

WALL STREET IS BEING JUDGED

Prophecies and excerpts from Julie Green Ministries

<https://www.jgminternational.org/>

Wall Street is coming down... The world elites are coming down, and so is their One World Government and all of their plans. It's coming down greater than the walls of Jericho, bigger than the Red Sea. Yes, much bigger, and you will see. (Dec. 12, 2021)

Wall Street, watch out. I am moving My hand against you, and I am wiping out your heinous acts and your manipulation of the markets and the economy. The puppet masters controlled you in order to control the money, where it went and who got the majority of it so that they could get richer as the world suffered. I am destroying your system, your economy and bringing in a new one that will give more to the world and not hoard it for just a few. I am destroying the BULL in front of your street. (Dec. 13, 2021)

You will see banks fall, Wall Street fall, this illegitimate government fall, their laws fall, their economy fall, all at the same time. I am bringing you the New. Do not fear, My children. You will all be protected in the midst of the world's economy collapsing through their power being destroyed over you. (Dec. 17, 2021)

Wall Street, the same goes for you. I am the Great I AM, and I will destroy everything you stand for. This Babylonian system, I am tearing apart as I speak these Words and I am putting a new system in place for My children in the world. (Jan. 6, 2022)

Every symbol and anything from this Babylonian system will not be left standing, including Wall Street. I told you before, My children, Wall Street is in for a very rude awakening, you would say. I will expose every dirty deal, dirty scheme, and plan they designed to enslave this world with their "financial system." They (your enemies) were planning a Wall Street crash worse than the depression, but what they didn't realize is, yes, there will be one. But instead of emptying your bank accounts and destroying your lives, it will happen to them instead. (April 22, 2022)

I am about to purge Wall Street, saith the Lord. Many dirty deals and criminal activities have been hidden on Wall Street. These exposures will prove all who were connected and have been playing the world economies like a fiddle to destroy the markets worldwide at their will. Yes, every last one of them will be named, and justice will be served, saith the Lord of Hosts. (Sept. 5, 2022)

Great exposures are coming for the IRS, oh yes, and for the Federal Reserve and Wall Street. **They are all thieves and liars. They were never meant for My Nation.** Man brought them into this Nation to enslave you into their submission. A great outcry is about to be heard across this land. All plans, lies, and the globalist agenda are about to be told to the world. (Nov. 24, 2022)

A great exposure of **a money-laundering scheme is about to be headline news everywhere.** Wall Street, your government, the Democratic party, the Deep State Republicans, and all who paid to play will not stay hidden anymore. They used your tax dollars to steal, to kill, for their financial gain, and backroom deals. Wall Street is about

to be exposed, and it will rattle this fake administration. Follow the money, and you will find all the traitors and infiltrators in your Nation. **It's darker, deeper, and more evil and sinister than you thought.** The swamp is about to be emptied by My hand, saith the Lord of Hosts. (Dec. 4, 2022)

Wall Street is about to be in your news, and what takes place and will be exposed will bring it to a standstill. Hope is not lost no matter what the markets say or do. That's their system, not Mine for you. (Jan. 9, 2023)

The IRS **will be dissolved.** The Federal Reserve **will be brought to nothing.** Wall Street **will crumble and collapse.** I told you, My children, **the day of reckoning is here. I will avenge My children, and justice will always prevail.** (Feb. 13, 2022)

HIS FRAUDULENT GOVERNMENT IS COMING DOWN

Date Word Received: December 12, 2022

[Watch video](#)

For I, the Lord, this day am telling My children to war in the spirit, to pray, to fast, to decree, to command deliverance, freedom, and retroactive restorations, and to declare everything that has been stolen be given back seven times greater because the thieves have been caught and **they cannot keep what rightfully belongs to you.** Say that. And say it until you believe it, and say it until you believe Me.

I am here to set the captives free. A major shaking is about to occur in the land of My eagle. At first, it will seem devastating; it will seem like the worst-case scenario, but **remember who is in control.** It's **not** the ones who pretend to be. It's **not** the ones who think they are in control. It is **not** the ones who have lied to keep you under their submission. No, it's not them. They have no power because **the one that uses them is already defeated.** Once that becomes greater on the inside of you, there is nothing that will move you.

Your enemies are defeated now. So shout this loud. Shout it from the rooftops and let your adversary know his days of ruling over you with fear are over. You will no longer be tormented because the Lion of the tribe of Judah has roared and has fought and has won the victory, and it's mine. Say this, My children, declare and decree it. **It is important in these days to say the right things.** It is important to focus on these words and on My Written Word.

Something significant is about to take place that will rock people's faith. The darkness will appear to take over, and hope will appear to be lost. Then My hand will step in, and it will wipe out all who are against you.

Fauci is coming down.

"The Biden" is coming down.

Obama is coming down.

Hillary is coming down.

Nancy is coming down.

Chuck is coming down.

Mitch is coming down.

Adam is coming down.
All the governments that hold you are coming down.
Facebook is coming down.
Wall Street is coming down.
China is coming down.
Any country against My eagle is coming down.

The world elites are coming down, and so is their One World Government and all of their plans. It's coming down greater than the walls of Jericho, bigger than the Red Sea. Yes, much bigger, and you will see.

