

Unprecedented Death To The Enemy of God's People

Prophecies and excerpts from Julie Green Ministries

<https://www.jgminternational.org/>

Introduction By John Durr

In the late 1990s I became aware of many prophecies of the destruction of the USA. The prophecies are consistent with what has been in the news over the last 7 to 8 years. This being civil war in the US and nuclear war with Russia and China. The contrast in the ending results of the prophecies of then and now are considerably different.

In the prophecies prior to 1999, most of the US population was going to die in a nuclear war. The current prophecies of Julie Green, Tiffany Root & Kirk VandeGuchte, Amanda Grace and others tell us the Deep State, New World Order, etc. want civil war and nuclear war but God isn't going to allow it to happen. This is a drastic contrast to the earlier prophecies.

Why is there a stark contrast between the prophecies of old and the current prophecies? Over twenty years ago, many people sounded the alarm and asked people to repent, fast and pray so that God would have mercy on our nation. I was one of those people; I was in the process of writing a book and God said He wanted me to document with actual evidence everything I was saying about the USA. This drastically changed my life. I knew it would take many years and it did.

The second chapter in my book was entitled "The Science of Judgment". I detailed at length God's love, patience, long suffering and mercy and grace. But that because of God's infinite love, He must bring judgment at the proper time. One form of judgment is a warning judgment that leads people to repentance. There is also a judgment of the wicked. If God love His people, at some point He must bring judgment on those who seek to persecute, enslave and kill His people.

God does not bring judgment without first bring a warning. God reveals his judgments to the prophets so that the prophets can warn the people that God loves. This warning is intended for everyone because God loves everyone and desires that none perish. God's warnings through his prophets are intended to bring change within a nation so that the judgment can be withdrawn. He is looking for people to change their lives, to stop sinning. Specifically, they must: accept the Father in heaven as their one and only God; they must accept Jesus Christ as their savior; they must accept his law as holy; and they must confess and repent of their sins. Repent means to be truly sorry for your sins and to turn away from sin with the true desire to stop sinning. If an individual or nation does these, they can prevent God's judgment. God word states

If I shut up heaven that there be no rain, or if I command the locusts to devour the land, or if I send pestilence among my people; **If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land (2 Chronicles 7:13-14).**

At what instant I shall speak concerning a nation, and concerning a kingdom, to pluck

up, and to pull down, and to destroy it; **If that nation, against whom I have pronounced, turn from their evil, I will repent of the evil that I thought to do unto them.** And at what instant I shall speak concerning a nation, and concerning a kingdom, to build and to plant it; If it do evil in my sight, that it obey not my voice, then I will repent of the good, wherewith I said I would benefit them (Jeremiah 18:7-10).

You can find "The Science of Judgment" under the title "Why God Judges" as a free download on my Bible Study page at AmericasComingJudgment.com.

Before I was even writing a book, I was writing in my Journal what God was speaking to me. In the beginning, I didn't understand the significance of some of things God was speaking to me because I didn't know I was going to be writing a book on Bible prophecy. On May 21, 2001, God spoke the following:

This is my fight, my battle, my war! You are not a General, you're a foot soldier but I'll make you a King. You are to carry out my battle plans, my purposes, my ways as I command. When you follow me and do it my way, then victory will be yours. Don't think you know what victory is, again this is my battle and victory will be as I have planned. The victory will be beyond your dreams but the end is not in sight yet. You must be patient, you must persevere, you must be strong. Remember the joy of the Lord is your strength...., You must help me in bringing about my will on this earth but it is my will and my work!...

The current prophecies of what God is doing in the USA is truly beyond my wildest dreams. God says He is doing something He has never done before and it will totally transform the USA and the world. You can not grasp what God is doing without becoming familiar with His current prophecies. On September 14, 2001, God said to me:

...When you draw nigh to me, my power will come and you will be instrumental in bringing my will out upon the earth... Until the believers repent of their wicked ways, I will bring judgment upon this nation. It has just begun. The time to come to me, to put your trust in me, is now. The time of sin is over. For now, those who do not repent, will come under judgment.

My Book *The Soon Coming Judgment of God Upon America and How To Escape It!* Was published electronically in PDF format in 2006. Sales were not significant but I did encourage people to share the book with everyone they knew. So I don't know how many people have received it and read it. Johnny Enlow grew up in a Missionary Family in Peru. He has done over 200 meeting in Peru. He has done seen miracles, signs and wonders. He said it is not me, when I am obedient, God shows up. That spoke to me and I wonder if my book had more of a spiritual impact and gave God permission to intervene.

My Book in all actuality is God's book, I call it my book so not to confuse it with the Bible. While writing this book, God said my book would be fruitful but there would be destruction, suffering, pain, judgment and death. This was not-encouraging because I had five small children and nine nieces and nephews. The quotes of what God spoke and which are recorded in my Journal are shown below.

...your book shall be fruitful, it shall bring the hearts and minds of many back to me it shall sound the trumpet for a time of destruction, suffering, pain and judgment is coming upon America. (12-11-02)

America shall suffer judgment at my hands. Many shall die and perish.... Trust in me; follow me. The time is short and judgment is at hand. Your God, YAWEH. (11-02-04)

In these two prophecies, it is not clear that the judgment and death is only coming upon the wicked. God always protects His righteous followers. Even when a nation refuses to repent, God protects his own. What purpose would it serve God to judge His faithful followers? It would serve no purpose at all. God's judgments are true and righteous.¹ Therefore these judgments can not be intended for his faithful followers. In *Proverbs*, King Solomon writes: "It is not good...to overthrow the righteous in judgment" (Proverbs 18:5). During the flood God preserved Noah and his family in the ark.² When God destroyed Sodom and Gomorra, he sent Angels to deliver Lot and his family.³ Each time that God judged Israel he left a remnant.⁴ In *Ezekiel* God specifically marked his remnant in the forehead and ordered that they should be preserved. This remnant was sorrowful concerning the sin that was being done by their countrymen and God marked them so they would be protected. Ezekiel writes:

And the LORD said unto him, Go through the midst of the city, through the midst of Jerusalem, and set a mark upon the foreheads of the men that sigh and that cry for all the abominations that be done in the midst thereof. And to the others he said in mine hearing, Go ye after him through the city, and smite: let not your eye spare, neither have ye pity: Slay utterly old and young, both maids, and little children, and women: but come not near any man upon whom is the mark; and begin at my sanctuary. Then they began at the ancient men which were before the house (Ezekiel 9:4-6).

In the next prophecy from my journal, It can more clearly be seen that the judgment God is speaking of is intended for the wicked alone. While this is clear, it needs some explaining after you read it.

Thus saith the Lord God of heaven, Ye tho you walk through the valley of the Shadow of Death, I will walk with you. Your way shall be prepared before you by the Lord Jesus Christ. All those who appose you shall fall by the sword, they shall be as stubble in the field. The Lord shall give them opportunity to repent of their evil against you and those that persist in their evil ways shall be consumed by the eternal fire of the Lord Jesus Christ... (12-04-01)

This prophecy is a parable. Let me explain the meaning. In this parable, I represent all of God's followers. Those who appose me also appose all of God's followers. The sword is not literal either, it represents God's judgment on all those that are apposed to His servants. Jesus stated: "...all they that take the sword shall perish with the sword." (Matthew 26:52)

The current prophecies given to Julie Green and others contain much more detail. It is very clear that the destruction, suffering, pain, judgment and death is coming upon the enemies of God's people only. The judgment, suffering and death is coming upon those who have participated in the most grievous crimes against humanity. They also have planned much more severe and grievous crimes on a much larger scale then what they have done in the past. God is putting a stop to their plans. And He is bringing an end to them. God is setting us free and He is restoring everything the enemy has stolen, destroyed and perverted. Praise God.

But YOU need to be aware of what will soon be happening. You need to be prepared. You need to know it is all coming upon the enemies of God and not God's people. It will look dark. God will allow them to put up a fight so you are truly convinced how evil and destructive they are. But God will only allow them to go so far and then He will initiate His full rescue plan.

