

# PEDOPHILE RINGS BEING BROUGHT TO JUSTICE

Prophecies and excerpts from Julie Green Ministries

<https://www.jgminternational.org/>

Bill Gates, your gates have come down. You have nowhere to go. My angels are against you for the betrayal of this nation, for the death you have caused, for your part in the pedophilia rings, sex trafficking, covid and the global reset. I will expose it all. Your sentencing will be treason. Death shall come to you but not before you lose everything you hold dear which is your money and power that you sold yourself for. Everything will be taken from you. The angel of death will visit you where you sleep. (Dec. 3, 2021)

A huge report will expose a pedophilia ring. Yes, it will uncover who was in charge in a specific part of the world. Then there will be many more exposed after this. Every dirty and dark secret is coming to light and will be destroyed in this time of great change. (March 11, 2022)

Another ring is about to be exposed- a pedophilia ring. All the big names are about to be released, and Epstein's secret island will be a secret no more. Every crime committed, along with every individual who visited there, will be exposed. **The list is coming, and it will not be redacted.** Impeachment, removal, and indictments are about to grow with intensity. **Arrests will continue to happen, but now they will be done in public instead of in secret.** (Sept. 16, 2022)

## JUSTICE IN THE FALL

Date Word Received: December 3, 2021

Just as Fall, justice fall on the enemies of Almighty God. Judges, take your places of morality and justice or be removed. I am moving through the justice system of this land in this hour. Rulings and sentencing will be brought down and finalized for your enemies of this land. More Justices on the Supreme Court will be removed by Me, by My hand for their heinous crimes against you. The ones who were appointed by Obama will also be removed by Me. Concerning anyone in a seat of a judge that will not rule for justice, liberty, morality and the Constitution, I will do a clean sweep of those judges and lawyers in this nation. Yes, I am cleaning the house of your entire judicial system. I will not watch criminals go free and the innocent be locked up. This government has used and abused their powers in the judicial system along with the FBI, the CIA, and the NSA. They were used by another arm of power to destroy the masses, and I am dismantling that system. It has become a cesspool of dirty deals against the people in this nation, to rob, to kill and to spy upon others for their own gains. I speak destruction over this current system, and it is coming down in this hour.

Again, to all that are against you, to every person who has come here illegally to help in the coup and the destruction of your nation, line up and be prepared for your judgment. Judgment because of the money you took, money that had been given to you to destroy this nation from within. I will rip any freedom that you thought you had, any power, and any plans you had against My nation or My

children. I am moving against you. My angel armies are standing against you. You will not strike this nation in that planned attack.

You had been given those orders, but I WILL MYSELF STOP YOU! You will not succeed in your plans and the destruction of this Nation. The party of the blue had been given to you. Not only will all of you be taken out but so will the ones who paid you to steal and destroy this nation. Yes, to the party of the blue, I am coming for you and to the ones who pretended to be red but were not - just so the blue could control both sides for political gain financially and with power to destroy this government and any and all systems put in place by Me. And all of you know who you are. I have your names. I know where you live and where you hide. And now My spotlight will shine on you and expose everything hidden in the dark. When I get done with My mighty works, no evil will be left standing in your government. NO!!

The ones who I have appointed and anointed will be put into their places for such a time as this!

Bill Gates, your gates have come down. You have nowhere to go. My angels are against you for the betrayal of this nation, for the death you have caused, for your part in the pedophilia rings, sex trafficking, covid and the global reset. I will expose it all. Your sentencing will be treason. Death shall come to you but not before you lose everything you hold dear which is your money and power that you sold yourself for. Everything will be taken from you. The angel of death will visit you where you sleep.

The angel of death is again coming. You will hear of mass deaths in this hour concerning the enemies of Almighty God! But, My children, do not fear when you hear of so many deaths. I am protecting you just like My children in Goshen. I separated them. Plead the blood of Jesus and put the hedge of protection over everything that you own. This angel cannot touch you.

To My children who have taken the shot and are concerned about the side effects and what you are hearing that is happening to so many, be still and know that I am Almighty God. I am wiping away any evidence of anything that shot was designed for, and it shall not harm you.

I am moving across this Earth to heal and restore all that has been done to you through your enemies' plans to destroy you in any way they could. I am doing a cleansing across this Earth and across the masses. I will move, heal, restore and make whole once again. Miracles are breaking out all over this world as a sign that I am moving, and I am still the same yesterday, today and forever.

Disney, you are being exposed in this hour because of all that you have done with the children, for how you have been used by the elites, for the lust of the flesh and for your propaganda in your shows and your movies to control and deceive the masses. I will dismantle you and destroy your plans against My children all over this Earth. You will not have any power left after I get done with you, saith the Lord of hosts.

My children, arrests have already started even though the news media is hiding what has been going on. Hold on as My show has already begun, and this show is about to get very interesting. It's coming to a climactic part where everything changes. The storyline and the plot that was in this earth is wiped out by Me. Acts I am about to do will shock the whole world for this is the hour of The Exodus, of wealth transfer and of the new: a new life, a new beginning, a new economy, a new everything. You are about to see your promised lands where there is no lack of any kind. Watch My hand move, My children, to save and deliver you. Shout! It's the time of the new, saith the Lord.

