

# **REVIVAL IS COMING**

Prophecies and excerpts from Julie Green Ministries

<https://www.jgminternational.org/>

I, the Lord, this day, have been telling My children this is the year of Reckoning. Yes, it is! And it is full of moments like the Red Sea, The Exodus, great Restorations, great Revival, great Miracles, great Signs and great Wonders this world has not experienced to this degree before. (March 1, 2022)

For I, the Lord, this day am telling My children to get prepared for not only shakings across the nations but to get ready for revival. The revival that is coming is like nothing that has ever been seen or experienced before- dark days for the wicked but bright days for My children. A brightness and light so bright, My Glory will be seen on My children, distinguishing them from the world. This light will draw the people of the world to My children so they will come into My Kingdom. This Glory is coming. (Sept 18, 2022)

Revival is here. An awakening is here. My reset is here. (Nov. 1, 2022)

My Children, get prepared. Not only will you see My Glory, revival, and things that I have never done for mankind before, but you will also see great death, and that is what you need to be prepared for. There is a wave of unprecedented death coming. I need My Church to be prepared! I need you to build up your faith, so when people come, and they will come running because the world will look so dark, evil, and upside down, you are able (prepared). (January 18, 2023)

## **THE NATIONS ARE BEING SHAKEN NOW FOR ALL TO BE RESTORED**

Date Word Received: March 1, 2022

I, the Lord, this day, have been telling My children this is the year of Reckoning. Yes, it is! And it is full of moments like the Red Sea, The Exodus, great Restorations, great Revival, great Miracles, great Signs and great Wonders this world has not experienced to this degree before. My hand is moving against your enemies, and you will see them destroyed along with all of their plans. This year will be one of great Triumphs and Victory for the house of the Lord, with a great Harvest of souls coming from all of these major events and turnarounds.

This year, My children will see a major transfer of wealth like you saw in the book of Exodus. "Why, Lord, do you mention wealth?". My children, that wealth never belonged to the sinner. No, I have stated in My Word in the Book of Haggai, Chapter 2, "the silver is Mine, and the Gold is Mine." I will shake all the nations of this Earth. The desires of all nations shall come in. Yes, this shaking will not only knock them out of their places of power and destroy their plans, but it will blast all the wealth out of their hands and give it to My children, saith the Lord. Yes, the wealth of the sinner is laid up for the just. It is time for a great shaking across this Earth, bringing: freedom for the nations, freedom in your souls, freedom in your bodies, and freedom financially. Yes, total freedom is My desire for you, children of Almighty God.

So many things will erupt at one time. Volcanoes, yes, but the truth, exposures, removals, and turnarounds because this year is for you. What has been stolen will be given back. I am the God of more than enough. So, My children, receive your heart's desires. Receive the gifts that I will rain down upon you: freedom, healing, total deliverance, and financial prosperity for those who will believe and receive. My children shout,

"Freedom is mine today!".

The enemy will say, "Lock them down." They will scream and shout, "Stop them from fighting back. Pull the plug now on anyone resisting us." That is what they are saying about you, My children. "Attack them now." They are at their wit's end. They have put their heads together planning the ultimate attack against your freedoms once and for all. But I have said many times before, "Little do they know who they are up against." My plans always prevail. The victory is for My children. Nothing will stop that. Enemies of Almighty God, no matter what you shout, no matter what you scream, and no matter your plans, you will always lose. You will always fail. My children, do not fear when you hear these words. They will come to nothing. Your enemies will come up empty-handed. Their plans will not prosper.

Hillary Clinton, you will fall to the ground. The one who protected you and helped to prop you up has disappeared. Yes, My hand is moving. You will not get away with what you have done. You are finished against My Nation, the United States of America. You are being judged, and there is no hiding from nor escaping this.

This, Hillary, you cannot stop. You cannot threaten your way out of this. Your judgment has come. Treason will be written on you for all eternity.