1 Psalm 19:9, 119:7, 62, 106, 137, 164; Romans 2:5; 2 Thessalonians 1:5; Revelation 17:7 and 19:2.

2 Genesis 7:1-16.

3 Genesis 19:1-29.

4 2 Kings 19:30-31; Isaiah 1:8-9; Jeremiah 15:11; Ezekiel 9:4-6.

Read the prophecies below, become familiar with them. Repent, Pray, grow close to God and study His word. Remain faithful and believe God's word. Don't give into fear. God bless, you the reader, Amen!

Prophecy Excerpts of Coming Death

My children, in My Word it says 'though you walk through the valley of the shadow of death, I shall fear no evil'. It also states 'you are in this world, but you are not of it'. I am separating you NOW from the world for I have sent judgment for the crimes that have been committed against you, and this great separation has already begun, My children. My children, in My Word it says 'though you walk through the valley of the shadow of death, I shall fear no evil'. It also states 'you are in this world, but you are not of it'. I am separating you NOW from the world for I have sent judgment for the crimes that have been committed against you, and this great separation has already begun, My children. (December 17, 2021)

I, the Lord, proclaim life this day for My children, to their lives, to their bank accounts, to their lands and to their governments. You may ask 'Lord, why are You speaking and calling life into our bank accounts, our governments and our lands'? Because, My children, your enemies had death planned for you and for everything you knew to be normal in your life: death to freedoms, death to churches, death to your countries, death to your economies, death to your family, death to your faith in Me and death to your bodies. They wanted death to fill this Earth through their man-made plans and designs, to utterly kill anything good that was left so as to force you to bow to their every plan and their every command....

Yes, destruction and death will come to your enemies but not to My children or My world which they wanted to control and to dominate. Ha! They thought they could overthrow Me and take from you the world I created. That is never going to happen, saith the Lord. (December 21, 2021)

This is the hour, the season of a Great Separation, saith the Lord. This is the day of the separation of My church, My children from this world and the Judgment that is about to strike this Earth and all the systems designed to take Me out of this Earth totally. I am separating My children from the Judgment that is hitting your enemies even as I speak these words. JUSTICE, in this hour, WILL RULE and REIGN. Death is coming in mass to the enemies of Almighty God. This is the hour of the Harvest they have sown against this Earth, a great harvest of death and destruction.

My children, you are protected by My Name and My blood. The angel of death will pass by your doors, so plead My blood and command your guardian angels to be on guard. The angel of death is not allowed to cross your doors. No, their assignment is to go after the ones who have sown death upon this Earth and on My children.

As you have seen, Judgment has started, but in the coming weeks, the number of deaths will grow to such a number they will not be able to hide these facts from you any longer. They are hiding the numbers now and the cause of death, but I, the Lord, will expose how these deaths were caused by the mandates and the forcing of these mandates into your bodies....

Judgment is coming. Brace yourselves for a major shift and impact that is about to strike your enemies. Yes, a great shaking is about to occur in people's houses. Your enemies are about to receive a final blow to their plan of destruction and to their 'winter of death'. They have prophesied their own demise and end. In this hour, more will fall, more will be exposed, more will die... (December 29, 2021)

Watch as deaths come into the headlines on a daily basis. Watch for names in this illegitimate government, in Hollywood, Disney, news reporters, judges, generals, governors, mayors, state officials and anyone in power that stood against Me and refused to repent. (January 14, 2022)

Nothing will stop the calamity that is about to take place in the enemies' camps. One by one, exposures, removals, judgments and the angel of death will find the ones with blood dripping from their hands. They have sown death and destruction with no remorse or repentance. The hour of judgment has come. (January 22, 2022)

For I, the Lord, this day am giving words to heal, deliver, set you free, and bring joy in your mourning and sorrow. I am giving you words to bring peace to replace fear and confusion. My Words bring life and destroy the power of death. Get them down in your heart. Pursue, overtake and recover all. This world is about to know who is on your side. Yes, The Great I AM is here to destroy everything against you. My children, do not fear. It doesn't take years for Me to move My hand and remove, wipe away, or annihilate everything controlling you. (March 7, 2022)

For I, the Lord, this day have told My children, "I am moving My hand against your enemies." I have said to you that things will abruptly change. I have warned you about the weather, silence over your airwaves, governments being overthrown, and the Angel of Death passing over world leaders who brought havoc, death, and chaos. My children, I have also said, "Enough is enough! Let My people go! Let the world go!" Nothing will stop these words from coming to pass. As you experience the coming days, stand firm and do not be moved. What is coming will bring your freedom, not destroy you. (March 8, 2022)

Mass casualties, massive deaths: these words will be in your news. A plan backfired; a bioweapon meant to destroy you is now plaguing them. There will be a sign to look for: the death of a senator. He will suddenly die, and they will lie to cover it up. A heart attack or stroke, they will shout at first. But the truth will pour out when more collapse suddenly, and they do not get up. (March 17, 2022)

There will be another Passover-type of event in this Great Exodus as well. All the judgments coming will pass over My children. The Angel of Death will pass over My children. I am bypassing your enemies. Everything they have planned for you in this day, I am knocking down to the ground. You will hear them scream in shock and fear of **what has happened to them that was supposed to happen to you**. I've told you before about the great harvest they are receiving for the destruction they have sown. Your enemies are finished, saith the Lord. Their power is finished. Their time of ruling is over. (July 24, 2022)

For I, the Lord, this day am telling you in 2023 things are about to look very different. Yes, changes are being made. Governments will fail and fall, governments will be overthrown, and many leaders around the world will not survive the Angel of Death and

the days of Haman. This is the year for a great harvest to be seen. A great harvest of destruction your enemies caused for world control. For every seed sown, they will reap an abundant harvest, and for them, it's a great harvest of devastation, calamity, and destruction. (January 3, 2023)

My Children, get prepared. Not only will you see My Glory, revival, and things that I have never done for mankind before, but you will also see great death, and that is what you need to be prepared for. There is a wave of unprecedented death coming. I need My Church to be prepared! I need you to build up your faith, so when people come, and they will come running because the world will look so dark, evil, and upside down, you are able (prepared). My Church, My children, that's when your light will be magnified, and My love will be glorified. I will shine My light through you in the midst of the death and the evil. My goodness, My blessing, and the life that I have will be poured out and manifested even more because My grace is sufficient for you.

So, I told you, this is the hour when **they will come running**. They will come running into your churches, and they will not be big enough. Prepare for those stadiums because there will be so much death all over the news at the same time. (January 18, 2023)

JANUARY OF JUSTICE

Date Word Received: December 17, 2021

My children, in My Word it says 'though you walk through the valley of the shadow of death, I shall fear no evil'. It also states 'you are in this world, but you are not of it'. I am separating you NOW from the world for I have sent judgment for the crimes that have been committed against you, and this great separation has already begun, My children.

The world is growing darker, and for some, more chaotic it would appear. That's because your enemies are scattering, running in every direction to hide themselves. They know the Great I AM has had enough of their acts, and it is now My time to remove them all from their power, influence and money.

While some will pay a high price with their lives, I will move you under the shadow of the Almighty. My remnant, I am your High Tower and your Protector. I am avenging you for the crimes they have committed against you. I am freeing the captivity in this land and in all nations across this Earth. The enemies of My children used these nations and government officials to destroy you and enslave you with their fear, tactics and their man-made laws in order to steal any freedoms you once had. Well, I am the One who tears down one person and brings up another to take their place. Yes, I am the Most High, and they will soon find out they were nothing in My sight. Their power was nothing because the one that gave them their power was thrown out of Heaven by Me. He could not overthrow Me then, and he can not overthrow Me now, let alone take Me out of this Earth which I created. His arrogance will once again backfire, and the opposite of what he desired will happen. The destruction of all his plans shall come to pass instead of the destruction of My people, and it shall come with one final blow.