# **DAYS OF JUDGMENT: DESTROYING THE WORKS OF DARKNESS**

Date Word Received: March 11, 2022

For I, the Lord, this day, am encouraging My children with these words for this time where there is much uncertainty, fear, and confusion. Know this, My written Word is truth, and it will set you free from anything that is in the world trying to hold you captive. I will not let these things you see now stand. When My hand is moving against them, more people will walk away from Me, but at the same time, more will come running to Me, saith the Lord of Hosts. This is the time of the great separation. I have spoken about the separation of My children from the world and its demonic system and of My Remnant from the rest of the body of Christ. My children, this has been your time to prepare, build you up stronger, and raise you higher than any adversity you will face. Don't be moved from the right to the left or be dismayed. Focus on Me and My Word, and I will give you peace and rest, saith the Lord your Redeemer.

The news will announce mass shortages, market crashes, possible shutdowns, and lockdowns. Do not listen to any of these words. They are just words that won't go anywhere. They will try certain things, but they will not work. My hand is moving, protecting, and delivering you.

They want to cause mass chaos on a scale never before seen. This will not happen. Neither genocide nor depopulation will happen. National shutdowns will not occur again, nor more lockdowns. No, because I always have the final say. They have gone as far as I will let them go, so their end is now at hand. So do not fear or be moved in this time of great shaking. I am here to deliver you.

Watch Yellowstone! I have spoken about this before. Things have been going on that were hidden from the public, but they can't hide anymore; obvious signs, smoke, and small eruption, nothing major. This earthquake will be reported. They have tried so hard to suppress so much news from the public, but the floodgates are now open for the whole world to see and hear.

Again, I am mentioning the Statue of Liberty. One day you shall see it standing, but the next day there will be a collapse and then only rubble on the ground.

The same goes for the Washington Monument and many other monuments and symbols across this nation.

The bull on Wall Street will be in the news, so watch as this is a sign. The Babylonian system will crumble to the ground and will not control the world again.

Lightning will strike a major symbol in this nation, signifying their destruction and demise.

Watch the White House. It too will have a lightning strike signifying I am striking them all down, and Judgment is here to end everything standing in your way.

Insider trading, manipulating markets: a whistleblower will expose all they have done for so many years against you and the world, how some of your government officials were a part of this manipulation, how they used the markets to control bills they passed, for price gouging, inflation, tax hikes, etc. Many ask, "Lord, how does this all tie together." "Lord, I don't understand?" Soon, My children, you will see all they have done and every piece of their intricate plans against you.

I am telling you this again, My children, watch Taiwan. It will continue to be in the news.

Indonesia will be in the news again for multiple reasons: a significant weather event and major flooding. So watch for this, My children.

General Petraeus will be in the news. Watch for this, My children. Information will show which side he truly is on.

A female news anchor will be entangled in a scandal. Also, watch as you hear and see more fall for the lies they told and the truth they purposely never reported. Why? To save their jobs and receive more cash.

The news industry is about to take major hits one after another. These hits will show the world who had no integrity left. But there are a select few who did tell as much truth as they could. They will be rewarded by Me for not bowing to the globalist agenda.

A news anchor will suddenly die. They will say it was a heart attack. Don't believe everything you hear. They are hiding the real reason, but that reason will be revealed.

Mount Everest will be in the news. Big time! Watch the tallest mountain and the information that comes from there. No matter how big or small, My children, nothing is impossible for Me. An avalanche will be seen and heard. This is the sign to watch concerning this mountain.

Concerning the Hollywood elite: a high-profile and very well-known actor for generations will suddenly pass away.

Bob Saget's death will be exposed, the circumstances surrounding his death, and why there was blunt force trauma. Yes, this was no accident. Child trafficking will be linked and shock the world regarding this beloved father on TV.

"Haha! Inflation?" they will scream and shout. And Janet Yellen, herself, will be exposed for all they paid her to say these things causing prices to soar, inflation, shortages, and markets. Everything done was to cause fear and panic so their final take over could succeed. Remember, My children, who is in charge. It is not them!

A huge report will expose a pedophilia ring. Yes, it will uncover who was in charge in a specific part of the world. Then there will be many more exposed after this.

Every dirty and dark secret is coming to light and will be destroyed in this time of great change. My children, know who always wins and know you are on My side. A thousand may fall at one side and ten thousand at another, but it won't come near you. Study Psalm 91, 34, and 93. Get them down in your hearts. Stand on My Word, and It will destroy anything in your way. My Word pierces your enemies. It is a two-edged sword. Shout out My Words. This will cause the most damage to any plans against you. See yourselves as the giants you are and know he, your enemy, is nothing in your sight. Not the other way around. He has had so many people believing this, and he has deceived them out of what was already theirs. These are My days to destroy the works of the darkness against My children. See yourselves as I see you; through the eyes of Christ; through the eyes of victory.