Ukraine, I am protecting you. To My children, the truth of what was going on in your Nation is about to be revealed everywhere. Russia was forced. Ukraine, you were infiltrated, but My hand will shield and protect you. I had told you before this is not directed at you, Ukraine. No, your enemies paid for this war to protect what they had designed in your country to decimate this world. The news media is painting a whole different picture.

The truth will explode out of the United States; reveal to the world that Obama is in control of this fraudulent government and show what they've done in your Nation to protect 'the Biden' as well. But all will be exposed with no way to stop it.

My children, lies are being told to you right now, but I am revealing the truth in all things throughout the world to free you. Freedom is My desire for all of you.

A great shaking will hit Italy. Yes, the truth is coming, a truth no one knew was hidden. An earthquake will be a signal of truth so watch for this, My children.

The nations are being shaken now. Stock markets will suddenly crash. People will scream & shout, "Depression. This is horrifying." They will call it an unimaginable loss. Do not listen as they scream about a world crash and shortages. They are lying and manipulating the markets while holding back and stockpiling what belongs to you.

A cargo ship will reveal this, My children. They are forcing their hands against the world because the other things they have tried didn't work in a way they thought was possible. So now markets will be targeted, but know, My children, I am in control, and it will not stand. I told you before these are the days of Haman. What they wanted for you will actually happen to them. So stay in My Word, My children. Do not fear the markets, the weather, the earthquakes, or the eruptions of various volcanoes. I am moving My hand now. I am striking down, destroying all their plans along with all your enemies.

Washington D.C. is about to erupt with truth pouring out. Your enemies will not recover this time.

Again, My children, listen carefully to what is about to come out of the lips of 'the Biden'. The truth will slip through his tongue. He never meant to tell the truth, but it will give them all away. My children, listen. They can't hold back the truth from coming out anymore. This is the hour in this year for the truth to prevail and bring you ultimate freedom.

So rejoice, children of Almighty God. I am the Most High God, and My Will is being done on Earth. Your victories are here. This year will be great. It is a year for you, your great Exodus, and a great year of freedom and restoration, saith the Lord of Hosts.

# **AN ARMY IS MARCHING TOWARD YOUR CAPITAL TO TAKE BACK THIS NATION**

For I, the Lord, this day am telling My children to get prepared for not only shakings across the nations but to get ready for revival. The revival that is coming is like nothing that has ever been seen or experienced before-dark days for the wicked but bright days for My children. A brightness and light so bright, My Glory will be seen on My children, distinguishing them from the world. This light will draw the people of the world to My children so they will come into My Kingdom. This Glory is coming. Do you believe it? It's on the horizon. It's not many years off. You are right on the precipice of it all changing.

**My church, get ready now.** Don't wait another day. **There is an urgency in these words to be ready for what is coming. Do not fear this change, and do not fear the upcoming events that are about to take place on this Earth.**

Catastrophic damage to the enemies' camps: they will not recover from it, nor will they be able to stand up against My power which will come out of My children. My children, you are reaching new levels of authority. Anything that has held you captive- sickness, disease, pain, affliction, fear, anxiety, depression, unworthiness, insecurities, or abuse of any kind- no matter what the devil planned for you or the weapons he used, I am destroying it all with My Glory. Accept My Glory. Receive My love. Receive My forgiveness. Receive My anointing, which destroys every yoke. The time has come, My children, to live as My children, not the world. No more low expectations, or none at all, to receive a Word or to receive My Glory. The world needs My church. So, My church, arise now. Rise higher than before and do not settle for less. There is no more time for that. **Get ready for the floodgates to burst open on My church,** saith the Lord your Redeemer.

Amethyst: this word will be in your news.

Ancient ruins: this word will be in your news for an unusual reason.

Body camera videos are about to surface that will destroy their narrative not only for the election but also for January 6th. It's all coming to an explosive place. Moves are being made. Oh yes, **an army is marching toward your Capital to take back this Nation.** They have all been caught red-handed, even the big fish they have been waiting for. Every step needed to gather evidence on every person involved in the destruction of this Nation has been completed. They have it all. All the right people I have put here will expose all the infiltrators. They are moving in to make more arrests and handing out indictments to serve justice to those who unlawfully took over this Nation.