The perfect storm is upon your enemies now, and it's growing in strength. The strength of the storm is like no other storm. No, this storm will wipe them all out at once. They stood against Me, they shouted, they mocked Me, they defied Me, and they laughed at the sound of My name. And soon, they will have great regret because they will realize they are on the wrong side.

My army is marching toward the enemies' camps now to remove them all. **Great removals are coming in a way that will shock the world.** Nothing they have done against you will prosper. But Lord, you have spoken these words, and look where we are: under their rule and their authority. My children, I'm asking you this again- do you really believe that? **I am saying these things again and again until you believe what you see is not bigger than Me,** and the world is about to see how big I really am, saith the Lord your Redeemer.

The WHO is in for a rude awakening. A great whistleblower is coming to knock them all off their feet and prove they all lied for world control and financial gain. This was a tool for the great reset they believed they actually had and that no one could stop them, but they didn't see Me coming. They won't see Me until it's too late. The WHO is fake and another arm of the New World Order, and soon to be completely eradicated. **They were never meant to be.** They are not needed, and the world will see that. Every one of them will be removed, saith the Lord of Hosts.

Harper: this name will be in the news for a surprising reason.

Keep your eyes on the Supreme Court. I have said this before, something you don't see yet is happening to cleanse this court of those who do not belong there. A great shaking will take place in the highest court in the land of My eagle. I am the judge overall, including them. Some of them and their power are being revoked and denied, and a new chief will reside. So watch this shake-up because it's about to be seen.

My children, the Great Exodus has started and will soon be finalized. It started in the unseen, and soon it will be seen by all. Remember, I am greater, and I have promised you freedom and complete deliverance, and that is more of what will fully take place. Your enemies are failing, and you will have and experience great celebrations, saith the Lord your Redeemer.

RESTORING MY AMERICA

Date Word Received: December 13, 2021

America the Beautiful. You'll be beautiful once again as I am moving across your land, cleansing your soil, cleansing your government, cleansing your state officials, cleansing your military, cleansing your FBI, CIA, NSA, FDA, UN, cleansing big Pharma, cleansing education, cleansing your churches,

cleansing your production companies, cleansing the news stations, cleansing businesses and cleansing your economy.

Wall Street, watch out. I am moving My hand against you, and I am wiping out your heinous acts and your manipulation of the markets and the economy. The puppet masters controlled you in order to control the money, where it went and who got the majority of it so that they could get richer as the world suffered. I am destroying your system, your economy and bringing in a new one that will give more to the world and not hoard it for just a few. I am destroying the BULL in front of your street. Yes, tearing any and all monuments, old and new, that were put up in this country to mock Me. My children, watch as the circuit boards and the computers crash. The manipulation of your money is about to take a great fall. Concerning the foreign nations that controlled your markets, I am destroying their powers even as I speak.

United Nations, I am coming for you, and you will not survive. I am stripping you of any power you had on this earth and removing your power and influence from this Earth. You will not dirty My soil anymore with your heinous crimes against My nation and the other nations of this world. I will take back every penny sifted to give to you to destroy My nation. Concerning all the money you took and used for your own dirty deals, I will show the world your check registry, and all will know where and who that money went to. United Nations, you will no longer exist in My nation, saith the Lord.

America, I am bringing you back to My gold standard. It was taken from you so they could manipulate and pull you down in every way so as to destroy this nation with immense debt which they thought you could never recover from. Yes, the puppet masters used debt to bring this nation to its knees. Little did they know, I am draining their accounts and the world's economies. I am giving it to its rightful owners, My children. I am even wiping out all the debt in this nation. Yes, I am wiping it out like it never was there. Don't be moved by the numbers and how large the debt is, My children. That is nothing to Me. I have more money on this earth than you know. I will show My children where there is more gold to mine. I hid away silver and jewels until this hour in order to hand it over to My children. Yes, I hid it from the evil ones who would have used it against you. Call it in, My children. This is all for you.

To the Clinton Foundation, your Foundation will be no more. I am stripping you of any influence and any money you had. My children, you will see both Hillary and Bill pay for the crimes they committed against Me and against you. They have not gotten away with anything. I just waited until this hour to judge them. They will be put on center stage, and all their crimes will be revealed and announced to the world. And yes, what they stole from Haiti will also be exposed, how they used the emergency money meant for the earthquake victims, and how it was actually used for their selfish financial gain.

Their daughter, Chelsea, is also in hot water as she was also part of what her parents did against this nation. She knew about 2016 and her mom's attempt to steal that election. She knew about the 2020 election. Yes, Chelsea will also pay for committing these crimes and for helping her parents. She was also financially compensated for her acts in helping her parents. All the Clintons will fall right before your very eyes.

Newsom, fall to the ground now. You let My state go. You will soon be enveloped in a massive scandal that you can't hide from. You will be removed from the governor's position. You will be tried for treason against this nation and for your part in stealing elections including the two in your state recently. You will pay dearly for your decision and for not repenting when you had the chance.

My children, brace for the impact that is coming. Just brace yourselves for all the truth that is coming out. These are the days of Truth, and the Avalanche of Truth has begun. My children, you are getting back your nations but more blessed and better than they ever were. Receive, My children. Receive the gifts I am raining down in this hour, saith the Lord of Hosts.

