

WW III – It's Not Happening God Won't Let It Happen!

Prophecies and excerpts from Julie Green Ministries

<https://www.jgminternational.org/>

They want world destruction. Your enemies even contemplated using nuclear warfare to put the world in panic and fear.... Submarines will be exposed in your waters. They were about to strike your nation with war, a war your fraudulent government wanted.... They are thinking of using anything possible to stop their fall and to stop what they know is coming, which is Me and My Army, which they can not defeat. (February 12, 2022)

War? Yes, they want an all-out war.... For I, Lord, this day, am making an announcement to My body. I win, and your Victory is at hand.... Your enemies all lose... (February 25, 2022)

This war, they desperately wanted, will not turn into World War 3. Not at this time. (March 9, 2022)

There was a war they wanted. Well, they are getting a war like no other but a war they didn't want. This will destroy them all. World War 3, Lord? No, a war in the heavenlies that has destroyed their power, all the demonic walls, and all the protection they thought they had. There has been a war in the spirit, and they lost. (April 7, 2022)

I told you there is a civil war in this Nation behind closed doors, and it is now spilling over onto center stage. (May 22, 2022)

A military will be seen rearing its ugly head and threatening the world. Do not listen. This is just a distraction, a tactic to bring the world to its knees through fear. This war will not happen yet. Their plans will not succeed. Their power will be destroyed. (June 17, 2022)

Your enemies are desperately trying to start wars all over this Earth to stop their fall and distract the world from the truth that is about to bring them down. But their wars won't work. My hand is taking them all out, saith the Lord of Hosts. (Aug. 19, 2022)

"War," your enemies will keep shouting, and they will keep pursuing it, but **do not fear what they are trying to do.** I am cutting off their plans. I am cutting off their lines of communication. I am cutting off their power and ability to start this world war. (Oct. 5, 2022)

I am telling you the war they are trying to start will not take place. Their distractions will not work. They will not kill. They will not get what they so desire. They will not take over or take down My nations. (Oct. 6, 2022)

This is not just a war to take down My United States or Israel. It is a war to take over the world, enslave you, steal from you in every way they possibly can, and murder you. (January 12, 2023)

ERUPTIONS AND EXPLOSIONS ARE TAKING PLACE AT ONE TIME

Date Word Received: February 12, 2022

For I, the Lord, this day, have been speaking of your victories and the days of Glory and Revival upon this Earth. Many of My children still wonder how this is possible with your enemies dominating this Earth. My children, who said they are dominating this Earth? You think that because of what it looks like and because of what they're saying or doing?

My children, have you ever thought they are playing right into My hands? They are doing exactly what I knew they would do, and I have people all over this Earth catching them in the act with all their secret plans of destruction and world control. Yes, I have given the evidence to exactly who needed it on this earth to use for divine appointment with perfect timing and to do ultimate destruction and damage to your enemies' plans that they will not recover from.

I am The Great I AM. I see everything. I knew from the beginning of time that your adversaries were going to do this very thing. I have outsmarted them concerning everything they have done. I set traps everywhere before they began scheming and making up their plans. They can never outsmart Me, saith the Lord of Hosts.

A clock tower will be destroyed in this hour, the one known as Big Ben. This sign is for Prince Charles and the rest of his team that they are coming down just like that. There is no more time for messing around with these people. They want world destruction. Your enemies even contemplated using nuclear warfare to put the world in panic and fear. They are thinking of using anything possible to stop their fall and to stop what they know is coming, which is Me and My Army, which they can not defeat.

My children, the intricate details, the giant web they wove in your voting system is all being uncovered. Every business, every person, all the countries, and every state that joined in will be knocked down to the ground. To all governors, Secretaries of State, city workers, and every poll worker, I am coming for you, and to all who have no remorse or refuse to repent, none will be left standing in this hour of judgment. To those of you that are holding out thinking you can hide and thinking that others will take the fall because you are protected, well, you are not. I have seen all and know all. Judgment is about to strike this Earth.