Stand and receive these words today. This is your year and your great Exodus, saith the Lord of Hosts.

# THE RELEASE OF MY EAGLE HAS BEGUN

Date Word Received: Sept 16, 2022

[Watch video](#)

For I, the Lord, this day I am telling My children to declare victory. Shout it out as loud as you can each and every day:

**I have the victory in Jesus' Name against any form of attack, and I have the favor of God which goes before Me and opens up doors that no man can shut. I will not quit. I will not be defeated. The battle is the Lord's, and He has conquered the enemies before me. These are my days to thrive, not just survive. These are my days to live in perfect health and supernatural youth. Yes, these are the days of the supernatural, and I believe I received the Glory of God without measure.** Say and declare this every day, My children. **These are your marching orders** to declare each day, saith the Lord your Redeemer.

Amherst: Again, I say this name will be in your news, and soon you will see why it was important for Me to mention this name, saith the Lord.

Inadequate: this word will be in your news to describe many people in your fraudulent government, oh United States. They are all about to be removed by Me, saith the Lord of Hosts.

Anheuser-Busch: this name and company will be in your news. Explosive exposures are coming from the many major corporations that have hidden many things in plain sight, oh United States. Many dark secrets and dirty deals are going to come out because a whistleblower is coming forward with the truth that will cause this company to fall, saith the Lord of Hosts.

Sinclair: this name will also be in your news. Secrets will continue to be revealed.

Nova Scotia will be in your news.

I have warned you, oh United States. The big one is coming. Yes, an earthquake will rock this Nation. There will also be an eruption of a volcano at the same time. Do not fear this. This is signaling a great change has begun. A government is about to take a fall, but no one could have seen it take place this way because My ways are greater than man's ways, saith the Lord.

Desperation is growing in this fraudulent government. You will see it, and it will become more obvious in these days. You will see it on live TV. You will see it on the news. You will see it in interviews. You will see it in so many on the side of the left because their days of power are coming to an end, and their expiration date is drawing near.

So watch as they shake. Watch as they tremble. Watch as they continue to make big mistakes that will not be able to be covered up.

It's time for the curtains to be pulled back on the puppet show. It is **time for the release of My eagle**, saith the Lord of Hosts.

Anguish: this word will be in your news for a surprising reason.

Jimmy Carter: I say again he is about to pass away, and many more will follow.

The days of darkness over D.C. will be visible to this Nation proving this capital is not yours. **It is theirs.** The Luciferians put it on that spot on purpose. That land was given to Lucifer by his followers.

Many sacrifices have taken place over many years- Baal worship. Yes, many satanic rituals have continuously been done on those grounds. You will know without a shadow of a doubt, you would say, that Washington D.C. was never to be your capital. Judgments are about to rain on that place, just like in the days of the original Exodus against Pharaoh. Yes, these pharaohs will experience the same realization that I am the One True God, and I am in control. They lose, and I win every time, saith the Lord of Hosts.

Endorsements: this word will be in your news for a surprising reason.

Another ring is about to be exposed- a pedophilia ring. All the big names are about to be released, and Epstein's secret island will be a secret no more. Every crime committed, along with every individual who visited there, will be exposed. **The list is coming, and it will not be redacted.** Impeachment, removal, and indictments are about to grow with intensity. **Arrests will continue to happen, but now they will be done in public instead of in secret.**

"Crush the snake": this phrase will be in your news.

A real snake will be revealed as someone portraying to be on the right was really on the left. A treasonous snake people will scream and shout, and he will be forced out of power, saith the Lord of Hosts.

Something big is about to happen in D.C. that will start an avalanche of catastrophes for this fraudulent government.

Watch the skies in this area because more signs will be seen, and you will know of their coming destruction.

Adverse side effects: it'll be in your news. These exposures will continue to pour out about what they really had in those vaccines that were meant to destroy the population. But to My children who took it, I will reverse it. So do not fear. I am your healer, saith the Lord.

The storm is not coming. It is here. **Brace for the impact of a spiritual storm that will destroy your enemies' power. The storm is great, and its power will not be denied.**

Watch them all fall. This is a season for a great fall.

Biden will fall again, which will signal his final fall and removal from his supposed power. He is fake, but he is more of a fake than you realized. You said, "Lord, how is that possible?" You will soon see, My children, what I mean by this.

The great fall in the fall is here. It wasn't for the past. It is for now.

Oh, America the Beautiful, you have been betrayed, stolen, and infiltrated. But I am the One who anointed your land, and no matter what has taken place in this land, I have honored the prayers of millions. I will cleanse this Nation, and once again, you will be beautiful, as beautiful as you can be. So, My children, be prepared for this shaking because a great shaking is coming, and it will be your release from their power.

So stand your ground and guard your mouths. Say My Words and none else, for I, the Lord of hosts, am here to avenge, and it will set you completely free. Believe Me and not your enemy. Their time of removal is here, and **your time of great celebrations is about to begin**, saith the lord Redeemer.