JANUARY OF JUSTICE

Date Word Received: December 17, 2021

My children, in My Word it says 'though you walk through the valley of the shadow of death, I shall fear no evil'. It also states 'you are in this world, but you are not of it'. I am separating you NOW from the world for I have sent judgment for the crimes that have been committed against you, and this great separation has already begun, My children.

The world is growing darker, and for some, more chaotic it would appear. That's because your enemies are scattering, running in every direction to hide themselves. They know the Great I AM has had enough of their acts, and it is now My time to remove them all from their power, influence and money.

While some will pay a high price with their lives, I will move you under the shadow of the Almighty. My remnant, I am your High Tower and your Protector. I am avenging you for the crimes they have committed against you. I am freeing the captivity in this land and in all nations across this Earth. The enemies of My children used these nations and government officials to destroy you and enslave you with their fear, tactics and their man-made laws in order to steal any freedoms you once had. Well, I am the One who tears down one person and brings up another to take their place. Yes, I am the Most High, and they will soon find out they were nothing in My sight. Their power was nothing because the one that gave them their power was thrown out of Heaven by Me. He could not overthrow Me then, and he can not overthrow Me now, let alone take Me out of this Earth which I created. His arrogance will once again backfire, and the opposite of what he desired will happen. The destruction of all his plans shall come to pass instead of the destruction of My people, and it shall come with one final blow.

Instead of My people being destroyed, they arose, and a Great Awakening has started taking place foremost. They are rising up in My Authority and Power knowing who they are in Me. It is your enemies' worst nightmare - a child of God fully awake and knowing who they are in Christ. My children are indestructible in this world. My glory shall fall on you, and My glory shall shine brighter than the darkness that has tried to swallow you up. Glory and fire will expel any influence or power the devil once had over you. This is why you are walking into your promised land in 2022, a year of the New, with a new perspective of who you are in Christ and with the knowledge that this world has been given over to you.

Satan can no longer enslave My children nor continue to steal what is rightfully theirs, which is the wealth in this world. Yes, all of it. My body will be in control once again to usher in this Great Harvest of Souls before the Lord's Great Return for His body before the tribulation time comes. Justice is coming. Justice like you have never seen.

In January you will see Justice prevail. Watch, My children. My show is being unveiled for the world to see. I am your Protector, and nothing they tried was successful. Your enemies tried to keep Me out of your lives and from delivering this world in My appointed time, but I will bring your enemies the biggest blow they never thought could ever happen. You will see banks fall, Wall Street fall, this illegitimate government fall, their laws fall, their economy fall, all at the same time. I am bringing you the New. Do not fear, My children. You will all be protected in the midst of the world's economy collapsing through their power being destroyed over you.

I am your Father, and I am raining down gifts for you that you never thought were possible. I AM ABSOLUTELY GOOD, and I am pouring out My goodness across this Earth like never before. My children, it is your time to rule and reign and My Word to be given throughout all this world to bring

more people into My kingdom before the time of man expires. You will rule and reign, spread the gospel and then the end comes. So, enjoy what I have in store for you, My children.

The year of 2022 will be far greater than you could ever have asked Me for. You will march with a great celebration in this new year. So shout that the Deliverer is here to save and to restore all that has been stolen from you. I am dealing with those chains and prison cells they put you in. It is time for you to break free and to break forth with Me. Nothing will be able to hold you from Me. Sing praises unto Me, My children, and feel the chains come off. Lift up your hands for total freedom and restoration the world has never seen, saith the Lord of Hosts.

2022 YEAR OF VENGEANCE

Date Word Received: January 6, 2022

I, the Lord, this day tell My children this year of 2022 is a year for you. Everything that has been done to you through your adversaries, I will restore. Concerning your health, your peace, your families, your finances, your jobs and property, all restoration belongs with Me. I am restoring and reversing all damages.

So get ready, My children, for an eruption all over the news of Truth being exposed regarding Biden in the supposed government. The biggest steal of 2020 with fingerprints on this crime scene, and I mean all crime scenes of 2020 concerning the pandemic and your elections will emerge suddenly all over. Great confusion will strike the hearts of many of the betrayal.

Some just cannot believe even though the truth will be proven right in front of their eyes. Watch for chaos in the streets as things start to reverse. This great reversal which I have planned will bring shockwaves throughout this Earth. No one can imagine the way I'm about to move across this land. My children, this has to be done so the world knows who the great I AM really is. I am still the Most High God and sit on My throne, and nothing can overthrow Me or change My plans for this Earth.

Darkness will strike your enemies and consume them all for the hell they unleashed on this Earth and against My body, My children. I, the Lord, have said Enough is Enough, and these Words are blocking all that the enemies have planned against you. It is crushing and destroying the desires they had for taking over this Earth with their power and money. Can you hear it? Bombs, continual bombs, are hitting the enemy's camps now with the truth that is destroying their narratives and their lies.

I, the Lord, am fed up with them pursuing My children with fear and chaos which they have used to destroy you and to make you kneel into submission to their power. Do not bow and do not submit to their tyranny or the major distractions they are about to put on this earth to avert your attention away from their demise. Shortages, inflation, and the death toll rising will become great as the news becomes grimmer. Just know, My children, that this is "their news" NOT MINE! They are being destroyed, not you.