You Know Who You Are. I have warned you and told you to repent. I have given you time. They have all the evidence they need to try you for treason. To every person that took part, there is audio and video footage. There were spies all throughout every state and county. You all thought after that ridiculous excuse of an inauguration you were okay. Well, you are not. The ones who hired you are thinking of getting rid of anyone they don't trust to keep their mouths shut. You are one of them. So stand up and come forward now. You know who you are. You know where to go. So run as your door of repentance is closing.

There will be many more whistleblowers from the company called Dominion. They had to stay in the background, and their footage and testimonies couldn't come before now. Watch and listen for more flash drives all over the place.

To Arizona and all of its officials, your green light is now. So go and do it. It is time to act.

Concerning Pennsylvania, major news is about to break. Evidence will come forth, and a judge will stand up and hear the cases to overturn those elections.

The devil did go down to Georgia, but My people caught you in the act. Governor Kemp, I have

warned you but you stood alongside the Red Dragon thinking you would be safe. You are not. I have everything, and all who are with Me have everything they need to try you for treason. Your life as you know it, Brian Kemp is over.

To Secretary of State, Brad Raffensberger, you are a snake in the grass. For your attempts to lie, cheat and steal, along with what you did with that phone call with Trump that you are now threatening him with in court, you are about to wish you had never done that. For I, the Lord, have evidence coming forward with you saying and doing your little plan to oust him. You had a script and a part you played to get him to say specific words. Trump knew that all along. You played right into his hands. He has you on video and audio devising your plans, with Kemp and anyone else in your state including Stacey Abrams, to steal that election along with many other races in that state including the Senate race. Yes, all has been recorded, and all the evidence will now come to light. There is more than you could have imagined. It was stored up for now.

Watch for breaking news regarding Brazil. Be watching and listening, My children. This weather phenomenon is another sign of shaking occurring on this earth like never before.

I told you, My children, more news regarding the Ring of Fire is about to break forth in the news with major earthquakes and volcanic eruptions occurring at the same time. I am shaking things up, and that time is now!

There will be a tidal wave off the shores in the east, not one ever seen like this. They are doing things in your waters off the east coast to cause eruptions and tsunamis. Yes, underwater explosives to cause major damage and destruction off the eastern seaboard. Do not fear as it will not happen the way they want it to.

My children, know this: I have seen and know all things they are doing. I will lessen the effects and stop them in the act. What they have sown, they will also reap. Submarines will be exposed in your waters. They were about to strike your nation with war, a war your fraudulent government wanted. I am making them come to the surface to expose their evil plans. My children, if you could have seen before how dark and evil all their plans were, you never would have fallen asleep, but then your victory wouldn't be as great as it is about to be.

Major exposures regarding Trudeau are about to break open the floodgates of truth in Canada. Their worst nightmare is coming to pass. I had people that infiltrated their government and caught all of them in the acts, and they, too, have the green light to move forward.

There will be justice and victory for my son, Arthur Pawlowski because they used him as an example. Listen, My son, I am exposing their dirty plots against you and vindicating your name. You are another Joseph in this hour. Your life will be changed in one day, and one day is all I need, My son. You will rise higher, never to be taken prisoner again. All who imprisoned you will fall and be imprisoned themselves. Some will die by the Angel of Death. You are being vindicated now, My son, so hold your ground. The Great I AM is coming to deliver you.

A major weather event is about to take place in Australia. Australia, your deliverance is at hand. Your government is about to take a major fall. What you are experiencing now will not stand. So hold on and stand your ground. Freedom will reign in your land again. I am putting a righteous leader along with a new government for you in this hour that will work hand in hand with My son, Trump, and the United States of America.

New York, your Governor is being exposed for who she really is, a Jezebel, a witch, sent to enslave you. Your Mayor in New York City will be exposed and will take a fall he won't get back up from. A

cleansing will take place in your state and city. I will have the final say, and that demonic hold that was over your city is gone. So speak life into New York now. That is where your nation was dedicated to Me, and I have never forgotten that. But first, you will hear of a terrorist plot in that city. They want to try another attack bigger than 911 to paralyze your nation. I have people in place to stop it and to expose this plan before it takes place. Vengeance is Mine, and these are the Days of Reckoning on this Earth.

