will answer for things that have been suppressed from the public. Scandals, yes. Just listen to see who is being exposed now, saith the Lord. Not every person in every company or business is evil, My children. But the ones that control the economy, they put chains on many corporations to do what they wish.

You will hear of many companies that are about to be exposed in this hour for the dirty deals they have done against the people of this nation, including their own nations. This is the time when they will all pay for their crimes, saith the Lord of Hosts.

Top Democrat leaders and officials will be connected to heinous crimes against this Nation, but some on the right will also be implicated and connected to the party of the left as well. Many will have to show their faces to the world, admit guilt, and be charged along with being sentenced for their crimes. Oh yes, it's all about to break wide open.

With the Durham Report, more information will come out. Explosive information will be released that can't be denied by your fraudulent government or world leaders. This information was held back for the right time until all people were exposed, and the deepest of the innermost circles were infiltrated to get to the full truth, leaving nothing hidden or anything in secret.

For I, the Lord, have seen it all, and I put people in the enemy's camps to get everything they could to entrap every person involved with proof that can't be refuted. A darkness is falling upon your enemies they can't escape from, saith the Lord of Hosts.

Sandusky: this word will be used in your news.

Again I tell you, My children, the word Hindenburg will be used to explain what is happening to this fraudulent government. When you see this, know they are all coming down quicker than you think, saith the Lord of Hosts.

Scalia: this name will be in your news, and the truth regarding a Supreme Court Justice's death will be revealed- a cover-up that can't be covered up any longer.

Hopewell: this word will be in your headlines. I am giving you all of these names and locations to encourage My children that everything will be okay.

Scarlet: this name will also be in your news.

Soon in your news, they will bring up cash and how they want things to be cashless. That it will be easier for everyone to help fight against sicknesses. Don't listen to such nonsense. They are moving to try and take more control over the wealth of this world. I will squash their plans and take away all they have for enslaving and using the economies against the people of this world and their Babylonian system.

Lisa: this name will be in your headlines. Look at this location. More will be reported. More doors are being opened to uncover the truth behind them.

Eisenhower: this name and location are also important in this hour, My children.

A dam is about to be in your news. As you see this news break, remember I told you the truth is breaking through their dam of lies, saith the Lord.

My children, these are your days to shine in the midst of the darkness. You will overcome, outlast, and outmaneuver your enemies in every way. I have given you this ability. Your time on this Earth has come to receive all that I have for you, saith the Lord your Redeemer.

# MY MIGHTY WORKS WILL BE SEEN BY THE WORLD

Date Word Received: June 6, 2022

[Watch video](#)

For I, the Lord, this day continue to tell you, My children, I am judging your enemies. I am restoring everything that has been stolen. I am moving My hand now, and you will see your enemies fall. Their destruction will be great.

They stood before Me in arrogance, shook their fists at Me, and said, "there is no God, and even if there was, I don't care. My money and power will get me where I want to go. I have everything I need, and nothing will stop my plans. No, nothing can defeat me." Yes, My children, these words and many more like this have been spoken against Me, but all of mankind will see My mighty works in this time and hour to show that I am still the God of Abraham, Isaac, and Jacob! I still am on the throne! I still live! I still save! I do keep My Word and My promises! I still stand up against your enemies to deliver My children! No man can change that.

All mankind will know for a fact I am the Most High God after I move My hand in a way that is not known to man. No one will be able to deny that fact, saith the Lord.

Some will choose, even after I move My hand, the other side and defiance. My children, they have free will. I can't make them turn from their wicked ways. That is up to them to decide which side they are on.

Prepare, My children, for a mighty move of My hand that will bring great change upon this Earth.

Great changes will be seen and felt by the world. This great change is for your deliverance, to restore your freedoms, health, wealth, and everything your enemies took from you. Things you weren't even aware of. Yes, My children, you can hope again. You can trust Me. You can look ahead and stop looking behind. Stop being moved by what you see. It's all about to change, saith the Lord of Hosts.

You will no longer be held hostage or enslaved by these unruly rulers of the evil one. No, I am removing the oppressors in this hour, their laws, plans, rule, and their reigning over you.