For I, the Lord, am moving to give back everything to you that was taken from you by them and their plans. In My Word, I used the Red Sea to save My children so they could walk through to their freedoms. Just watch what I do in these days to save you. It will be far greater than the Red Sea. Yes, far greater. Continue to watch the weather as unusual weather patterns hit this Earth. This is just to get your attention on Me. These signs I am giving you are to keep your faith and trust in Me that I am in control and not your enemies.

Major news will continue to come out of New York City. Truth will be revealed regarding those terrorist attacks on your soil on 9/11 and the one they planned to do which was much greater than those. Your borders were infiltrated, but I, the Lord, have dispersed My angels out all over this land to protect you from what they had planned against you. Continue to pray for Florida and for the rightful president. The plans to destroy him once and for all are being annihilated right now by Me, saith the Lord of Hosts.

You will hear more news regarding Mike Pence. You will soon see what My plans were and why things had to be this way. Pray for him and his family as the news breaks regarding the truth. The enemies will find out which side he was really on and how his actions didn't help them but ensured their destruction, and they will try to destroy this reversal. No death shall befall Mine for they are ones I have chosen, and the evil plans will never be successful. Pray without ceasing, My children, as you are called to pray for the ones I will put in power in this hour.

More military movement will be seen on your soil and in the air. They can't hide these movements. Your enemies want to hide the fact that the military is coming to invade their camps.

Biden, the world will find out who you are, how fake your power really was and how you never sat in a rightful seat of power. People are exposing your “fake set” which you were always using to avert the nation from the truth regarding the White House. It's not in use by you! What is actually hidden in that house, I will empty out. I will empty out all the closets and tunnels and show the world what is hidden inside before I destroy it and destroy the tunnels underneath.

Hollywood, you have made many movies of destruction concerning the White House but My plan is far greater, and the world will see this is not a movie. The monuments and the capital you made, I am levelling because they stood for disgusting vile and because of the filth that came out of those buildings. I'll not stand nor tolerate it any longer.

Wall Street, the same goes for you. I am the Great I AM, and I will destroy everything you stand for. This Babylonian system, I am tearing apart as I speak these Words and I am putting a new system in place for My children in the world. As the stock market implodes, My children, do not fear as this is not for you. I will destroy all the finances the world once had and hand it over to you like I did My children leaving Egypt. It will ALL be turned over to you. I am your Provider, and I will not leave this earth nor this system the way it is anymore to enslave My children.

So shout as great reversals are coming to this earth, great restorations and an overflow the world has never seen. I will show My children where there is more gold, silver and precious stones that I have kept hidden until now. This Earth belongs to Me and the fullness thereof, and I have given it to you, My children, to richly enjoy. So stand firm and stand with Me. All will be okay for the ones in the house of the Lord, saith the Lord your Redeemer!

A GREAT HARVEST OF DESTRUCTION YOUR ENEMIES SHALL REAP

Date Word Received: April 22, 2022

For I, the Lord, this day am telling My children to get ready for a victory shout, to shout so loud, the enemy's walls come all falling down to the ground like the walls of Jericho.

Soon you will literally see everything they designed, created, and made for your destruction, be destroyed before your eyes—every building, wall, monument, and business that were the enemies.

Every symbol and anything from this Babylonian system will not be left standing, including Wall Street. I told you before, My children, Wall Street is in for a very rude awakening, you would say. I will expose every dirty deal, dirty scheme, and plan they designed to enslave this world with their "financial system." They (your enemies) were planning a Wall Street crash worse than the depression, but what they didn't realize is, yes, there will be one. But instead of emptying your bank accounts and destroying your lives, it will happen to them instead.

A great harvest of destruction they will reap. I am tearing their system apart and leaving nothing left to control you with. They will have no finances when this crash happens. This is the time of a great wealth transfer. You said, Lord, you have said this before, but nothing is happening, and I asked you this, My children, have I not done this before no matter how impossible this seems? I will remind you in My Word that in the first Exodus, Pharaoh in Egypt wiped the Israelites of all their money through their ungodly system and also enslaved them. But when I said let My people go, I meant it in every way they held them hostage, including financially. I will not stand by and let them control the world with finances that don't belong to the world elites.

My children, you are to rule and reign in this earth. Be blessed to be a blessing with no limitations getting the gospel and truth regarding My son, Jesus, across this world to set the captives free.

This is a set time for the world to be completely set free from the slavery you have endured your whole lives, thinking this was normal when it wasn't. It was a set time in Egypt for My children to be set free, and this is another set time- the globalist have to let My children go. There is nothing that can stop this from taking place, saith the Lord of Hosts.

A sign of this: CNN will claim bankruptcy. I have told you many times that CNN will have nothing left. Judgment has already started to hit them and destroy the power that they used against you. More will leave that network. They see the writing on the wall- more transcripts, video evidence of them lying and deceiving this nation. A major whistleblower will come and expose CNN. This will be the final nail in the coffin of that network. But there will be more to follow. They are all being silenced by Me, saith the Lord in this hour of judgment and justice.

"All hail the queen." This phrase will be in your headlines. Look to see who is saying this, My children. So much truth is coming out of that land. Yes, the royals, the government, and all will be exposed, saith the Lord.