Instead of My people being destroyed, they arose, and a Great Awakening has started taking place foremost. They are rising up in My Authority and Power knowing who they are in Me. It is your enemies' worst nightmare - a child of God fully awake and knowing who they are in Christ. My

children are indestructible in this world. My glory shall fall on you, and My glory shall shine brighter than the darkness that has tried to swallow you up. Glory and fire will expel any influence or power the devil once had over you. This is why you are walking into your promised land in 2022, a year of the New, with a new perspective of who you are in Christ and with the knowledge that this world has been given over to you.

Satan can no longer enslave My children nor continue to steal what is rightfully theirs, which is the wealth in this world. Yes, all of it. My body will be in control once again to usher in this Great Harvest of Souls before the Lord's Great Return for His body before the tribulation time comes. Justice is coming. Justice like you have never seen.

In January you will see Justice prevail. Watch, My children. My show is being unveiled for the world to see. I am your Protector, and nothing they tried was successful. Your enemies tried to keep Me out of your lives and from delivering this world in My appointed time, but I will bring your enemies the biggest blow they never thought could ever happen. You will see banks fall, Wall Street fall, this illegitimate government fall, their laws fall, their economy fall, all at the same time. I am bringing you the New. Do not fear, My children. You will all be protected in the midst of the world's economy collapsing through their power being destroyed over you.

I am your Father, and I am raining down gifts for you that you never thought were possible. I AM ABSOLUTELY GOOD, and I am pouring out My goodness across this Earth like never before. My children, it is your time to rule and reign and My Word to be given throughout all this world to bring more people into My kingdom before the time of man expires. You will rule and reign, spread the gospel and then the end comes. So, enjoy what I have in store for you, My children.

The year of 2022 will be far greater than you could ever have asked Me for. You will march with a great celebration in this new year. So shout that the Deliverer is here to save and to restore all that has been stolen from you. I am dealing with those chains and prison cells they put you in. It is time for you to break free and to break forth with Me. Nothing will be able to hold you from Me. Sing praises unto Me, My children, and feel the chains come off. Lift up your hands for total freedom and restoration the world has never seen, saith the Lord of Hosts.

IT'S TIME TO CELEBRATE

Date Word Received: December 21, 2021

I, the Lord, proclaim life this day for My children, to their lives, to their bank accounts, to their lands and to their governments. You may ask 'Lord, why are You speaking and calling life into our bank accounts, our governments and our lands'? Because, My children, your enemies had death planned for you and for everything you knew to be normal in your life: death to freedoms, death to churches, death to your countries, death to your economies, death to your family, death to your faith in Me and death to your bodies. They wanted death to fill this Earth through their man-made plans and designs, to utterly kill anything good that was left so as to force you to bow to their every plan and their every command. They wanted you to completely bow and give in to them like Nebuchadnezzar wanted My three Hebrew men to do. Don't, My children. Stand like they did and watch the Fourth Man show up, show off for you and totally deliver any hold on you that your adversary once had. Yes, destruction and death

will come to your enemies but not to My children or My world which they wanted to control and to dominate. Ha! They thought they could overthrow Me and take from you the world I created. That is never going to happen, saith the Lord.

Biden, fall, for your fall, will be seen throughout this Earth. Your failure will be seen, your name will be revealed and the person who is betraying you will also fall to the ground. Yes, he is free-falling even as I speak. My children, watch this week as Biden speaks. Watch what he reveals in the news. Your days are coming to a close now Biden. You can feel it even though you are heavily drugged. You know they have betrayed you and want you dead now. They want you out because you are no longer relevant to their plans. They are moving on without you. The arrogance. They think they can put whomever they want in to replace you. No! They can't! Kamala, you also have a target on your back, and you are definitely not Biden's replacement.

Even now Obama is more power-hungry than ever before and insists it is his show, his power and his way. The puppet masters created this evil one who is now out of control thinking the world is his to control. Well, Obama, I am knocking you out of the chair you have been in while controlling My America, My world, the world markets and manipulating everything you could in order to get more under your submission. Obama, I AM is coming for you and your shadow government. I will rip away everything and I mean everything from you. You have been warned by both Me and your puppet masters. Your puppet masters are losing control over you, so watch your back because it has a target on it, and even you aren't safe right now.

It's My show, My time, My world, My children, My economy, and no man under the power of the devil nor any man, in general, can take these away nor change My plans that will go forth throughout this Earth as planned and on time. I have all the dirt on you and your whole entire team. Puppet masters, your strings have been cut, and I am pulling you down from the high places you have been and removing all of you now.

Watch the Royal Family as they want her out of the way. Who you might ask? The queen. Prince Charles wants that power now and does not want to wait. The elites and the puppet masters are telling him to get rid of her because their plans are falling apart, and it's time for Plan B. Charles, you are running out of options. You know they have dirt on you, and they are about to pull your plug. You are losing your grip on the power you have desired your whole life. Your desperation is growing to keep the truth from being revealed to the world concerning what you have done to control England, your country. For what you have done behind the Queen's back, you know she would take your mantle from you. It would be given to William, your son. You would never have the crown, so you are willing to kill for it. Watch out, Charles, as I rip you from where you sit. You will not get that crown, no, not ever. Because I, the Lord, am taking your freedoms and your power away for the damage you have done globally, for your part in trying to destroy My America and because of what you have done to help the great reset. Everything you hold dear will be taken from you. Judgment is about to strike you down to the ground, and you will not get up from what is coming to you.

My children, shrug off that disappointment, that discouragement, that once plagued you. Put on the Garment of Praise and get rid of that spirit of heaviness that cannot control you any longer. Receive My Glory today. Receive the Fire I am bringing down to restore everything for you this day. Receive My joy and My peace. Receive the new year I have for you. Hang on, it is about to get very interesting. Keep your eyes focused on Me. I am everything you need, no matter what you see. I am in control, and your season of change will bring a great change in your life, one you have never before known.

These are your days, My children, My church. Yes, it is your time and your Earth. I have given it to you

to enjoy but without those pharaohs in your way working to steal it from you. No! Not today satan. Never will your plans go forth as you wanted against My children. Receive these Words, My children. Your year of 2022 will be great. So start to celebrate! Grab your cake! It is your time now, saith the Lord of Hosts.

THE GREAT SEPARATION

Date Word Received: December 29, 2021

This is the hour, the season of a Great Separation, saith the Lord. This is the day of the separation of My church, My children from this world and the Judgment that is about to strike this Earth and all the systems designed to take Me out of this Earth totally. I am separating My children from the Judgment that is hitting your enemies even as I speak these words. JUSTICE, in this hour, WILL RULE and REIGN. Death is coming in mass to the enemies of Almighty God. This is the hour of the Harvest they have sown against this Earth, a great harvest of death and destruction.

My children, you are protected by My Name and My blood. The angel of death will pass by your doors, so plead My blood and command your guardian angels to be on guard. The angel of death is not allowed to cross your doors. No, their assignment is to go after the ones who have sown death upon this Earth and on My children.

As you have seen, Judgment has started, but in the coming weeks, the number of deaths will grow to such a number they will not be able to hide these facts from you any longer. They are hiding the numbers now and the cause of death, but I, the Lord, will expose how these deaths were caused by the mandates and the forcing of these mandates into your bodies.

My children, do not fear as I am restoring life unto you and reversing all damages caused in your body. Give your concerns to the Lord, the Jehovah Rapha, your Healer, and be at rest. I am touching My children during this hour and restoring life unto all those who have been tormented with pain, affliction and all diseases that enslaved you. Know that the hour you are in will be an hour of wholeness for My children. Wholeness you have never before experienced with no feeble nor sick among you. You will have such glory imparted in you and over you. So much so that it will expel ALL the curses that tried to keep you sick and enslaved to your adversary.