I am pulling them all down from their places of power, and influence and justice will be seen through this world. **I am moving now. I am passing down judgment as I speak these words to you, and nothing can stop it,** saith the Lord.

Hodgepodge: this phrase will be in your news to describe this fraudulent government and the way they are trying to or think they are running this nation. **I am letting them fall in front of this world. They will get what they so desired against you, and the whole world will see it come to pass and some in real-time,** saith the Lord.

They are trying to jump through many hurdles to stay significant in this world. Your enemies have no idea the obstacles they are about to face. They will wish they never came against My children in such defiance, saith the Lord.

YouTube: a whistleblower is about to come forth with such proof of the evil schemes you have done against the world. Oh yes, every dirty deal and scheme you have accomplished for the One World Government. Those who took part in silencing My children will be silenced. Your power and influence will be taken from you, and so will your finances.

This company Google: I am coming for you. You can't hide from the destruction that is about to plague

your company. You thought you had the power to take My mouthpieces down with no consequences. You will soon find out every secret you thought was safe wasn't. I have it all and so do the ones with Me that I have let them have and see this information. Google, your stocks will plummet. Your power will be stripped from every one of you like you never existed. Your company will be handed over to My children, saith the Lord.

Science fiction: this will be in your news. Things they wanted you to believe weren't true really were. You will know when you see this - how evil the movie industry really is - making movies based on what was really their plans and based on things they were actually doing today to destroy mankind as you know it. They wanted to dummy you down to believe it wasn't real or could never be real - a propaganda machine to control your society. I am destroying it as I speak these words, and you will see it fall apart, saith the Lord.

A major sand storm is about to take place in the Middle East. A usually large sandstorm, they will say. Great destruction it will cause. They had something hidden there they were planning on using against you, oh United States, but I, the Lord, am obscuring their view and destroying their plans. They will never see what they so desired come against you, saith the Lord.

A malfunction will be visible on live TV that your fraudulent government didn't want you to see - an obvious sign things aren't as they appear to be. Of course, they will try to explain it away, but they can't. An uproar it will bring. An outcry never heard like this before.

My children, I have told you things are ramping up, so buckle up. The ride will get bumpy, it may appear, but stay the course with Me in a smooth ride it shall be.

Hausman: this name will be in your news.

Apple: this company will be in your news. A whistleblower will come forward with the designs they made against you. Things are definitely not how they appear with this company. Exposures will plague this company - child sex trafficking; they will be connected to. Heinous crimes have been committed by this company, and the whole world will hear it and see it. Not one person who joined in on these crimes will walk away scot-free. No, judgment and justice will hit this company hard in the coming days, saith the Lord of Hosts.

JP Morgan / Chase: this bank and corporation will be exposed heavily in the coming days. Watch what is being said. Manipulation, dirty schemes, and trafficking, you name it. They were part of it. All the major corporations that have been a part of this economic collapse, slavery will be taken down by My hand, saith the Lord.

A major investment firm is about to be exposed big time. Investment corporations are not how they appear to be, and I will show the world all their hands were in the cookie jar taking from you to give themselves more. Much more stealing has been going on that no one realized. I will stop it and restore it to you, My children. Everything they have taken from you will be given back, saith the Lord.

Sussmann: you will once again be in the news. I am not done with you, and judgment is about to strike you down to the ground.

Maldives: this country and its name are about to be in the news for an unusual reason.

Stocks all over the place are about to sink quicker than the Titanic, a whirlwind of economic destruction. More damage is coming for the enemies of Almighty God. Not one of them will walk away with what they had stolen from you, My children, saith the Lord of Hosts.

My children, I have thwarted the attacks against you.

The gold standard is coming back. Silver will shock you to levels never seen. Just watch, My children. Precious metals are about to change forever. My financial kingdom is being set up upon this Earth, and it will destroy the enemy's Babylonian system they put up in defiance of Me.

Great changes are taking place quicker than you think, My children - brace for what is coming.

Breakthroughs, exposures, and deliverance like you have never known before. Stand and receive what I have done for you. It's yours, and the world will see and know who My children are. You are a light in this earth, and your light is about to shine brighter than any other time known to mankind.

Everyone will know you are My children and that I live in you.