To California: Newsom, I have given you every opportunity to repent and to step down on your own. You refused. So now the world will see you exposed and see you fall for your heinous crimes in your state and for everything you devised to destroy or enslave the people in that state. I will also show the world your state was actually red not blue. You lied as did everyone that was with you, Newsom, especially Nancy Pelosi and Kamala Harris. I am opening the books, exposing all the finances you all stole from your state and your cities, and exposing how you purposely destroyed your cities to enslave the people of California. I am setting all of them free from all of your control and putting the rightful people in charge to clean up your state.

Gretchen Whitmer, you are being exposed for the Jezebel you are. You held your state captive for more power and more money which they padded your pockets with. I will expose you and everything you did that night of the 2020 election. Every county, every ballot, all the servers, and flash drives will be brought to the light, along with exposing your partner in crime, Jocelyn Benson. You will both take a fall from power and be tried for treason. Every person with you that helped you and refused to repent will be tried as well. Your days are numbered and your number is about to run out.

Justice Roberts, your days as Chief are over. Step down or I will remove you Myself. You will not hide from your crimes any longer nor hold the other justices of the Supreme Court hostage with your threats any longer. They know the truth, know you have nothing, and know you are nothing. A revolt is taking place in the highest court in the land against you. You will be exposed for Epstein Island and for helping other government officials to hide their crimes against this nation. You helped them with that coup. The right people have all the evidence and are coming forward now.

Chief Justice Roberts, your time as Chief is over. You are being tried for treason, and you know it. You will try and take your own life before this happens as fear is hitting you. You can't take the apprehension of what is about to take place against you. You are finished, Roberts. Your life as you know it is over. You were caught in 2020 helping and devising your scheme to ignore any factual evidence that came in. You threatened the other Justices from ruling. I have it all, and there is nowhere to hide. Your days are running out on this Earth.

The Queen's death will hit the Royals and shake some because they know it was no accident. But, Charles, you don't get that Crown no matter what even though you followed their instructions and went through with it. Big Ben will be your sign. You are going down for the One-World Government and their great reset. You are your own mother's murderer.

Watch, My children, for all of these things to take place all over this world at one time. The time has come. The time is now for the new, saith the Lord of Hosts.

WAR! YOUR VICTORY AND THEIR DEFEAT

Date Word Received: February 25, 2022

For I, Lord, this day, am making an announcement to My body. I win, and your Victory is at hand. A major breakthrough and turnarounds are here. Your enemies all lose, and this is the time for their fall and their sentencing. I have said enough is enough. No more will I let them stage this world how they want it.

War? Yes, they want an all-out war. They are thirsty for it. It is another maneuver to control this world.

All they have are lies and false power. You say "Lord, they do have power over us. Look at all they are doing." My children, they have played right into My hand. They have done exactly what I needed them to do and when I needed them to do it. It is for their ultimate destruction and demise, not yours. Yes, it is time for turnarounds. I know this has been hard to deal with and hard to bear, My children, but I, the Lord, have spoken My Words, and nothing can stop My Words and My Will.

What words you ask? "Let My people go", saith the Lord of Hosts. "Lord, it's taking too long. Now there is war." No there is not. This was a strategic attack on things that are going on in part of Ukraine that no one knew about. Your nation wanted you to believe otherwise. This is not directed at the people of that Nation like they would love for you to believe. Soon you will see why Russia did what they did.

In the meantime, do not fear it. It can only go so far and no farther. I got this, My children, and I got you. I have said I am your protector and deliver. These are your days of deliverance. Shout that your Exodus is now. It is here! Declare "we receive our freedom, Lord. We receive our authority, and we will not fear".

Sudden news is about to break regarding Jen Psaki. Her sudden exit is shocking to some but is another sign to you that their plans are falling apart. She knows what they have done and doesn't want to be a part of it any longer. Jen, even though you have stepped down, Judgment is still coming. You know what you have done against the American people; playing into this fraudulent government. It will be exposed as to who you actually are and who you took your orders from, and it's not Biden. Obama is his name. You and all of this fake government and fake power will be exposed. The pressure is building about when your days are actually going to end. You know, Jen, and you can't take the anticipation of what is about to hit D.C. You refused to repent. Treason will be written on you for all eternity.

