

Faith

Prophecies and excerpts from Julie Green Ministries

<https://www.jgminternational.org/>

For I, the Lord, this day am telling My children to continue to fill themselves with My Word because it is the truth. It will set you free, and it brings joy. And the joy of the Lord is your strength. You need to use the sword of the spirit, which is My Word, against your enemy and his attacks. He has nothing to defend himself with when you use My Word in faith. He will run in stark terror because he can't deceive you into believing his lies anymore. You are heavily armed soldiers in the army of the Lord, but you are also **heavenly armed- armed with My Glory, armed with My Name, and armed with My Word. Your adversaries are defenseless against a child of God who has faith, is armed with My armor, and walks in My wisdom, knowledge, and understanding, knowing you are not alone.** (Aug 14, 2022)

For I, the Lord, this day, have been speaking these words to My children to bring hope, encouragement, and determination to outlast your adversaries in these days. In the upcoming days and months, many people will be tested in their faith for what they see because they have not listened to the prophets or they haven't believed what they are saying. Trying times lie ahead for those who are consumed with doubt and unbelief. (Feb. 13, 2022)

For I, the Lord, this day give these words to strengthen your faith and trust in Me. You will hear of a great war and crashing markets. Fear will grow in the hearts of many, but, My children, stand your ground. Know I am shielding you, protecting you from the coming Judgment. It will erupt worldwide but only against your enemies. This war, they desperately wanted, will not turn into World War 3. Not at this time. (Mar. 9, 2022)

I am the God of surprises. I am the God that is faithful to My Word. I said I would always cause you to triumph, and that will never change. What I am about to do for you, you could not dream up the way I will do it. No, it will be bigger, better than you can imagine. I am the Great I AM, and I am for you. So who can be against you? (May 19, 2022)

So again, I say, My church arise, My church wake up, My church use My Authority and **have faith in My Name. Have faith in My Blood** that is **more powerful** than the things you see. **Nothing is more powerful than Me**, saith the Lord your Redeemer. (Dec. 31, 2022)

WARNINGS AND THE COMING VENGEANCE ON THIS EARTH

Date Word Received: February 15, 2022

I, the Lord, this day, am here to deliver and set all the captives free. I have promised you this in My word. I do hear the cries of My people. I will deliver them out of all. All what? Everything that has been afflicting you: every ailment, all pain, all torment. Everything that came from satan. You asked ‘Lord how is this possible? How can you do all of this? And why now?’.

Look in My word in the Book of Exodus, and get your faith up. I have done this before, and I will do it again. I am no respecter of persons. I am the same yesterday, today, and forever. I freed My people, the Israelites, out of the hands of Pharaoh and all of the Egyptians. But, first, I set them free in their bodies and in their minds, making them completely whole to freely serve Me. After that, they all had the choice to serve Me or not. Some chose to murmur, groan or complain, and eventually, they forgot what I had done for them. I knew they would but still saved them and gave them every opportunity to turn from their wicked ways and repent. They refused no matter how much I did for them.

This will happen again in the great Exodus. Some will forget what I have done for them and this Earth with My mighty hand that moved to judge and set the world free. My children, there are some, no matter what, who will refuse to believe Me and will fall for every trap and every wind of Doctrine that man puts out there to discredit Me. I will never be enough because they believe the serpent.

I am WARNING My body: if this is you, get right before Me now as the door is closing. Turn back because your adversary has his grip on you which you won't want to get away from. Yes, the choice is yours to stay free. I am freeing My body, but some will choose to turn back.

So, My children, get right with Me now. Stay focused on My Word. Praise and worship Me like never before in order to stay free in this hour and to receive My Glory like never before. I am pouring it out like never before. So take it now. It is yours.

Trudeau: these are your final days of power. ‘A Hiatus’ they will call it. Ha! I know they are trying to save you from death. They will help you hide from your country, but it won't work. I have people in place to take you down and expose you. “Treason” they will scream, and you will be tried for it and everyone with you.