Watch, oh United States, how I, the Lord, am delivering you from the hands of the wicked- from "the Biden" and Obama at the helm. The truth and all the proof are coming. It's coming quickly now. **My David is on his way back to the spotlight,** saith the Lord of Hosts.

Another Clinton secret and scandals are about to be exposed, and it will explode on the airwaves. A whistleblower is coming, and this will not be held back, suppressed, or ignored. I told you, My children, the nowadays Ahab and Jezebel will go down just like the ones in My Word. Justice is being served, and you will see them receive it on center stage. You will see Bill Clinton die because the Angel of Death will soon pass by, saith the Lord.

William Wesley: this name will be in your news.

My children, a new Independence Day will be celebrated. Not only in this Nation, because the nations around the world will also celebrate the fall of the One World Government. They will celebrate the fall and the total destruction of the big lie in 2020 that held the world captive. It's coming faster than you think.

**Do not look to a man. Do not look to anyone to do that other than Me**, saith the Lord of Hosts.

A major eruption is about to be seen. A mountain will look like it will blow its top off. It'll be reported as sudden and violent, and it will come without warning. **This is what is taking place against the enemies of almighty God.**

Many weather events and things happening around the world will appear to look devastating- earthquakes, volcanic eruptions, flooding, violent storms, and economies crashing. The world seems to be more upside down, but I have told you, when you see this, I am **turning the world right side up**, turning the curse of the nations. And the ones who controlled it are enemies of Almighty God. They will completely lose power in this world. What you will see and experience is the fall of their kingdom, and that kingdom is crumbling now.

**Hold on, My children, to Me in this time without fear because I am near**, saith the Lord.

Abercrombie & Fitch will be in your news. A major scandal will plague this company.

Another major player in Disney will suddenly resign. Watch as that company crumbles. Their stocks will continue to decline. The truth is coming for them, and proof will be revealed. Many whistleblowers are coming out regarding Disney. **Their fall will be great**, saith the Lord.

More whistleblowers are coming out regarding Google and YouTube. I told you this was coming. China will be implicated along with this fraudulent government. No more silencing My children, but **a great silence will be heard from the camp of the enemies of Almighty God**. They're being stripped of their power, influence, and finances. The days have come for the takedown of these leaders, and **this has already begun**.

Watch. More will walk away around the world from their power in these other nations, and more resignations will take place in the United States right before the midterms. How unusual it may seem, but the handwriting is on the wall, and it has been seen. Your enemies are running. **Deals are being made**, and more and more are turning on each other to save themselves.

Great betrayals are about to be seen in the party of the blue. It's about to be shaken to a degree never seen. The ones who are red that are actually blue will be exposed. **The days of them turning on each other are here. It's been happening behind closed doors, but those doors I am opening for the world to see.**

So, My children, get ready for the days of shock and awe because they are here now, saith the Lord your Redeemer.

## **VICTORY FOR THIS NATION**

Date Word Received: November 1, 2022 (First Prophecy)

[Watch video](#)

For I, the Lord, this day tell My children to take back their authority and take back their nations in My Name. Don't ever accept defeat. You are children of the Most High God. Know who you belong to. You belong to Me. Receive the victory I have declared and I have decreed. I shed My blood for you. That blood has been shed, and that victory has already been guaranteed.

The United States of America is My Nation, and **it will not be stolen**. No matter what things have appeared to be like, My children, your Nation is not theirs. Your nation has not been stolen. It may have appeared that way, but I only let your enemies think they won. **They have been defeated by their own actions**. They have fallen by their own swords. They have fallen into every single trap and have been caught red-handed.

So, this day, declare that the victory is yours. Declare that the United States of America is no longer divided, and it is no longer defeated. It is no longer under the control of the One World Government. The United States is free because who the Son sets free is free indeed. **So, My children, declare and decree with Me**

**this very day- the United States is free.** The United States is the light and the beacon in this world that will shine brighter than ever before. The light will shine, and the Word of Almighty God will go forth unobstructed in this Nation like never before.