No, I, the Lord, bore that curse and have already brought your adversary to nothing. I, the Lord, am fully restoring your bodies from all the poisons they put in your food to make you sick and the need for their so-called medication which actually poisoned you even more. Their agenda was to make all of you sick and debilitated so that you could not nor would fight back and would eventually die and get out of their way. Cancer, you have a name, and I am destroying you as I speak these words. You were brought into this Earth through the curse with man-made designs used to kill a large part of the population in this earth while they padded their pockets from the treatments you were forced to take.

This was just another money machine for the elites and the puppet masters. They controlled so much of your societies while the world slept. You didn't know they were pulling your strings, controlling you, controlling your bodies, controlling your finances, controlling your news and controlling some churches just to advance their agenda. I, the Lord, am dissolving this killer, cancer, and destroying the

effects of it. They used it to destroy so many lives while they made massive profits. The manipulation of the world, their markets and their food are all being crushed by Me in this hour.

Hold on, My children. I am moving quickly in this season to eliminate your enemies' control over you. This Great Separation will also separate them from their money, their power and their influence in the world and some will be separated from life on this Earth while at the same time blessing My children and restoring life, liberty, justice, financially compensating for all the damage that has been done and restoring all that belongs to My children.

You are Kings on this Earth, not slaves. I am raising you up to where you belong in these days to rule, to reign and to enjoy the life on this earth that I have given to you. This Great Separation will tear down walls, expel all abnormalities, all torment, all sickness, all fear, all anxiety, all depression, eliminate any damage done by your adversary and his system and eliminate the people he used to do it. All will be removed from your bodies, and I will restore, heal and make whole in this hour.

Judgment is coming. Brace yourselves for a major shift and impact that is about to strike your enemies. Yes, a great shaking is about to occur in people's houses. Your enemies are about to receive a final blow to their plan of destruction and to their 'winter of death'. They have prophesied their own demise and end. In this hour, more will fall, more will be exposed, more will die, more will come forward to tell the truth out of desperation to live, thinking they will be safer on the other side. News stations' ratings will keep falling, and all of them WILL feel My judgment.

The truth will continue to be told, against their will. I am causing Every Lie to be exposed. Truth will pour out in this hour, and NOTHING can hold it back. During this new year, 2022, My children will usher in this Great Separation, so start to celebrate as I am moving mightily on your behalf to save you and deliver you from things you didn't even know were coming for you: attacks from foreign lands and from a new variant which is meant to kill anyone who is infected. Yes, they are planning to use the air ducts in subway stations, airplanes and shopping malls to expel this virus. Their plan is that anyone who comes in contact with it will die in a short time after breathing it in.

Yes, with this heinous act, this crime on mankind, they wanted death, a great death in this earth to take over once and for all. They want this new variant to go into churches, hospitals, retirement homes, stadiums, or any other place where there is a mass of people so as to kill as many as possible since the last 2 years didn't kill enough.

But I, the Lord, have said that these are the days of Haman. These plans will be exposed, and death will come to those who designed this plan. I am delivering you in this hour so don't be moved by the news or any other distraction they use to take your eyes off of Me. No, all will see and know that the Great I Am lives, loves and saves. Stadiums will be filled with many people who are filled with My Glory, and they will be healed. You will see great miracles during these days. The dead will rise and walk out of morgues and hospitals after a child of God speaks life back into them. Yes, hospitals will empty out with people walking out completely made whole.

I have spoken this in My Word, 'lay hands on the sick, and they shall be made whole'. Yes, these are the days My children and My church will be sought after by the world because of this Great Separation. You will live such blessed lives with such wonderful Glory. It will draw the world to you for deliverance.

Get ready, My children, for this Great Separation, for this Glory, for the Holy Ghost and Fire which is about to flood this Earth and for My Greatness to be seen on you. My love will surround you and overtake you, and people from all over will be drawn to it. The distinction between My children and the

rest of the world will be great. These are the days to celebrate because you are at the hour of a Revival and Awakening the world has never seen.

Get right before Me now because the days of choosing which side you will stand on are coming to a close. I am about to shower GIFTS on My children, the ones who stand with Me. Get your finances in order to receive the transfer of great wealth and lands. Take what is yours, My children, this day. Call it all in, your inheritance and your full restoration which rest with Me.

These are your enemies' final hours so rejoice and SPEAK LIFE. The Great I Am is moving over the whole world and knows who is on My side. 2022 will be a great year for My children. As 2021 draws to an end, receive the New, receive Deliverance from Me. Forget the old and move into the New, saith the Lord of Hosts.

GOD ALWAYS HAS THE FINAL SAY

Date Word Received: January 14, 2022

I, the Lord, this day, have spoken of your enemies bragging and boasting about how they are in control, how their planning has been worth the prices they paid and how everything for a short time was going as they had planned or so they thought. I, the Lord, have stepped in, and I am showing your enemies how their plans mean nothing.

I will say that again, your plans mean nothing against the One True God. No, they will not stand anymore in their high places and rule over My children or the world that I have created. No, they will not take Me out of this world or overthrow Me in My power. This year is a year of reckoning of them paying for the damages they have caused My children and what they have done on this earth: the shedding of innocent blood, the sacrificing of children and anyone they could for 'their supposed' god and their worship of the fallen Lucifer.

Little do they know that his powers were stripped from him by Me or how little of power he actually has on this earth compared to a child of the Living God. Lucifer, who was once called Lucifer but is now the devil, has been brought to nothing and so has everyone with him. If they wanted to rule on this earth, they chose the wrong side.

Right now, My children, hold on. Your adversaries are throwing out everything they can in a short time to discourage you, to depress you, to weigh you down and take you out once and for all.

That is why I need My children to awaken now and to know who lives on the inside of them. You are My children. Your adversary has nothing compared to the resurrection power that resides on the inside of each and every one of you. No longer let it stay dormant. Tap into that power today. It is there for you. Your enemies will try things, but I, the Lord, am telling you this day that it won't stand. They won't stand. You are at the door, My children, of their entire empire, imploding in front of you. They are falling now, and there will be no one left standing.

Watch the Supreme Court. They will stand against this illegitimate government more in this hour. They see the writing on the wall that this supposed government is finished and that all the threats made against them are over. The puppet masters were for a short time controlling what and how all of the justices ruled. They were forced to turn their backs on the elections because (1.) I did not want them

taking the credit and (2.) the puppet masters blackmailed and threatened their lives and the lives of their families so a few had to rule in ways they never wanted to.

Watch the boldness come forth out of the Supreme Court. I am making the highest court in the land powerful once again, but first, I will remove and cleanse the Justices. The ones that don't belong there, I will remove by My hand. One will step down on his own because of the truth that is coming for him. He knows he cannot stay in that seat of power any longer. The Supreme Court will be filled with people who love Me and will stand for the Constitution once again. Justice is coming in a magnitude never seen before on this Earth.

Watch as deaths come into the headlines on a daily basis. Watch for names in this illegitimate government, in Hollywood, Disney, news reporters, judges, generals, governors, mayors, state officials and anyone in power that stood against Me and refused to repent.

Watch as massive news will continue to come out of the State of Georgia. Yes, regarding Governor Kemp and Secretary of State Brad Raffensperger, the truth will flow out of that state like a flood. A decertification will happen and not just in this state. When they have been asked, all your enemies say how impossible this is and that it cannot happen.

Watch all the dominoes fall. When My hand moves over the states and restores power and order in this hour, My America the Beautiful, the United States, will be united again. Nothing can stop the rebirthing of this nation.

Biden, you are a jackal, and your puppet strings have been cut. They are letting you go, and the one that stands in your place will be revealed.

All the pieces to your intricate steal will flow like a flood on this Earth. Every foreign nation that helped you, I will expose. So watch the news. You will hear about the countries of China, Iran, Italy, Germany, Mexico, Switzerland, Sweden and the Czech Republic. Many other nations will also be revealed as part of this coup against you. Whistleblowers will come forward more and more to expose what they were paid to do.

This illegitimate government will continue to take massive hits. It is a sinking ship that cannot be stopped. My children, watch for massive news about your Congress. Explosions of Truth! There has been a secret group hiding in plain sight that has been infiltrating the traitors to expose them all. The time has come for them to come forward because they have everything they need to bring this whole circus down.