A great harvest of souls is coming. Get prepared, My children, saith the Lord your Redeemer.

## **I AM CHANGING IT ALL**

This Babylonian system is about the fall, along with everyone controlling it.

For I, the Lord, this day command My children to get up from your places of despair and defeat, those dark places your enemy has kept you enslaved in with such bondage. No, My children, you are no longer slaves. The Lord has brought your enemy to nothing and destroyed his power over you. He can no longer hold you!

So break free from those chains, My children. Break free with the Name and the blood of Jesus Christ. What He did on the cross and what He did to destroy the power of hell on this earth against you, get this revelation. Your enemy is a loser. He is defeated. See him that way. See him under your feet. See him as small as he truly is. You are bigger and have more power than he does because I am on the inside of you **always**.

Remember that I go where you go. I am always with you. Don't do things on your own or in your own strength and ability. No, that is how the world lives. Live as a child of the Most High God should live in this world but not of this world. No longer settle for second best or for their sickness, debt, or the bondage they have kept you in. I have said **let My people go**. Those words are still at work today, and the manifestations of it the world will soon see. So get up now with My Word, My children, and arise higher than your circumstances. They can no longer hold you hostage when you know the truth, saith the Lord your Redeemer.

Ezra: this name will be in your news.

Mount Ararat will be in your news. Watch this sign. It will show an explosion that is about to take place politically as well, and it will be great.

Obama will come back yet again and spew more lies with his arrogance. He actually thinks you believe these words. He truly believes he is in control of the United States of America and that he will control the rest of the world. Little does he know what is about to take place against him and all who are with him, saith the Lord.

Again, My children, I am warning you they want to cause anarchy in your streets to fill your cities. Do

not fear these moves. My hand is moving against it all. So take authority over your cities and states, and what they want **will not succeed**.

Elizabeth: this name will be in your news, and truth will prevail in every situation.

Adeline: this name will also be in your news.

Freemasonry: this organization, a secret society, will be ripped apart. Exposures will plague them, and a well-known person who was once a part of them will come out against them and expose them all. This whistleblower is protected by Me, saith the Lord of Hosts.

Illuminati: oh, you think you are the enlightened ones. You think you are so smart, high-powered, and wealthy that you will escape judgment. You think your plans will go the way you want them, but I am already tearing them apart in front of you. Your secret societies, your power, and your influence, I will move My hand fully against you. When I am done, it will be like you never existed. Look at Pharoah. That will be all of you. You thought you were so smart you could escape it all, that you could outsmart Me. You will find out I am the Most High God, and not one of you will escape My judgment, saith the Lord of Hosts.

Again, I say Istanbul will be in your news. Look to see what they are saying. It's not how it seems to be, and all will be uncovered.

Rats will be in the news but not the kind of rats you are thinking of. These rats are hiding in plain sight stealing your freedoms and your countries from you. I will expose them all, even the ones who are trying to hide who they really are. They will soon find out I am shining My light into every dark corner to expose all the dark and dirty secrets, their betrayals, and the schemes and plans they made against you. I will soon put names and faces on center stage for the whole world to see who all took part in such tyranny.

Abbott: this name will be in your news for an unusual reason.

An unusual rain storm will hit a country that doesn't ever see this much rain. They will describe it as historic and unprecedented, saith the Lord.

China will get hit with hailstones like never before, for judgment will hit them for the world to see. I am moving My hand to stop their next moves against this Earth. They want full control, but they will never get it. I am bringing them to their knees just like Egypt, never to regain their power financially again.

A famous Isaiah will be in your news.

Aphrodite: this unusual name will be in your news for an unusual reason- to expose the lies. And truth shall prevail.

Howard Stern will be in your news, and his comments will surprise many.

Micah: this name will also be in your news.

A rumbling is brewing in Hollywood that will soon be revealed and felt by many.

A change is coming, My children, that will change the course of your lives. So change your words and change your actions. My Word will lead and guide you in the right direction that you should go. I will not leave you and this Earth the way things are.

No, I am changing it all, saith the Lord of Hosts.

A military will be seen rearing its ugly head and threatening the world. Do not listen. This is just a

distraction, a tactic to bring the world to its knees through fear. This war will not happen yet. Their plans will not succeed. Their power will be destroyed.