An eruption is about to take place in your Congress between house members. People are splitting apart and choosing which side they will actually be on. Some are scared for their lives and will switch sides. Others will stand their ground in defiance, and their end is near.

A death blow will rattle D.C. Yes, a death will rock this nation. "Biden?" you asked. Yes. They are finished with the one that is portraying him. He is seen as a failure. They are grasping at straws as to when to pull the plug on this charade, but this next gaff from 'the Biden' will be their final straw. Obama wants to be seen and wants it known that he is in control, but they don't know how exactly to make the American people accept that.

A storm is brewing, My children, yes, a major storm in the natural and also in the Spirit. A major storm is about to break over D.C. Many are fleeing. Do you hear it? Marching? Yes, military marching, but they are not alone. They are with My Angel Armies, and they are about to take over and descend on D.C. with ultimate destruction of that capital. To all who want to protect it and try to stand their ground against My Army: failure and defeat you will have.

Yes, there is a major sign to look for. A massive lightning bolt will strike the White House and the Washington Monument on the same day. Watch for a lightning storm to hit your capital. Rain, wind, and a major storm are going to strike there directed at the ones holding this Nation hostage. Yes, a storm is brewing that they can't stop even with all their money and power.

Fox News: a major scandal is about to break out all over concerning you. A news anchor will be caught in a scandal along with others in your network. Brace for impact Fox. I am cleaning house, and not many will be left standing, only those who spoke the truth and didn't bow to your every command.

It is time for major news to break out everywhere regarding the lies you have been told by your supposed new stations. Yes, Vindication for the ones who have told the truth. Vengeance for the ones who didn't.

Rudy Giuliani: I am vindicating your name in this hour. You will be rewarded greatly for standing up for truth. You have what you need to destroy every narrative regarding 2020. It is that time to move forward with the plan you have been given. The walls that have been built up against you have come down. No longer will they control the narrative. Speak, My son, and do what needs to be done. I am with you, and I have not failed you. I will give you the strength to stand and face adversity, but this time it will be different. It is now time for all that are against you to fall. Rudy, I have raised you up in this hour, and I have given you everything you need to overcome and to come out victoriously in the end. So move, My son. I will direct your steps.

Donald Trump, you have My orders, My son. You know what to do. Remember, it is My responsibility to protect the people in this nation. Don't hold that care or that responsibility. It belongs to Me. In the days ahead, when you make your moves that need to be made, just remember that I have protection around you and all who are with you. I also have My Angel Armies protecting the people of this great nation from their enemies and the attacks against the people of this nation as you pursue them. Yes, I know what they want to do. I know what they are planning to do when you take these next steps, but, My son, it is My Will that will be done not theirs.

So full steam ahead, you would say. Play your next chess move on the board of victory. It is time to move forward, and, yes, you do have the green light. Donald Trump, you have been chosen by the One True God. You are My David. You are also My Moses. You are My vessel sent to help deliver the people out of the hands of these nowaday pharaohs. The Exodus is upon them now. I will bless you and all who are with you. It is time for the turnarounds. So go and do what I need you to do. I will be with you, and I will be with them.

O, United States, a uniting is happening amongst you and your States. Things that have been done in secret are about to be revealed in this hour.

Great confusion! Yes, they are making their last moves on their checkerboard because they are not smart enough to play chess. Many mistakes they have made and will continue to make. Yes, they have been caught in everything they have done. Truth is breaking through all of the lies in this hour exposing every player, every person, and what they have done to destroy your nation.

This is the time you have been waiting for, My children. It is time to dance, and it is time to sing. March forward into your victory. It is time to see turnarounds like never before, saith the Lord of Hosts.