Trump has his orders from Me. He is moving forward with his plans. Continue to pray for his family as he takes these steps to move back into power. Yes, the time has come, and this year your rightful president will be placed back in his seat of power in your nation for all the world to see.

He was leading some things on the sidelines, but now I am bringing him Center Stage. But he will not return to the White House because I have a new capital, a new house for the rightful president in this hour, because your capital as you know it will be destroyed for all the vile things that have happened in and under those buildings.

Watch, My children. The rats are running to and fro to save anything they can from their sinking ship, but they can't because I, the Lord, have had enough. They will not escape the judgment which is coming to them. The world will see this year who has been in control.

So many of My children's hearts will mourn. They either couldn't believe Me or hold on long enough, so they gave up on Me.

My children stand, for there is a great reward for those that do. In this hour of choosing, the doors are closing, so choose now before My hand moves for the final push to remove your enemies out of their power.

Yellowstone will be in the news. Watch. There will be an eruption there that they can't hide along with other unusual things, and an earthquake that will shake the truth loose of what they have been hiding.

Your time has come, My children. It is your time now on this Earth to receive these words, receive My plans, receive My love and to receive My inheritance that I have given to you. I, the Lord, have waited for these days to pour out My spirit like never before. I am ready, so get ready, My children, for this great outpouring of Glory and Fire that the world has never experienced before. These days are for you to enjoy and live how I have always desired you to live, saith the Lord your Redeemer.

GOD'S HAND MOVING ACROSS THIS LAND

Date Word Received: January 22, 2022

For I, the Lord, this day, have spoken these words, and I will say them again. This is the hour for My children to be set free of this complete satanic system. I, the Lord, am moving now. Nothing will stop the calamity that is about to take place in the enemies' camps. One by one, exposures, removals, judgments and the angel of death will find the ones with blood dripping from their hands. They have sown death and destruction with no remorse or repentance. The hour of judgment has come. Reversals, removals, turnarounds, and restoration will all take place at the same time. Some people will think how extreme are the days we are living in. They will ask what on Earth is going on? For so many in this world, their hearts will fail them for the apprehension of things to come on this Earth. I have spoken of these times in My Word, but so many did not heed My warnings, and fear has gripped their hearts.

I have freedom For All Mankind, for all Humanity. They could receive this if they believed it and could receive all I have for them. But it is their choice. I have given every person a free will to believe and to choose Me or not. I want everyone to choose life but not everyone will no matter what they see. My children, I am long-suffering because of the love I have for My creation. I wanted a very large family, you could say. I didn't make robots. People can choose to love Me or not but that doesn't mean I don't love them. The darkness has overtaken them with no way of escape. They have hardened their hearts to a point of no return.

Hunter Biden, you will fall in this hour. They will no longer protect you from any chances to save your father's death from being in the public's eye nor the one betraying him to keep this person a secret. Even though there is a plan to remove the so-called Biden and Harris, they want it done their way for minimal damages. Right now there is too much to hide. They are letting people all over start taking falls to protect the Inner Circle and the ones who are of more use for their plans to move forward with their reset. Another laptop will appear and more will come out of the laptop they tried to hide. The ones who were on My side have all the info on those laptops and the enemies know it.

So Hunter you will pay a high price for all the things you have done. Your sick and disgusting lifestyle will be known, and there is no one to protect you. Your stepmother Jill can't even stop what is coming for you, and she wouldn't even if she could. Jill has to try and save herself from a massive fall. She has kept so many secrets and lies to protect the big lie for Joe and the one who is betraying him. So much destruction is coming to all of the Bidens. More and more negative news will continue to flood out

regarding all of them.

The puppet masters have also given their permission to stop propping them up. They want to move on with another to replace Joe and Kamala. But little do they know that I have control of their tongues, and more truth will continue to come out on live TV where no one expected it. They will continue to call them gaffs, but I call it truth like a flood. Some people won't be able to believe what just came out of their mouths because it will be such explosive information that they thought could forever be kept hidden.

Mass of information will pour out of Pennsylvania. A truth-teller or a whistleblower is about to come forward in a major way. I've given the ultimate green light for whistleblowers and the rightful president along with the rightful government. They have the signal they needed from Me and also the words of the prophets, so they know to move forward and go forth with My plan, saith the Lord. It's time to move. It's time to march forward and take back power in this land.

You will see a monument destroyed in this hour. This monument will show the world that all their plans are falling as I speak these words. Know that when you see this monument crumble to the ground, I am moving quickly to restore My nation back as a superpower that the United States was always meant to be with no restrictions, with no satanic agenda, with no interference from any infiltrators and with no more of these swamp rats controlling My nation or it's government. A clean sweep of it all. A complete restoration and people in power I have put in this hour. My light is shining on My nation to completely set you free from what you see now.

Power outages and rolling blackouts. Watch as you see these and know I am moving to remove them all. That is My promise to you. Not one will be left in power that is against Me, saith the Lord of Hosts.

A hurricane? They will say 'that's not possible. It's not the season for those. It can't be. Winds and waves are just naturally going to hit this land.' It's also a perfect storm in the spirit realm against your enemies. That perfect storm is hitting them right now but will also continue to intensify over the next couple of months.

Justice in January you are asking about. So much Justice is taking place right now which you don't even know about yet. Indictments are being passed out at a rapid pace. You will continue to hear of removals, falls, literally and physically. Poll numbers, peoples' trust in the supposed "news" will hit an all-time low. More Justice and truth will be released. Just hold on. February should be very interesting.

My children, you are about to experience a great shift and a change in this year never experienced on Earth like this. A great shift of power and influence. My Glory and Mercy shall fall on this Earth. These are the days of Liberty, Freedom, Justice, Glory, Wholeness and Restorations.

I am on your side, and I never lose. Your victory has been paid for, and the battle has been won. So rejoice for the Lord has defeated all you see in front of you. So laugh as these are not days of defeat, but rather your days of Victory and Triumph and Joy on this Earth never experienced to this degree when all of this is corrected in this hour by Me, saith the Lord of Host.

SHAKINGS ARE ABOUT TO INTENSIFY

Date Word Received: March 7, 2022

For I, the Lord, this day am giving words to heal, deliver, set you free, and bring joy in your mourning

and sorrow. I am giving you words to bring peace to replace fear and confusion. My Words bring life and destroy the power of death. Get them down in your heart. Pursue, overtake and recover all. This world is about to know who is on your side. Yes, The Great I AM is here to destroy everything against you. My children, do not fear. It doesn't take years for Me to move My hand and remove, wipe away, or annihilate everything controlling you.

Oh, United States, what you are about to experience, you have never seen Me do on Earth like this before. Judgment has come for your enemies. These days will be very harsh for them with no reprieve. The more they move against you, the more I move My hand against them. Like Pharaoh of old, if they speak death to My people and try to then cause harm, then it will come upon them. Like I have said before, My children, these are the days of Hammon, the days of receiving the Harvest they have sown upon this Earth. Do not pity them because they made their choice. They chose to turn from repentance and have absolutely no remorse. They hardened their hearts against Me and you. I gave everyone time, but they decided not to accept.

Watch. More news will break out about the Himalayas Mountains, My children. It signals your enemies' days are ending.

Mount Rainier is another mountain to watch. Yes, My children, the news will report an avalanche. Your enemies' days have come to an end. Truth is breaking every chain on you. They can no longer hold you captive.

You will hear of a monstrous storm in your Heartland. Why the Heartland, you ask? Because, My children, it is to show you a rebirthing has begun. I will save the heart of this country from tyranny.

Again, My children, do not fear these storms. Speak to them to destroy all against you that needs to be destroyed. Plead the blood of Jesus over everything you own, and then these storms can not touch your properties nor your family's.