Revival is here. An awakening is here. My reset is here. You will see your enemies take falls you never thought would happen. I am giving and bringing changes to your nations, so receive them this day. Receive the changes. Receive the suddenlies. Receive your victories and receive Me. Receive your new capital. Receive that the rightful president takes back his place in the authority I have given him. Receive a new House. Receive a new Senate. Receive a new Supreme Court and a new Chief. Receive and don't allow defeat to ever come out of your mouths. Speak only victory and only speak it by the Name and through the Name of Jesus, saith the Lord your Redeemer.

## **A WARNING OF WHAT IS TO COME**

Date Word Received: January 18, 2023

[Watch video](#)

My Children, get prepared. Not only will you see My Glory, revival, and things that I have never done for mankind before, but you will also see great death, and that is what you need to be prepared for. There is a wave of unprecedented death coming. I need My Church to be prepared! I need you to build up your faith, so when people come, and they will come running because the world will look so dark, evil, and upside down, you are able (prepared). My Church, My children, that's when your light will be magnified, and My love will be glorified. I will shine My light through you in the midst of the death and the evil. My goodness, My blessing, and the life that I have will be poured out and manifested even more because My grace is sufficient for you.

So, I told you, this is the hour when **they will come running**. They will come running into your churches, and they will not be big enough. Prepare for those stadiums because there will be so much death all over the news at the same time. **I will raise people up that will do My Will and will be used by Me for more miracles.** Limbs will grow out, blind people will be able to see, deaf ears will open, and people in wheelchairs will no longer have to stay in them. **I am asking you today, are you ready? Are you ready? Saturate yourselves in My Word and prepare your hearts because some people's hearts will fail them because of what's about to come on this Earth.**

**Now, this is nothing to fear.** Remember, I am saying this again- **there is nothing to fear, for I am here, and I always will be.**

In this time, the ground will shake, the Earth will quake, the weather will seem unprecedented, economies will fail, and markets will crash everywhere. **This is Me bringing in My Kingdom, bringing in the system that I have for you, and it is the death of a man-made, godless system.** Remember, this is only temporary. **This is only to bring in the great harvest of souls.** I have told you to be prepared for the financial turnarounds and the wealth transfer. Call in everything I have put in your heart. Do not, and I say this again, **do not limit Me** because what I have for you is **limitless**. The reason why **I have to warn you and prepare your hearts now is because of what you're about to see.** So be with Me, and you will be in glee. You will be in laughter when so many people are in sorrow. **I'm bringing you this unprecedented joy** because you will have to hear and see things that most people would not be able to bear. This is the church that I've chosen for this time. This is My Body that I need for this time.

So be prepared that where there is death, **life will be even greater.** Everything your enemy is doing, no matter the magnitude or how bad it is, I am greater than he is, and the world will know it. Your enemies will soon know that I am the God of Abraham, Isaac, and Jacob. **I am the God who released My people from the grip of a monster. I see the monsters of today, and they are multiplied.** I will deal with them the same

way I dealt with Pharaoh (from Moses' time). So do not fear what they're about to do. But be prepared for all those families that will be dealing with grief. **I need you to get with Me so you can show Me to the world. The world needs My children.** They used to turn away from you and mock you, but in the midst of this, **they will turn toward you**, and they will come running.

**So, My children, be prepared for what you are about to hear, see, and experience.** You will be like My Goshen. These things **will not** harm you, and they will not affect you. But you still need to pray and spend time with Me for My Glory to fall. My Glory- cherish it, expect it, and receive it. Expect and receive, increase, increase, increase, and more increase. I will do mighty works for you that you never thought were possible. My children will raise people from the dead in unprecedented numbers. So, in this day, year, and time remember, 2023 is 2020 free. 2020 free, not three, but free. Free from everything that's held you back, every torment, every torture, every prison cell, and every chain. Remember, free! Say it, declare it, and decree it every day- freedom. Freedom is yours, and freedom is now, saith the Lord.