Mount Sinai will be in the news. Look to see what they are saying, My children, about what took place there. Just know that I am God, and nothing your enemies do will stand against Me, the One True God.

Clemshaw: this word will be in your news. Truth is being told everywhere, and nothing will stay hidden.

There will be more breaking headlines on another cargo ship being stuck. Truth will be uncovered about what is really on that ship. Listen for the company's name. That is no coincidence.

This is the end to the shortages they created, My children. I am a God of multiplication, and there are no limits with Me. I knew they would do this, and I made sure there would be more than enough. They are hiding it from the world. A whistleblower is about to come forward with the information exposing all who were involved, how they did it, and where all of the supplies are. It will be surprising to some where it all was and how they did it.

But an overflow and a flood are coming your way, My children, and your adversaries' camps are about to be plundered like they never had any of it, to begin with. It will happen so fast, they won't know what hit them. They are too arrogant to think their plans wouldn't work, but I, The Great I AM, am

against them, and judgment is hitting them head-on when they least expect it.

Georgetown will be in your headlines. My children, listen carefully to what is being reported there and know that I know all and see all. They can't hide anything from Me, saith the Lord of Hosts.

El Salvador will be in your news. Not only will a weather event be reported on, but there will be more that comes out of this country. Trafficking will be exposed and disposed of, each and every one of them who were involved. Many sting operations will take place all over this world to destroy this once-secret society, a secret world of evil. The stench has reached My nostrils. One so vile that My vengeance will be poured out, and no mercy they shall receive because no mercy they gave, saith the Lord of Hosts.

El Capitan will be in your headlines. My children, remember I Am the Great I AM, and I do tell you this before this happens so you know I am the One True God, and I am in control.

Howard Johnson: this name will be in multiple headlines. Listen to what is being said. There is more of this story; to come.

Barack Obama is about to come out on center stage once again. Listen carefully to what he is saying. Read between the lines. There is more to what is being said. He is signaling the world elites to make their next move. They think this is their final move to take over the world once and for all. But they don't know that with this next desperate move in an attempt to stay in power, it will be their end. They will all fall on their faces and fall to their own sword. These are the days of Haman, and they are finding out what they wanted to do to you is starting to happen to them.

Watch what they start to do, My children, in their desperate attempts to save themselves. More slips of the tongue, more of their inner circle being exposed, and more deaths will take place for them. Just watch, My children. All will play out in the world's eye for everyone to see that they lose and you win. I am The God of Abraham, Isaac, and Jacob, and I am still the deliverer.

These are your days of deliverance, My children. Hold on, for the darkness will be theirs, not yours. Their next power grabs will not stand, for I am moving quickly to save and set you free, children of Almighty God. Shout louder! Let the Lion of the tribe of Judah roar, destroying their plans and their walls. None will stand against Me, and none will stand against you.

Great celebrations! Great deliverance! Great restorations you never thought could or would take place! Prepare to celebrate like never before, saith the Lord your Redeemer.

THE DESTRUCTION OF THE UN AND THE EU

Date Word Received: Sept 5, 2022

[Watch video](#)

For I, the Lord, this day am telling My children that **you are free**. You are free to live, free to love, and free to serve Me. You are free from sickness, free from slavery, free from fear, free from worry, free from stress, free from pain, and free from affliction because **you are free and redeemed from the curse** that is upon this Earth **because Christ purchased your freedom**. He has destroyed the power of your enemy. He has stripped him of his power and authority over you. Don't go by your feelings or what things have appeared like because those things are subject to change.

Darkness has been destroyed over you, and your light is about to shine more in this world. My children, get ready for a flood of truth, a flood of My Glory, a flood of revival, and a flood of fresh fire.

It is all coming, so prepare your hearts to receive more from Me in this time, saith the Lord your Redeemer.

Firestorm: this word will be in your news for a surprising reason.

Pedophile: this word will be in your news. A hornet's nest of these people will be discovered and exposed. Many people in the spotlight have been hiding in plain sight about who they really are. Their dark secrets have been hidden, and many people were paid off or threatened to keep these secrets, but yet, another whistleblower and then another will come forward with proof of not only the darkness in Hollywood but also about how they have been connected to government officials and the elites. I told you before, My children, more proof is coming out about Epstein and that Island. There is much more to that story. Many people's names have been redacted from the public, but I will expose that supposed classified information to the world. Their sinister acts and how purely evil they are will be exposed, and judgment is about to hit them like the plagues in Egypt, saith the Lord of Hosts.

None of them have gotten away with their sins, and the stench has reached My nostrils. The blood of those victims has cried out to Me for justice, and vengeance is Mine. I say again, My vengeance is about to be seen around the world to destroy their secret societies, for all their child sacrifices, selling them like slaves and torturing them in ways not known to mankind. **Enough is enough.** My children, you are about to see My judgment hit your enemies hard in this time and in the season you are in, saith the Lord of Hosts.

Fascism: this word will be in your news, and I will expose each and every one of them who are pushing such an agenda in this Nation and around the world, saith the Lord.

Seal Island will be in your news.

Mountain Gate: this will be in your news.

Cyrus: this name will also be in your news.

Hillsong will be in your news again.

Billy Joel will be in your news.

Catskill: I say this name again will be in your news. Look to see what is reported that took place there. Things are not always as they appear to be.