My children, you are about to hear shouts and screams across your land saying, "THE BIDEN IS WHO? No, they couldn't have done something so heinous. Not in front of our eyes. They actually tried this? Who is he again? Lord, how can this be? "The Biden" is a perpetrator and an even bigger fraud than we thought. How did the world not see this? Lord, how could they have done this to us?"

My children, your enemies were allowed to go only so far and no more. This allowance will bring their ultimate fall, destruction, demise. It will cause you to rise. Yes, you are about to rise to a place of power and joy in this nation, and the body of Christ will rise to a level you never knew existed.

"Woodlands." This word will be in the news, so listen for it. It will shock you when you learn what was hidden there. My children, truth is coming from all directions, from everywhere to save Humanity. The One-World Government plans to destroy the population, but My truth will save. Yes, they want to decrease the number of people globally and take more power and control. More money is what drives them, the love of money and power. Well, that love will be taken from them in one day. One day Lord? Yes, one day is all it takes, and one day is all I need. My children, these people are nothing, gnats and flies. It takes nothing for Me to flick them all away.

A well-known pastor in a megachurch will be exposed and removed from his place behind the pulpit. He was not there for Me. You will see he spoke words to turn the congregation from the truth about Me. He was paid to say what the elites wanted him to say.

My children, more false prophets will be exposed and removed from their platform because they have come against My true prophets. Yes, any person speaking against My prophets repent now because

judgment will come. This is the hour for judgment. I am cleaning house in the body of Christ. Cleansing is occurring so the body can receive a greater outpouring of My anointing, one with no limitations. There is no more time to be complacent. As a child of God, there is no more time to live below your privileges.

Linn Wood is about to make an appearance in the spotlight again. Watch for this. His name will be restored. What he has been saying all along will come to light and be proven. Yes, all the evidence was not destroyed nor lost. It was held back until now.

I say to all waiting to hear these words; it is now time to move. You know who you are. It is time to move! Yes, do it now! You know this is for you. I will protect you as you move forward. You are not listening to these words by accident. No, this was a divine appointment set by Me, saith the Lord of Hosts. I will protect you as you move forward. Go and do it now, and all will be okay with you.

My children, the largest illusion ever in history is about to change in front of your eyes. The deception that held you in this nation, oh United States, will end with the changing of the guard. The right President is on his way back, sooner than you think. Pray for him and all with him.

Your military is marching, yes, marching toward the goal-line to overturn everything forced upon you. The military is on your side. Things needed to happen to learn who was on the right side.

A shaking of your Pentagon is taking place right now to remove anyone against freedom in this nation.

My children, a cleansing, a washing of every part of this nation is taking place right now.

More fake props will be revealed regarding the supposed White House and its fraudulent government. Set-ups, slips of the tongue, and exposures are coming. Brace for them to come in the coming weeks. Much is about to take place at the same time.

A new capital, rightful President, new government body, and rebirthing of this nation; the time has come to see what has been held back until now. So rejoice! Again I say, My children, the hour of exposures is here, and it is now, saith the Lord of Hosts.

THE DEEP STATE IS BEING EXPOSED

Date Word Received: March 8, 2022

For I, the Lord, this day have told My children, "I am moving My hand against your enemies." I have said to you that things will abruptly change. I have warned you about the weather, silence over your airwaves, governments being overthrown, and the Angel of Death passing over world leaders who brought havoc, death, and chaos. My children, I have also said, "Enough is enough! Let My people go! Let the world go!" Nothing will stop these words from coming to pass. As you experience the coming days, stand firm and do not be moved. What is coming will bring your freedom, not destroy you.

No, what is coming will destroy your enemies. No matter how things appear at this time, they are falling. They are failing to accomplish what their leader, the devil, asked. Why, My children, do they think they could ever get away with what they are doing? Does your adversary, the devil, ever win? The answer to that is no. You thought his fall was great when I threw him out of heaven? His fall will be even greater this time for everything he has done over the years to destroy My power, My presence in this world. To accomplish world control.

Everything will be wiped away by Me in one day. He thought he could speed up time through more destruction. My children, if I didn't stop what they are doing in Ukraine and what they did in the United States elections, there would have been mass genocide everywhere. They would continue to use bio and nuclear weapons against you.

It is crucial, My children, for The Great AM to intervene in these times. Let Me reassure you again. They lose, and you win. "But Lord, how can all this be overturned? They have too much control. They have destroyed so many of our freedoms." My children, who do you believe that I am? Am I not the God who created this world and everything good in it? So who do you think has the final say? I do! Receive peace through My revelation knowledge. I see all. I know all. I can and will destroy all that is against you.

Watch for breaking news about the Everglades. "Lord, the Everglades?" Yes, a death occurred there but has been hidden. It will now come out. This news will be breaking news to you, but that blood spoke to Me first.

General Milley, you will answer for what you have done against this nation. Treason! Yes, people will find out who you are and what you have done. The military will strip you of your medals and remove any honor you received. Treason will be your end and written on you for all eternity. But, General Milley, you are just one that I will expose. None of you can run and hide from the treason you committed. With China? Yes, they paid you to turn your backs, justify this fraudulent government, and allow this coup. You knew you did wrong but refused to repent. You have no remorse, and you would do it again for money and power. General Milley, you thought your actions would give you security. But if you wanted peace and security, you chose the wrong side. You are about to take a fall, and you won't recover. Yes, your exposure is now, General Milley. You will be a general no more.

General McInerney, My son, your green light is now. Move forward with the plans you were given. I am with you, saith the Lord. I will protect you. The information you have will overturn what has happened in this nation. Yes, it is crucial evidence. You know who to give it to, and they are trustworthy. They are with Me. You know what to do. This is the time to do it. My son, you are special to Me, and you are here for such a time as this. The road has been long. Yes, but now the time has come for all of this to end. Stand firm and stand strong. I will lead you, guide you, and protect you. General, you will be rewarded a medal of honor from Me. Yes, you will wear a medal of honor for all eternity in heaven. I know who you are and what you accomplished in this time. Go, Thomas. Go now, saith the Lord of Hosts.

My children, you will hear a specific name, who worked with him, and all his plans concerning you, whether past, present, or future. Saul Alinsky is his name. Many in your government followed his instructions. Two well-known individuals are Barack Obama and Hillary Clinton. While this is true, many more of his followers are even more distinguished. You will be in shock and awe to find out who is involved in the plans to destroy this nation, the methods to tear it down from the inside out. They plan to eliminate the middle class, destroy the economy, shut down churches, and shut down all normalcy, including locking people down.

They enjoy locking people down, but they desire to go even farther than that. This group wants to do what Germany did in World War II but to a greater degree. First, they plan to destroy America and its citizens' love for their nation. They plan to cause division between races, rich and poor, and religions. The list goes on. They know once you turn on each other, you will not see what they are doing because you are too distracted by the division and chaos they created. You will be fighting the wrong enemy. They are planning your destruction while you look in another direction.

They are in your schools and have changed your history. They changed what really has happened since the foundation of this nation. Some became our founding fathers. Their process was slow and tedious, but they were patient until now. They are now using everything they can. All who are involved with this plan will become known.

Anyone connected or affiliated with Saul Alinsky will be exposed. He privately passed his teachings to your government officials through the yes crowd. They knew who would sell their souls for money and power. Each was tested. If someone passed, they became a member of the deep swamp in your capital. They staged wars/conflicts, manipulated markets and medications, and even infiltrated churches to deceive the masses. Their goal was to affect every walk of life possible. Their playbook of instructions will be exposed.

They thought they could trust one specific person, but this person is on My side. He is working solely to catch them trying to destroy this nation. It is now time to expose everyone in your government and any person in power in your States, courts, schools, businesses, or churches that betrayed this nation away for money and power or influence.

My children, brace for truth. A well-known celebrity will be exposed for their connection in a child sex trafficking ring. Yes! This exposure will cause a flood of truth to break wide open like a broken dam. I will expose actors, producers, directors, and everyone else involved in child trafficking or involved in taking this nation down. The connection between Saul Alinsky, George Soros, and Hollywood will become public.