To My children in Canada, I have not forgotten you. I am setting your nation free from these evil rulers. They won't stand before Me. Anyone who stands against Me will fall, and your government is no exception. So keep standing for your freedoms. Shout out against tyranny. Those walls are coming down just like the walls of Jericho along with any ungodly ruler that put those walls up and enslaved you.

Those rulers know the damage you are causing to them. That is why they want to lock you down, shut you up and try to use their type of martial law to paralyze you with fear. It is because they, themselves, are in so much fear. It is because they are losing control of the narrative they used to enslave you. Arise, O Canada. Do not back off. My Angel armies are with you, and your enemies will fall just as did the Pharaohs of old in this hour.

Taiwan: there will be news regarding you, news of a massive typhoon. Yes! ‘Unusual’ they will say. The size of the storm coming for you is another sign to watch for. To My children who live in Taiwan, do not fear. I am your protector, and I will protect you from this monstrous storm.

Sweden: there will be breaking news coming from your country about a volcano. Yes! A volcano will erupt in a major way. This is a sign to My children and a sign to your enemies that I am causing eruptions all over the world they can't control.

Shout, My children: 'Let My people go'. Yes! Be in agreement with Me, saith the Lord of Hosts. I am bringing down the One World Government. As I have said so many times before, it is not that time.

To ALL enemies of Almighty God, you have no power against Me, and you will all fall to your own sword along with the Angel of Death. It is not coming. It is here now.

Major breaking news! More deaths will occur in Hollywood and in your government. This can not be? What is causing such deaths? This will be asked and spoken all over. You will hear about the death of a well-known news anchor, but given no explanation as to what caused it. Another one will drop dead on live TV even as they are lying through their teeth. Yes, they lied and died on live air. I will not stand for that lying serpent who is controlling the narrative in this nation to control this nation any longer. No more will I stand and watch fear enter into peoples' houses or their minds because of your new stations. I am bringing down all who stand against you, children of Almighty God, and those who stand against Me.

MSNBC: you will experience bankruptcy. Yes, you are falling just like CNN and so is your parent company, NBC, for the disgusting filth that has come from your stations. You brought such fear, death, and confusion. Your judgment in this hour is great. Even the elites can't save you because I am the One against you.

Concerning Russia: My children, I have told you before you will find out what side Russia was truly on. It is not what you think. I have people there playing a part against the fraudulent government. They are playing a part to bring them down. They have been recording the plotting against Biden and Obama. They, too, are on the side of Trump. Some will say "God, this can't be!". Yes, it can be as they don't want the One World Government until they are strong enough to rule. They want more time because they don't want Obama in control over them.

Yes, there are many things you will not understand right now, but, My children, you will see this all play out exactly how I have spoken. I do give you My news before the news to show you I love you, and that what I am saying through My prophets is true.

So you choose which side you are on. The hour has come to choose. No more standing on one side along with the other. No more 'straddling the fence' you would say. No longer can this take place. Things are intensifying, and there will be eruptions everywhere: spiritually and naturally.

Before this breaks wide open, choose, My children. Choose the side of Victory and Truth. My Word is Truth. I am love. I have put all of you here at this time all at one time to be a part of the greatest church ever on this Earth. Revival, Fire, Glory, and Miracles I am doing like never before in history at least not to this magnitude. So rejoice. I am here for you and your time of deliverance is now. Your freedom is at hand. All will change suddenly, My children for you, saith the Lord of Hosts.

REVERSALS ARE COMING

Date Word Received: Sept 9, 2022

[Watch video](#)

For I, the Lord, this day am telling My children once again to get ready for change. **Change is coming** in a way no one expected, along with how quickly everything you know to be normal will suddenly change.

Things have to change, My children, to set you free from this society of political correctness, deception, slavery, financial oppression, and such sickness and affliction. Most people are just surviving every day instead of thriving in the way I intended them to live.