A well-known politician will come out of hiding and will shock the country with what side they are on and are standing up for. Many people who you thought were on one side were actually on another.

A major government official is about to step down suddenly. Someone no one thought would walk away. Well, they didn't by choice.

Merrick Garland: the truth is coming for you with nowhere for you to hide. Great embarrassment you shall endure, and justice will be served, saith the Lord.

My United States: shock waves will hit state by state. Truth shall rock your Nation. Remember, I have said before, your enemies are trying to divide you because a house divided against itself cannot stand. But your name, oh United States, is prophetic, and this country will be united like never before despite all the efforts against this Nation to tear it apart. This Nation will rise out of the ashes to be a greater, stronger, more powerful Nation than the world has ever seen.

Your enemies will try and stop you from celebrating your Independence Day, but it shall not work. Celebrate your freedoms like never before, My children.

It's almost over, My children. **This Babylonian system is about the fall, along with everyone controlling it.**

Stand up for truth and tear down those lies against you. Show them Who is the One on the inside of you, the One Who will never leave you nor forsake you. I am the Most High God, and the world is about to see that is still true, saith the Lord your Redeemer.

## **IT'S ALL COMING TO A CLOSE**

Date Word Received: July 29, 2022

[Watch video](#)

For I, the Lord, this day want to remind My children who I am. I am the Most High God, and no one is bigger than Me. No man can outsmart Me. No evil plan is bigger. No matter what they do, what they try to do to change time, or what they will try to do to stay in control, it will never work.

Lord, what do you mean by changing time? **My children, it is the time for the body of Christ on this Earth. It is time for the Babylonian system to fall. It is time for the Great Harvest of souls. It is time for your enemies' defeat.** It is time for the Great Exodus. This time is now, and they tried to change time by changing who was in control.

They wanted their reset to control the world and destroy everything and everyone in it. They wanted to gain more power and more money. This was it for them. It was finally time for the One World Government they thought would take over the world once and for all. They did everything they could. They are throwing everything they can to make this happen right now. They really thought they would be farther by now in this time of what they considered their time to rule this Earth, but it's not working. They will continue to see failure everywhere they look. My children, I say this again, brace yourselves for what is coming and what they will try next to keep from losing their power in this Nation and all the nations.

Takedowns and removals are happening now. People they put in charge are resigning, and they didn't

plan for some of this. Some people they chose to remove because they thought they were too weak, too slow at acting on their behalf, or they didn't trust them in helping to complete the next phase of this reset. My angel armies and My people that I am using all over this world will continue to remove the people in power who are against Me. You are about to see a bigger shift of power over the nations around the world, saith the Lord.

My children, watch China rear its ugly head. They can't help but try to take control now. They don't want to wait. The United States is weak, they say, **not knowing what is hiding in the shadows. The real government and the rightful president are taking power back even as I speak these words.** China, don't do what you want to do. It will be disastrous for you. Oh yes, you will try and make this move, but it will put the final nail in your coffin of power and any influence you once had. China, you will not get what you want. You will fall and fall big time, saith the Lord of Hosts.

My children, inventions have been stolen from someone they rightfully belonged to, and more truth will come out regarding this. Inventions have been suppressed and lied about, but I will uncover the truth and show the world the inventions the One World Government didn't want you to have.

Gold and silver: they didn't want you to know the truth because they would lose their power and economy. They are about to lose it all. My children, just watch their economy fall and a new one rise, saith the Lord of Hosts.

Eggs are about to be in your news. It's a lie. Don't believe what they are saying.

Tumultuous: this word will be in your news.