Watch Mount Saint Helens. It is about to erupt big time, My children. This eruption is yet another sign of this fraudulent government's demise.

Someone will record a whirlwind over open water. This, My children, is a sign the winds of change are not coming there but here to destroy the works and power of your enemies.

Keep your eyes on Mount Etna. While this great eruption occurs, major news will break regarding Italy. Major exposures are coming out not only regarding the Vatican but also concerning every person that helped with a big lie in 2020. I will expose underground tunnels for what they are.

People hid chips from the world to cause mass chaos and shortages. They were stockpiling them up. Reports will expose these facts and show the world these hidden contents in another cargo ship.

My children, they make a big deal about oil prices. Do not listen. They are using their words to instill fear and manipulate markets worldwide. They are trying to figure out the best plan to destroy the rest of you so they can make the most profit without these situations affecting them in any negative way. So they are creating a crash.

What's the truth about Russia, Lord? I told you, My children, all is not what it seems. I have told you this now for a while. The truth in Ukraine will reveal what was planted there to start this chain of events. The doors are open, wide open for the truth to pour out.

Your military has stumbled upon more truth in that land. It needs to be dealt with to stop this One-World Government, to stop them from having complete control. My children, know that I am in control in this hour and these days, no matter what happens or what is exposed.

In the year of 2022, Your rightful President is being restored to power. It comes sooner than you think. Don't stop now. Don't give up now. The time has come for Restoration in this land and to all the nations worldwide. So hold on, My children, it might appear bumpy, but your victory is at hand, and it is your time to celebrate, saith the Lord of Hosts.

THE URGENCY OF THIS HOUR

Date Word Received: March 17, 2022

Mass casualties, massive deaths: these words will be in your news. A plan backfired; a bioweapon meant to destroy you is now plaguing them. There will be a sign to look for: the death of a senator. He will suddenly die, and they will lie to cover it up. A heart attack or stroke, they will shout at first. But the truth will pour out when more collapse suddenly, and they do not get up.

A lightning storm will cause destruction to a level never recorded before. Fires and damages to buildings in specific places are not by accident.

Exposures will also be heard and seen, My children, in California and along the West Coast. Brace as the big one is about to be set off. I will miraculously move on your behalf and save you from this event. Yes, listen, My children. I am giving you instructions on what to do, where to go, and where not to go. Listen and obey. It is saving you from this destruction.

Many will die in these areas from destruction on a scale never known before. That's why, My children, these warnings are being told to you. There is nothing to fear for you. If you have loved ones there, pray, and I will honor your prayers and protect them. My Angel armies are sent to protect My children.

A massive tsunami will be reported from a large earthquake. My children, they set off this tsunami with explosives to cause chaos on purpose, ultimate destruction. Yes, they will say do it. We need any distraction we can. We have to stop them from coming and removing us. Do anything, start anything everywhere, so they pay attention to the disaster areas and not us.

Who, My children, are they? THEY are My military, your rightful president, the right people, and the right government that was formed behind the scenes. They are moving forward with My plans. They are listening to My instructions and obeying them. Yes, My children, there will be much destruction at one time: weather, natural disasters, economies, shortages, and inflation, but this is ending by My hand. It will all be annihilated like it was never there—brace for this, My children. Get in My presence. I will lead you, guide you, protect you, and of course, bless you.

A famous rock will be in the news. Yes, it is a well-known artifact. "How could this happen? It's been there for centuries," they will say. Yes, it will be destroyed by Me, saith the Lord. Stonehenge is the name of this rock. Watch, My children. Watch and listen. I have given this to you to encourage you and let you know these words are from Me, saith the Lord.

I am moving My hands swiftly. Things are about to change abruptly. So be watchful. Pray, My children, and obey My words. All will be okay with you, saith the Lord your Redeemer.

IT'S ALL COME TO A HEAD

Date Word Received: July 24, 2022

[Watch video](#)

For I, the Lord, this day am telling My children to start taking their authority back on this Earth. You have been given this authority through what Jesus has done to destroy the power of the enemy. He took the keys to hell, death, and the grave, and He has given that authority to you. He has already defeated

your enemies. See your enemies as that- **defeated**. They may appear like giants. They may appear powerful, but **they are nothing**. Their power has been stripped away from them. See them in this way because I have already taken it from them.

I have told you before this is fake, a facade of what is really going on. Everything they do is scripted, and I will show their scripts to the world. It's a puppet show. I told you before they are just puppets to the New World Order. **Their New World Order is finished**. It's not for now. Your time is now. My time is now, and they can't change that **no matter what they are preparing to do**. Remember what I have told you before, **they always fail, and I always have the final say**, saith the Lord.

Heroin: this word will be in the news. See who is being charged and got caught red-handed. This will surprise many, but this is just the beginning of exposing the serpent's nest where they have hidden all their dirty secrets and their underground world that they won't be able to keep a secret any longer.

A sex-trafficking ring is about to be in your news, just one of many that will be exposed and destroyed. Yes, My children, I am saving the little children from the hands of all the predators. Be prepared to hear things you never thought you would hear - Sodom and Gomorrah but even worse than that because it's all over, not just in one place. I am raining down judgments on the people who have committed these crimes who refused to repent, and **none will be left standing**, saith Lord of Hosts.

Firefly: this name will be in the news for a reason you wouldn't have thought of. Movements are being made, big ones. So be prepared for what is about to take place. A shift has already started, and it is intensifying by the day. All you see now is almost over.

Chameleon: this word will be in the news.

"Sergeant at Arms": this phrase will be in the news.

Declassify: this word will be in the news.

Decertifications: this word will be in your news a lot. The dominoes have started to fall. States are starting to take action, and people that have been in power will no longer stay in power, saith the Lord.

Agony: this word will be in your news for something unusual it may appear like.

Catastrophic: this word will be in your news. **Many things may appear like they are going in the wrong direction, but things are not always as they seem to be.**

Moses: this name will be in the news.

Watch Egypt in this time. Something significant will take place there that will get the world's attention. Remember, things that happened in the first Exodus are happening again all over the world.

There will be another Passover-type of event in this Great Exodus as well. All the judgments coming will pass over My children. The Angel of Death will pass over My children. I am bypassing your enemies. Everything they have planned for you in this day, I am knocking down to the ground. You will hear them scream in shock and fear of **what has happened to them that was supposed to happen to you**. I've told you before about the great harvest they are receiving for the destruction they have sown.

Your enemies are finished, saith the Lord. Their power is finished. Their time of ruling is over. Their financial prosperity, the hoarding of it, and controlling the world with it are over. This is the time of a great shaking to shake you loose of their control, to shake and destroy the shackles they put on you. You are no longer their slaves or subject to their rule, saith the Lord of Hosts.

"Carbon footprint": this phrase will be in the news. Don't listen to yet another lie from the serpents who

planned to use against you, something you wouldn't have thought of. It won't work. Every lie, every deal they have made with each other will be crushed and disintegrated to a point like it never existed. I am wiping out all of their plans.

General Milley will announce a sudden retirement, not one by his own choice. Watch as more generals walk away saying they are retiring; it may look like. But it's not by their own choice. My hand is moving and cleansing your military of weasels, rats, thieves, and liars who were paid to make decisions against you, oh United States. They turned their backs on you for the power and money they were paid from by this fraudulent government and China. Oh, United States, China infiltrated your Pentagon in a major way, and I am removing all the infiltrators and traitors of this Nation. Watch as generals start to fall. They will lose all the medals and honors they had previously received, whether honestly earned or earned because they were paid to do certain jobs they should never have done. **A shake-up has already begun in the military, and you will start to see it now in the news,** saith the Lord of Hosts.

Lindsey Graham: I have warned you, and I gave you time to turn back. You are now stuck with the decision you have made, and you will regret it. You should never have turned your back on Me, and everyone like you will be sentenced and judged for their crimes against this Nation. Your time in power has come to an end, saith the Lord.