"Dark Tower": this phrase will be in your news.

Dogmatic: this word will be in your news.

Hawthorne: this name will also be in your news.

Nancy Pelosi is about to have a major mishap. You will know it when you see it. This will signal her removal from the Speaker of the House position and the total dismantling of your Congress. Secrets have been kept from the American people, but secrets will no longer stay hidden or suppressed. The video evidence is about to come out that will cause each person there unlawfully to be removed.

Kwanzaa: this word will be in your news.

A well-known rail company is about to be in your news for a surprising reason.

United Arab Emirates: this location is going to be in your news.

A major whistleblower is about to come forward with the truth and proof regarding the UN, about how divisive and evil it really is. I, the Lord, never wanted such a thing to exist, but man willed and wanted it, and some believed it was truly a good thing. It was just another thing that the One World

Government put into place on the soil of the United States to destroy it. But these are the days of Haman I have been speaking of, and I will completely dismantle and destroy the UN before the world, saith the Lord of Hosts.

I will do the same thing with the EU. Exposures are coming to show the world what they were all about and how the deep state of the United States has helped them form and control that part of the world.

But those days are coming to an end, saith the Lord.

I am about to purge Wall Street, saith the Lord. Many dirty deals and criminal activities have been hidden on Wall Street. These exposures will prove all who were connected and have been playing the world economies like a fiddle to destroy the markets worldwide at their will. Yes, every last one of them will be named, and justice will be served, saith the Lord of Hosts.

Buckingham Palace, along with Windsor Castle, will be in your news for a surprising reason.

A submarine is about to be in your news, and who it belongs to is significant.

Antarctica is going to be in your news.

Subordination: this word will also be in your news.

Madison Cawthorn: vindication is coming to you. Every lie and everything you were falsely accused of, along with them stealing your election, will be exposed. Nothing has gotten past Me, My son. It's never too late, and nothing is impossible for Me. I have not forsaken you, no matter how things appear right now. The things you have experienced and everything you have been put through are suddenly going to change. Watch Me work, and watch how quickly I do it, saith the Lord of Hosts.

Many falsehoods have been perpetrated in this Nation. Many people have been sabotaged and blackmailed for crimes some didn't even commit. Many evils have gone unnoticed, but I am uncovering them all.

My Children, be prepared and get your hearts right before Me. Sudden changes are about to take place. The final showdown has begun, and the world is about to see the truth in ways many never thought could ever take place. My hand is moving quicker now, and every wall and plan cooked up by your enemies are about to fall in front of the world.

More blackouts will continue to be reported in your news. I told you before that this signals the fall of your enemies and that your time of celebration is at hand, saith the Lord your Redeemer.

WASHINGTON, D.C. IS ABOUT TO LOOK VERY DIFFERENT

For I, the Lord, this day am declaring **the end to your enemies' rule over My world**. My children and the world will see that **I do** exist. **I do** love. **I do** avenge. **I do** deliver. **I do** uphold My Word. **I do not** change. **I do not** alter My Words. **I do not** fail. **I do not** lie. **I do not** forsake My children, **and I would never let man's plans override Mine**. Nothing will stop My plans for My nations. My children's victories are guaranteed because **I am guaranteed, and I am your victory**, saith the Lord your Redeemer.

Great exposures are coming for the IRS, oh yes, and for the Federal Reserve and Wall Street. **They are**

all thieves and liars. They were never meant for My Nation. Man brought them into this Nation to enslave you into their submission. A great outcry is about to be heard across this land. All plans, lies, and the globalist agenda are about to be told to the world.

Something big is coming- bigger than what your enemies can control or stop. **It's coming: their exposures, their fall, their judgments, and their exits from positions that do not belong to them.**

My children, **a shaking no one could predict or stop is coming-** a shaking like no other shaking. So prepare your homes for this shaking, because your lock-in is coming to protect you from the judgment that is about to strike your enemies, their governments, their economies, and their capital. Oh yes, a great time is upon My people and My children because **it's the time of the Great Exodus**, saith the Lord of Hosts.

Hazel: this name will be in your news for a shocking reason.

My army is moving toward your capital, oh United States. Something is on the horizon they don't see coming to bring great destruction to their land and their plans.

A great injustice I have seen in the land of the eagle. Yes, a great injustice that I, the Lord of Justice, am coming to stop, annihilate, and completely destroy, along with their so-called administration, their so-called leaders, and their so-called control. **Washington, D.C. is about to look very different**, saith the Lord of Hosts.

A corrupt corporation is about to be exposed- a corporation that brought many lies and great slavery to this Nation. **A corporation is about to be brought down to its knees. It will not recover**, and the Constitution of the United States will be upheld, saith the Lord of Hosts.

Black Hawk: this name will be in your news for a significant reason.

Shelter: this word will be in your news for a surprising reason.

A queen will be in your news for a very surprising reason.

Archibald: this name will be in your news for a significant reason.

A specific military plane will be in your news. It doesn't belong to the one who thinks he is in control, and the truth about it will not be covered up any longer.

I will say again, "the Biden" **is not in control, nor are the ones behind him in control. "Their elections"** will not keep them in those positions. A Great Exodus of all those positions is about to happen because **My hand is removing them all**, saith the Lord of Hosts.