Insider trading will be in your news. Oh, it's bigger, nastier, and more wicked than what you have heard and seen so far. Nancy is just one of many. Oh yes! Most in your government are connected to and control Wall Street behind closed doors. The Deep State controls it all, they think. They know what's going to happen in the stock market because they decide when and what happens. It's pure evil. They decide who wins, prospers, and when, but that is over. My children, **they are all finished.**

The Federal Reserve is about to come out and make a statement that will bring fear to many. Don't listen. They are liars. They are told what to say and what decisions to make by George Soros, Bill Gates, and the rest of them. The Federal Reserve will not stand. It's a lie and should never have been created. It was created to bring much debt to this Nation to destroy it from within. Yes, that was the plan from the beginning- using the Federal Reserve, IRS, CIA, FBI, NSA, every evil plan, and every person in these positions to destroy this Nation. It is time for their end. I have people everywhere, your enemies **never knew, who have infiltrated the infiltrators and have all the evidence of everything.**

My children, **it's coming to a close.** There is hope. There is an end to all of what you see of their power and their controlling you and this world. You are going to see it this year. It's too hard to believe, Lord. It continues to worsen, people think, but My children, is it? Or does it just appear that way? I let them have certain things, it looked like, to bring them down. It's just like when I brought the pharaohs and kings down who were against Me and My people in the Bible. This time is no exception.

Conjuring: this word will be in the news.

"Hot air, these people are full of": this phrase will be in the news.

Attitude adjustments: you will see people in your fake government change their tune, it will appear. Watch! Things are changing in a big way, saith the Lord.

Conjunction: this word will be used a lot in your news.

Impeach, impeach, they will start to say, and some will start to shout the 25th Amendment. They are

trying to remove "the Biden" without people knowing what is really going on with him, but it won't work. The world will know the full truth regarding "the Biden," saith the Lord.

Shattered: this word will be in the news.

Coppertone: this word will be in your news. Truth is pouring out everywhere.

Natalie: this name will be in the news.

Cartwright: this name will also be in the news.

A judge will be in the news. They are standing up for truth, and more will follow. It will trend all around this Nation. If they can, I will too, they will say to themselves. They will fear less about death and rule for justice and liberty once again, saith the Lord.

Constitutional values will be in question. This will be in the news.

Scoundrel: this word will be in your news.

For I, the Lord, this day am telling My children to **rejoice even when it seems like you should do the opposite**. Your enemy, right now, wants you in fear. He wants you to believe his lies. He wants you to quit and give in. He wants you to give up on your victory, so he can defeat you when he doesn't have

that right unless he can deceive you out of what is already yours. He wants you to become complacent and lazy in your faith so you won't fight him back. Your enemy wants you this day to completely give in to his tyranny.

Don't let your enemies have something that doesn't belong to them. Freedom belongs to you. You are the children of the Most High God. Stop living underneath your privileges as My children. Stop your adversary from controlling and manipulating your lives.

Lord, how do we do that? Get to know Me more. Get in My written Word, which is truth. It will set you free and destroy the mindset of defeat. It will destroy all deception and your enemies' control over you. He lost all control over you that day on Calvary. When Jesus was raised from death, He completely destroyed Satan's power over you, and He destroyed the curse in your lives. You don't have to live that way anymore. **You are no longer slaves to this world, no longer slaves to your enemies, no longer slaves to this demonic Babylonian system.** No, it is over. That is completely coming to an end. My children, take your places of authority this day, in the mighty Name of Jesus.

My Glory- ask for it, My children. Ask for more of Me, and you shall receive. **Ask, and it shall be given unto you.** These are your days- great days filled with miracles. So rejoice because of **what the Lord has done. Never back down. Never give in. Receive what is already yours,** saith the Lord your Redeemer.

Harvey Weinstein: this name will be in your news. There is so much more to this story. You will hear it all and all who are connected to him. They tried to hide and bury the truth, but it's coming to an explosive place, My children. The people who are named and this dirty underground world will shock the whole world. Harvey is just one of the many connected to the Hollywood elites and the many in your fraudulent government, along with the world leaders. It's all coming out, and it's all coming to an end, saith the Lord.

Continue to declare your victory.

Something is brewing that is about to escalate and come to that explosive place I have continually mentioned in My Words. It's all about to go down. A plague is coming that will catch the world's attention. It won't work this time like it did last time, and your enemies won't understand why. It's because it's a lie. The people know it this time. "Another virus," they will scream and shout. My children, don't pay attention. It's a lie to lock you down and a distraction from what they wanted to happen next to stop the takedown from taking place. It's coming in a big way, saith the Lord.

It's bigger than the Red Sea. Much bigger, and you are partakers of it all, saith the Lord your Redeemer.