Disgrace: this word is about to be heard a lot in your news from TV, entertainment, people in your government, businesses, corporations, banks, even churches, and certain denominations. **It has come to a head. It is finished,** saith the Lord.

"Clash of the Titans": this phrase will be in your news.

A badger will be in the news.

My children, it is coming to a close. It is coming to an explosive place, so **get with Me and receive more of My Glory. My Glory shall protect, shield, lead, guide, heal, and restore.**

Good days are ahead for My children. A great life you shall experience to a level never thought possible. It is all coming faster than you think, so **shout and start to celebrate your victories,** saith the Lord Redeemer.

THE SWAMP IS BEING DESTROYED

Date Word Received: January 3, 2023

For I, the Lord, this day am telling you in 2023 things are about to look very different. Yes, changes are being made. Governments will fail and fall, governments will be overthrown, and many leaders around the world will not survive the Angel of Death and the days of Haman. This is the year for a great harvest to be seen. A great harvest of destruction your enemies caused for world control. For every seed sown, they will reap an abundant harvest, and for them, it's a great harvest of devastation, calamity, and destruction.

My children, I say again, do not fear this year because it will change the things you see, and it will grow in intensity. The beast system is falling. Call it down. Say it- the beast system is falling today. My children shout it down and shout it loudly. It doesn't have the power to stay.

Do not submit to fear. Do not submit to oppression. Do not submit to their lies. Do not submit to their

governments. Do not submit to unjust laws. Do not submit to their elections and their supposed control. Do not submit to sickness and disease. Do not submit to lack. Do not submit to their man-made shortages; there are no shortages. It's a lie. Do not believe this anymore. Do not submit to their inflation. Do not submit to their economy. Do not submit to their tyranny in any way.

My children, this is the time to march, declare, decree, war, fight, and take back authority and territory that belongs to you. It's not over. They will not succeed. They will never win. They are defeated. My Name and My power trump theirs. I will remind you that I live in you. Say this today- nothing is too impossible for my God, and He lives in me. I declare my victory. Say this until you believe it, My children. Shout today like never before. It destroys the power of your enemies.

Their walls of protection are down. Their walls of corruption are falling. Their power is powerless against Me. So take back your freedom. Take back your nations now, saith the Lord your Redeemer.

Jerusalem will be in your news for a significant reason.

Jurisdiction: this world will be in your news for a surprising reason.

My children, I am telling you this again, people are collapsing on live TV, and it will continue more and more. They will try to hide and cover up the reason but get ready for the explosion of truth about all of these deaths. Your enemies' narratives and lies will no longer continue, and they will no longer dominate the airwaves. My truth is taking over the airwaves, saith the Lord of Hosts.

Bureaucrats: this word will be in your news for a shocking reason.

My children, the swamp is being destroyed. Yes, I said the swamp- the deep state, the criminals, the globalists, the elites- whatever you want to call them. Truth is coming. Exposures are coming that they will not see until it's too late. They cannot stop what is coming. My hand is removing all who are against Me out of Washington, saith the Lord of Hosts.

Something significant will take place near the Euphrates River that will get the world's attention.

The Middle East is about to shake like never before. Truth is coming to dismantle their army and their plans against Israel and the United States. Nothing will prosper against My Nations. What your enemies are plotting and planning to do next will not succeed, saith the Lord.

My children, get up from defeat. I know many things look to be going in the opposite direction of prophecies and how you have been praying. This is so you will quit. Your enemy, the devil, tries everything he can to discourage you when you are on the right track and saying and doing the right things. That is why I have told you to focus only on Me and not what you see. This is important for the year of 2023, saith the Lord of Hosts.

A great shaking will occur in Africa. It's not a shaking like you think. You will know it as soon as you see it.

Nova Scotia: major news is about to break out of this location.

A major discovery is about to be announced from Antarctica.

Blemish: this word will be in your news for a surprising reason.

Mark Meadows will be in your news for a significant reason. A major cover-up will be exposed.

Another mishap will happen to a cruise ship. Many exposures are about to take place regarding the cruise industry.

Everest: this name will be in your news for a significant reason.

A significant earthquake is about to shake, and it will get the world's attention. Great devastation will occur. I told you, My children, to start praying because what can be shaken will be shaken. Your enemies are causing some of these things to create a great distraction from what is coming for them, saith the Lord.

Quarantine: this word will be in your news for a shocking reason. Truth is coming out everywhere.

COVID will be fully exposed. Everything your enemies planned will no longer stay in the dark and hidden from the world. The resistance is growing. People are waking up, and more people are standing up.

My children, call every lie to be revealed and every lie holding you captive to be destroyed. These are your days of deliverance, so receive them now, saith the Lord your Redeemer.

A WARNING OF WHAT IS TO COME

Date Word Received: January 18, 2023

My Children, get prepared. Not only will you see My Glory, revival, and things that I have never done for mankind before, but you will also see great death, and that is what you need to be prepared for. There is a wave of unprecedented death coming. I need My Church to be prepared! I need you to build up your faith, so when people come, and they will come running because the world will look so dark, evil, and upside down, you are able (prepared). My Church, My children, that's when your light will be magnified, and My love will be glorified. I will shine My light through you in the midst of the death and the evil. My goodness, My blessing, and the life that I have will be poured out and manifested even more because My grace is sufficient for you.

So, I told you, this is the hour when **they will come running**. They will come running into your churches, and they will not be big enough. Prepare for those stadiums because there will be so much death all over the news at the same time. **I will raise people up that will do My Will and will be used by Me for more miracles**. Limbs will grow out, blind people will be able to see, deaf ears will open, and people in wheelchairs will no longer have to stay in them. **I am asking you today, are you ready? Are you ready? Saturate yourselves in My Word and prepare your hearts because some people's hearts will fail them because of what's about to come on this Earth.**

Now, this is nothing to fear. Remember, I am saying this again- **there is nothing to fear, for I am here, and I always will be.**

In this time, the ground will shake, the Earth will quake, the weather will seem unprecedented, economies will fail, and markets will crash everywhere. **This is Me bringing in My Kingdom, bringing in the system that I have for you, and it is the death of a man-made, godless system.** Remember, this is only temporary. **This is only to bring in the great harvest of souls.** I have told you to be prepared for the financial turnarounds and the wealth transfer. Call in everything I have put in your heart. Do not, and I say this again, **do not limit Me** because what I have for you is **limitless**. The reason why **I have to warn you and prepare your hearts now is because of what you're about to see**. So be with Me, and you will be in glee. You will be in laughter when so many people are in sorrow. **I'm bringing you this unprecedented joy** because you will have to hear and see things that most people would not be able to bear. This is the church that I've chosen for this time. This is My Body that I need for this time.

So be prepared that where there is death, **life will be even greater.** Everything your enemy is doing, no matter the magnitude or how bad it is, I am greater than he is, and the world will know it. Your enemies will soon know that I am the God of Abraham, Isaac, and Jacob. **I am the God who released My people from the grip of a monster. I see the monsters of today, and they are multiplied.** I will deal with them the same way I dealt with Pharaoh (from Moses' time). So do not fear what they're about to do. But be prepared for all those families that will be dealing with grief. **I need you to get with Me so you can show Me to the world. The world needs My children.** They used to turn away from you and mock you, but in the midst of this, **they will turn toward you,** and they will come running.

So, My children, be prepared for what you are about to hear, see, and experience. You will be like My Goshen. These things **will not** harm you, and they will not affect you. But you still need to pray and spend time with Me for My Glory to fall. My Glory- cherish it, expect it, and receive it. Expect and receive, increase, increase, increase, and more increase. I will do mighty works for you that you never thought were possible. My children will raise people from the dead in unprecedented numbers. So, in this day, year, and time remember, 2023 is 2020 free. 2020 free, not three, but free. Free from everything that's held you back, every torment, every torture, every prison cell, and every chain. Remember, free! Say it, declare it, and decree it every day- freedom. Freedom is yours, and freedom is now, saith the Lord.