Something hidden in the Atlantic is about to be uncovered. And the world will know that what was supposed to happen to the United States was just stopped- an attack like no other was planned to stop My David from the stone he is about to throw. But **that stone is Me, and no one can stop what is about to happen**, saith the Lord.

Fauci is about to take a great fall. His resignation **will not save him from what is about to hit him**, saith the Lord.

A president is about to be removed, but not in the way you think, because it will be by Me, saith the Lord.

My children, this is My warning to you to wake up from your sleep because **the showdown is about to come**, and your decision is important concerning what side you are on when I am done moving My hand. Wake up, stand up, and receive what is yours, saith the Lord your Redeemer.

THE MIGHTY FALL OF THE GIANTS

Date Word Received: December 4, 2022

[Watch video](#)

For I, the Lord, this day am telling my children, I am The Great I AM and **I am avenging My children.** I am avenging the people of this world from these oppressors and from the hands of the wicked and evil rulers of today. They are no different than the enemies of the past who were against My children. **Their fate will be the same, which is defeat.** I have already declared victory for My children, and I have already said your enemies lose. Now is the time, My children, when you will **see it all play out in front of you- the mighty fall of the giants you see before you.** These giants never stood a chance against Me, saith the Lord.

Great and mighty is their defeat in front of the world. My children, do not fret at what they say or do, or **any injustice they "try" to cover up.** They can't cover up their plans, their lies, their corrupt organizations, their new stations, their businesses, their governments, their pharmaceutical companies, or their food industries. No, everything is about to be exposed like a super volcano about to erupt. This eruption of truth will affect the world. **Every cover-up will be covered up no more.** It's all coming to an end, an explosive place, a truth no one could have imagined would **come to an end this way.** Not like this.

Do not get discouraged because of the news media hiding and covering up "the Biden," Hunter, Hillary, Chuck, Nancy, Mitch, Mitt, Adam, and so many others. **They have not gotten away with anything.**

Another bombshell report is coming regarding this fake, false and illegitimate government. There is so much more coming- an avalanche of truth. **The perfect storm** that I have mentioned time and time again is upon your enemies, and **there is nothing to save them from the coming destruction to their narrative that held this Nation in bondage.**

"The Biden" is a liar.

Obama is a liar.

Their administration is a lie.

Their government is a lie.

Their House of Representatives is a lie.

Their Senate is a lie.

Their power is a lie.

Their elections are a lie.

Every lie will be revealed and every lie will be destroyed. Everyone has been caught. Everyone has made their decision on what side they are on, and **My army is in control** whether your enemies want to admit that or not. But it doesn't matter what they think, their defeat is guaranteed, and your victory, My children, is assured.

Get ready for the storm to hit this Nation. A storm that will shake you loose and set you free and return **all that has been stolen.** I will keep saying these words until it resonates with you. America will be great again. **This Nation will be a stronger Nation than before.** The rats, snakes, wolves, and every imposter and traitor will be dealt with because My cleansing is destroying their power, their influence, and their control. **So be prepared for the impact that is about to hit My Nation of the eagle.** It's coming, and it will be great, saith the Lord your Redeemer.

Applegate: this name will be in your news for a surprising reason.

Watergate: I say this name again will continue to be used to describe what is going on in this fake government. **The deception and cover-ups have only just begun to surface.** So get ready for the fireworks because they are about to be seen, saith the Lord. A massive pedophile ring is about to be exposed, and how deep it goes will surprise you.

A great exposure of **a money-laundering scheme is about to be headline news everywhere.** Wall Street, your government, the Democratic party, the Deep State Republicans, and all who paid to play will not stay hidden anymore. They used your tax dollars to steal, to kill, for their financial gain, and backroom deals. Wall Street is about to be exposed, and it will rattle this fake administration. Follow the money, and you will find all the traitors and infiltrators in your Nation. **It's darker, deeper, and more evil and sinister than you thought.** The swamp is about to be emptied by My hand, saith the Lord of Hosts.

Herschel Walker, I say again, has the victory. My children, you stand and pray and declare his victory. **Eyes are watching this runoff, and your enemies will not get what they desire out of it.**

Georgia: something big is brewing in your state that will draw out the snakes that have held you, imprisoned you, and kept you enslaved. **Enough is enough.** I will expose all the devils that went down to Georgia, and I am cleansing this state, and **who controls it will change.** My hand will remove them all, saith the Lord.

Brian Kemp, I have said this name before. Great exposures are coming for you. **You will not stay the governor of Georgia.** No matter what the midterms, or the election you supposedly won, say. **You are a thief and a liar,** and you will be exposed as a traitor to this Nation. You will fall, Brian, for the heinous crimes you committed in your state and against this Nation. You will not have your way. **I am ripping you out of the seat of the governor.** Your power is nothing. You will regret not doing the right thing. I gave you chance after chance, and you still refused to listen. **So great is your judgment, and treason will be your end,** saith the Lord of Hosts.

My children, **what is about to happen in the land of the eagle will get the world's attention.** They will stand up, and they will shout, and great are the victories that are coming around the world. Shouting: the One World Order is defeated. Great is the God of Abraham, Isaac, and Jacob. **The God who saved Israel from Egypt has saved us from the world leaders.** Yes, My children, saith the Lord your Redeemer.