These are the days My hand is moving, and the world will not only take notice but will usher in My Glory and the great harvest of souls. **This is a time for revival, no matter what your five physical senses want you to believe.** They want you to believe that the opposite is taking place, that the world is ending, and that things are too impossible to change. Some people are even saying, "things are just too impossible to change. God has forsaken us. We are left here to deal with these people on our own. Our country is doomed." And the list goes on with what some of My children are actually believing. **I clearly state in My Word to walk by faith and not by sight, and this is why. Satan deceives with sight. You believe what you see, and you can easily be deceived.** Watch Me change things so fast that it will be hard for people to believe at first. No one will know My next moves and what is about to take place to deliver My nations and all the nations on this earth.

Catastrophic damage has taken place against your enemies that can't be denied, and they can't recover from this. Their One World Government is coming down at this time because their time is not yet.

My children, I am your deliverer, and I have promised this. That is what I am doing, and you will soon see that this is true. **I have not forsaken you, and I never will,** saith the Lord your Redeemer.

Roswell: I say this name again because there is so much more coming out about this name. Many things will be revealed out of this location that will shock you, saith the Lord.

The word indictments will continue to be in your headlines. **I say this again to remind you that the ones that are threatening this are actually the ones who will be plagued with them, and they will fall for their treasonous acts.** No matter what the news is indicating right now, do not believe what they are doing or saying. I will prove that they have nothing. **They are the ones who will be indicted for all their crimes, and no one else will be wrongfully accused or wrongfully imprisoned for what your enemies have actually done,** saith the Lord of Hosts.

Wimbledon: this word I say again will be in your news. More and more will come out regarding something that has been hidden, but it is now going to be revealed, saith the Lord.

Outcast: this word will be in your news. I say this word again because you need to listen and see who they are saying this about. More is being given away, saith the Lord.

Acupuncturist: this word will be in your news.

Dynasty: I say again will be in your news for a significant reason.

Eggstone: this name will be in your news.

"Brokered deals": this phrase will be in your news.

Erroneous: this word will also be in your news.

A comet will be in your news for a significant reason it will appear like.

Blackouts will continue to be in your news, and soon you will see why this was so significant to what you are seeing right now.

Broadway will be in your news.

Hastings: this name will also be in your news.

Watergate: this word will be in your news yet again. **Watch your enemies overplay their hands.** They tried to implicate someone else for the crimes that they actually committed, but they will accidentally prove that they are the ones who did it. **Nothing they have done will go unpunished,** saith the Lord of Hosts.

Ecuador: this country will be in your news.

Standish: this name will be in your news.

The landscape of a nation will abruptly change. You will know it as soon as you see it.

Scottsdale: this name will be in your news.

Everclear: this word will be in your news.

Another train derailment will occur and be your news.

Unequivocally: this word will also be in your news.

Another well-known news anchor is about to walk away, but not because they wanted to. The truth will soon come out about what they were trying to hide.

Jocelyn Benson will suddenly step down from her position. By doing so, she thinks she is in the clear for all of her crimes. She will fall even greater and take more people with her, including the Governor of Michigan, Gretchen Whitmer. Explosive evidence is about to come to the surface. It will show this Nation how dirty and evil they are and also what big liars and how fake they both are. Jocelyn and Gretchen, you treasonous snakes, you will pay for your crimes, and so will everyone who played parts to help you out by stealing many elections. **But all that was for nothing, because reversals are coming,** saith the Lord of Hosts.

Reversals are coming in many states and many countries. Brace for it to get bumpy; it may look like for a very short time while these removals start to take place. **Nothing will stop what is coming to your enemies, their fake governments, and their power over the world.**

My children, it's coming quicker than you think. Brace for change. Brace for silence and reversals because I am tearing down governments and bringing back the ones that should have been in control all along. Celebrations are coming, so get ready to dance like never before. Laugh and shout because your enemies' final takedown is here, saith the Lord your Redeemer.

GREAT MILITARY MOVES ARE ABOUT TO BE SEEN

Date Word Received: October 22, 2022

[Watch video](#)

For I, the Lord, this day am telling My children to celebrate the fall of your enemies, their system, this fraudulent government, their news stations, their court systems, their education systems, and their medical industry. Celebrate your freedom from their slavery, and celebrate My hand moving.