For I, the Lord, this day am telling My children- don't stop using your authority, don't stop believing, don't stop fighting, don't stop reading My Word, don't stop standing, don't stop praying, and don't stop taking back territory.

Again I will remind you that I have warned you that this time would look darker. It **would appear** like your enemies are getting away with everything they are doing, and it would look like evil is taking

over, but **things are not that way, and things will not stay the way they look.** The course of this Nation and the nations around the world are changing. Shifts are taking place, **so do not grow weary in well-doing. Your enemies are the ones who are defeated, not you.**

My children, in this time, your enemies want to pile on as much as they can to discourage you. They are trying to bring great fear, frustration, stress, and pressure, but I have armed you with a weapon that **no weapon of your enemies can withstand- the Name of Jesus** and My Blood that has been shed to destroy the power of the enemy. Things look dark, bleak, impossible, frustrating, overwhelming, and discouraging, but remember what My Word says: I have overcome the world. I have conquered the world and its power and hold over you and deprived it of its ability to harm you. I am on the inside of you, so pick yourselves up today and **remember the cross, remember that sacrifice, and remember My resurrection.** I have brought all your enemies' power to nothing, so stand with Me today, stand on My Words, and receive your freedoms from the hold and the captivity the world has held you in, saith the Lord your Redeemer.

THE DOJ AND ITS NARRATIVE ARE ABOUT TO COLLAPSE

Date Word Received: February 15, 2023

[Watch video](#)

For I, the Lord, this day am warning you, My children, a war will break out, it will **look like**. Do not be deceived. Do not give in to their fear. Do not give in to their news reports. Do not give in to their lies. Do not give in to what things look like. Do not give in to their tactics. **They are liars**, and their war will **not be successful**. This war will fall, and their narrative will be destroyed.

Call in peace, My children. You saw how I spoke to the storm and said, "peace be still," and it did. I am telling you to call in **peace** in this earth, **peace** in your nations, **peace** in your families, **peace** in your minds, and **peace** in your bodies.

My children, you have My Authority that I have given to you in My Name. Use it in the right way- to speak life, blessing, freedom, deliverance, miracles, and revival. My children, **revival is here**, so tap into what I have for you in this time. It's not time for your enemies to control you; it's not time for their world order; it's not time for World War III; it's not time for their reset or anything they want. No, it's not.

So, stand up and shout, no more! Shout them down and render their power helpless against your nations and your freedoms. My children, I have created you to **dominate**. I have created you to **speak, declare, and create with your words**. I am the Creator, and I created you **to bless and to be blessed**.

Your enemies cannot have this Earth that I created for you. So take back ownership and authority. Take the restoration that is coming in these days because it is yours now. **Take this victory**; it is yours now. This is your time, children of Almighty God. So don't back off and don't give in to their lies because this is the time for great reveals, great exposure, and great truth to prevail. So get up, My children, and take what I have already given and provided for you, saith the Lord your Redeemer.

I am speaking to **My children whom I have called into governmental positions**:

Do not back off.

Do not give in to the resistance.

Do not give in to their delays.

Do not give in to their pressure and threats because it's all about to blow up in their faces, you would say.

Declare truth.

Declare boldness.

Declare revival in your governmental offices.

Ask Me to be there, and I will show up for you. Do not (try to) do these things in your own ability. I

am destroying the ones who are against this Nation. So trust Me to move them completely out of the way. Stand up, My children. Stand and **no longer do things like a politician but as a child of God in a political position.**

A great shaking is coming to the House of Representatives and the Senate. Truth will not be denied because I will not be denied. A cleansing has begun, and a cleansing will be seen, saith the Lord of Hosts.

Hawley: this name will be in your news for a significant reason.

More explosive evidence and bombshell reports regarding the election interference are about to come out, big time. This will destroy any effort to keep it under the radar or for it to keep this country under its lies and control. **Chains are breaking in this Nation,** saith the Lord of Hosts.

Stonewall: this phrase will be used in your news for a significant reason.

Hellfire: I say this phrase again will be in your news for a significant reason.

The DOJ is about to collapse. Evidence is coming that will expose their lies, their control, and their bias. They have hidden evidence that will take down the "current administration." Oh yes, **judgment is coming to the DOJ.** They will be linked to many people and groups like the FBI and the CIA. Their hands are dirty, and they have connections to Google, Twitter, YouTube, TikTok, and many corporations and news agencies. **Their house of cards is coming down.**

A whistleblower is coming who will take down Merrick Garland and his lies and connections to the globalists and provide proof of them hiding evidence regarding "the Biden" and all his sinister crimes against the children and this Nation. Nothing will stop **the collapse of every entity used to steal this Nation** out of the hands of the people, saith the Lord of Hosts.

Their deep state **is losing** all its power.

Their financial system **will be torn apart.**

The IRS **will be dissolved.**

The Federal Reserve **will be brought to nothing.**

Wall Street **will crumble and collapse.** I told you, My children, **the day of reckoning is here.**

I will avenge My children, and justice will always prevail.

A great shaking is going to destroy DC and their agendas. **Get prepared for the great silence that is coming to bring your freedom.**

Don't faint now. Don't give up. All you see is about to be destroyed and disappear before your eyes, saith the Lord your Redeemer.