Everything they enslaved you with is about to fall suddenly. My children, **I am the Great I AM, and none of this is bigger than Me. None of this is impossible for My plans to override, overthrow, and wipe out all of their plans. My children, no one can stop, change, or alter My Will. This is the time for their end.**

My children, shout these words: I am free to serve God. I am free in every area of my life. I am free from this Babylonian system. I am free from their chains of the One World Government. I am free from the sickness and pain their food and medicine have caused. I am free from the stress and fear they caused, to cause an unlimited amount of diseases. I am free from that fear. I am free from their deceptions and lies. I am free from their economic system that held me captive, because God is My provider, and I always have more than enough. I cannot be defeated because Jesus won my victory.

Lord, we thank you for this time, for a new opportunity to live for You freely. Lord, we thank you for everything You have done and what You are about to do. We will not focus on what the world wants us to focus on, what the enemy wants us to dwell upon. I trust You even when I can't see it all, because You have won it all for me, and I believe You more than anything else in this world.

My children, shout these Words. Get them down into your heart. Let them become a war cry every day, instead of the thoughts your enemies want you to dwell on and every lie he tries to overwhelm you with. No, focus on Me. Focus on My Words. Focus on Jesus and the price He has paid. **Focus on Satan's defeat. He is defeated, and so is everyone with him. So shout it every day. All who are against Me are coming down,** saith the Lord your Redeemer.

A giant swell will be in your news for an unusual reason in more ways than one.

Anjelica Huston will be in your news for a very surprising reason.

A building collapse will be in your news. Pay attention to the location where this takes place. More events will happen there that will expose more of the deep state.

My children, I told you I have infiltrated the infiltrators, and more whistleblowers are coming forward with proof that will turn this fraudulent government on its head. **Nothing can stop the collapse of Washington, D.C. itself or what it stands for,** no matter how hard they try or how much money they throw at it. **My army is moving closer and will take them all out of their positions of power.**

My children, **My government controls this Earth, not man's.** So watch Me move My hand across this land and the nations to deliver you out the hands of the enemies, saith the Lord of Hosts.

The Tigris River will be in your news for a surprising reason.

The Euphrates River will also be in the news and will be shocking and unusual.

Rolling blackouts will be reported all over. Why they are taking place is not the reason the news media will tell you. **There are substantial moves being made against this fraudulent government's**

removal. Military action is taking place.

My children, I will say this again, **arrests are now being made.** Your enemies can't hide much longer the fact they are failing to deceive this world into thinking they are in control. They absolutely are not, and I will show you this is true, saith the Lord of Hosts.

My children, someone well-known in the party of the blue is about to die unexpectedly. It will shock you who it is. They tried to keep her alive, but the time of judgment is here, and their procedures that worked before to help keep people alive aren't working anymore. You will see more of them start to drop like flies. They can't withstand My hand or My judgment, saith the Lord of Hosts.

"A great discord": this phrase will be in your news for a surprising reason.

A chateau will also be in your news for a surprising reason.

Cassidy: this name will be in your news for an unusual reason.

Turkey: I say this country's name again. Something significant is about to take place there. Watch! I told you things hidden there are about to be released.

Cambodia will be in your news for a surprising reason.

A major volcanic eruption will be in your news reports, and it will get the world's attention because of how unusual it is.

So, My children, get ready for the shaking to intensify. Things will begin to change suddenly, but do not fear or be unsettled at what is about to be seen. Remember whose side you are on- **I will never fail you, and I never lose. So stand in faith on My Word that I am your deliverer, and I am delivering you from your enemies.**

Changes are about to be seen everywhere in all governments. **Great changes are happening because a great move of My military is happening all over this world.** Receive that **this is the time of revival and the time of My Glory**, saith the Lord your Redeemer.

(HEARD MORE FROM THE LORD LATER THAT MORNING)

My children, **no longer** be deceived. **No longer** accept defeat. **No longer** lay down and quit. **Stand** on My Words and **watch** how fast your enemies scatter before you. **Take** My Authority that I have given to you. **A high price was paid for that gift.** It was the blood and the sacrifice of Jesus Christ. **So stand for Him. Stand on the price that was paid for you.** See your enemies defeated. See yourselves as more than conquerors because that is what I have made you to be.

This Earth is Mine, and I have given it to you. **No longer let them control you or enslave you, as they do not have the power or the authority to hold you hostage.** Take what is yours this day, saith the Lord your Redeemer.

A WARNING OF WHAT IS TO COME

Date Word Received: January 18, 2023

[Watch video](#)

My Children, get prepared. Not only will you see My Glory, revival, and things that I have never done for mankind before, but you will also see great death, and that is what you need to be prepared for. There is a wave of unprecedented death coming. I need My Church to be prepared! **I need you to build up your faith**, so when people come, and they will come running because the world will look so dark, evil, and upside down, you are able (prepared). My Church, My children, that's when your light will be magnified, and My love will be glorified. **I will shine My light through you in the midst of the death and the evil**. My goodness, My blessing, and the life that I have will be poured out and manifested even more because My grace is sufficient for you.

So, I told you, this is the hour when **they will come running**. They will come running into your churches, and they will not be big enough. Prepare for those stadiums because there will be so much death all over the news at the same time. **I will raise people up that will do My Will and will be used by Me for more miracles**. Limbs will grow out, blind people will be able to see, deaf ears will open, and people in wheelchairs will no longer have to stay in them. **I am asking you today, are you ready? Are you ready? Saturate yourselves in My Word and prepare your hearts because some people's hearts will fail them because of what's about to come on this Earth.**

Now, this is nothing to fear. Remember, I am saying this again- **there is nothing to fear, for I am here, and I always will be.**

In this time, the ground will shake, the Earth will quake, the weather will seem unprecedented, economies will fail, and markets will crash everywhere. **This is Me bringing in My Kingdom, bringing in the system that I have for you, and it is the death of a man-made, godless system.** Remember, this is only temporary. **This is only to bring in the great harvest of souls.** I have told you to be prepared for the financial turnarounds and the wealth transfer. Call in everything I have put in your heart. Do not, and I say this again, **do not limit Me** because what I have for you is **limitless**. The reason why **I have to warn you and prepare your hearts now is because of what you're about to see**. So be with Me, and you will be in glee. You will be in laughter when so many people are in sorrow. **I'm bringing you this unprecedented joy** because you will have to hear and see things that most people would not be able to bear. This is the church that I've chosen for this time. This is My Body that I need for this time.

So be prepared that where there is death, **life will be even greater**. Everything your enemy is doing, no matter the magnitude or how bad it is, I am greater than he is, and the world will know it. Your enemies will soon know that I am the God of Abraham, Isaac, and Jacob. **I am the God who released My people from the grip of a monster. I see the monsters of today, and they are multiplied.** I will deal with them the same way I dealt with Pharaoh (from Moses' time). So do not fear what they're about to do. But be prepared for all those families that will be dealing with grief. **I need you to get with Me so you can show Me to the world. The world needs My children.** They used to turn away from you and mock you, but in the midst of this, **they will turn toward you**, and they will come running.

So, My children, be prepared for what you are about to hear, see, and experience. You will be like My Goshen. These things **will not** harm you, and they will not affect you. But you still need to pray and spend time with Me for My Glory to fall. My Glory- cherish it, expect it, and receive it. Expect and

receive, increase, increase, increase, and more increase. I will do mighty works for you that you never thought were possible. My children will raise people from the dead in unprecedented numbers. So, in this day, year, and time remember, 2023 is 2020 free. 2020 free, not three, but free. Free from everything that's held you back, every torment, every torture, every prison cell, and every chain. Remember, free! Say it, declare it, and decree it every day- freedom. Freedom is yours, and freedom is now, saith the Lord.