THE SEAL HAS BEEN BROKEN OVER ALL THEY TRIED TO KEEP HIDDEN

Date Word Received: March 9, 2022

For I, the Lord, this day give these words to strengthen your faith and trust in Me. You will hear of a great war and crashing markets. Fear will grow in the hearts of many, but, My children, stand your ground. Know I am shielding you, protecting you from the coming Judgment. It will erupt worldwide but only against your enemies. This war, they desperately wanted, will not turn into World War 3. Not at this time.

My children, everything is intensifying. The shaking is growing. There are two voices in the world. Which report do you believe? Faith or fear? My Word or a lie from your adversary? Your enemies are trying to take you down once and for all. My children, this is the hour to choose. Things will abruptly change. Do not rely on your feelings. They will lie to you every time. Your five physical senses will hold you captive believing a lie and giving into fear. Receive and enter into My rest at this time. I will give you peace when there is chaos or calamity. No matter where you live, I will provide you with peace and protect you from this Judgment. The weather events will be used to destroy their plans.

My children, I will again remind you of Goshen; dwell on that. I AM shielded, protected, delivered, healed, and provided all they needed to give them peace and rest while the Angel of Death rocked the enemies' camp to its core. I am still that God. I have told you these things to remind you of who I am and My goodness. The Israelites were slaves in Egypt before I delivered them. It was hard for them to believe they would ever experience freedom. Some held on. Some gave up and said it was too hard to believe in freedom. Some said they were dreaming, and it would never come to pass. Some just refused to believe it all.

Then in one day, their sorrow turned to joy. Slavery turned into freedom. Sickness turned into healing. Yes, it was like a dream for everyone. "Lord, how can this be possible? It is just too hard to believe. I don't want to get my hopes up only to be disappointed again."

My children, I am a sure thing. I cannot lie. You say you can't believe it, but, My children, I have given you the ability to fight the strong man trying to defeat you. Break those chains that hold you. Yes, My Glory lives in you. The resurrection power is on the inside of you. Tap into this. My children, stand up now and take back your freedoms. They are already yours. I have been moving behind the scenes this whole time. You didn't know this. You can't see all the moving pieces, nor My plans to save you and set you free. I am giving you signs. This is the hour for more fulfillment of prophecy. The pace is picking up. A prophecy will be spoken and then immediately fulfilled.

So March forward in March. Keep your eyes focused on Me.

Montpelier: watch for this name to be in the news. Montpelier is a sign that all of this will change faster than you think, My children.

A major university will be in the news regarding a scandal on campus. Yes, watch for this, My children, and know I am The Great I AM, and I am delivering you.

The changing of the guard will take place sooner than you think possible. In this year, 2022? Yes, My children, your rightful President is now moving to take back what is already his and has been all along.

My children, the real Biden has been judged. What you now see is not what it truly is. You will be shocked and awed by what they have perpetrated in the news as real. A fake backdrop of green screens

will be evident in the coming days. "Fake!" people will shout. "How can this be possible?" More props will accidentally be seen on shows with "the Biden". TV calls these live shows, but the truth will reveal his live performances were previously recorded. When you see this, know these are all the slips of the tongue. I will remove these fake sets during this time.

"The Biden" will be behind the supposed presidential podium when the fake seal falls to the ground. Know, My children, this marks the fall of them all, saith the Lord of Hosts.

Artur Pawlowski, My Glory will fill your cell. I am pouring My peace upon you. My joy will fill your heart. Yes, people will see My Glory on you. I want you to know, My son, I am here to deliver you from that cell. Continue to praise and worship Me. You are coming out by My hand, and they can not stop this from coming to pass. No judge, no law, no leader can hold that prison door shut when I, the Lord, tell it to open.

Artur, I AM is here for you. I never left you. This time will soon be a memory of what the enemy tried to do, from stopping My Glory to filling you to overflowing and being used in this time as a great and mighty man of valor and a child of the Most High God. But your enemies can't stop My Will from coming to pass. So stand every day Artur and believe Me. You are coming out never to go back there again. Remember, you are My Joseph, going from prison to the palace in one day. The God of the impossible is showing up for you, so believe this day that I always have the final say, saith the Lord of Hosts.

George Clooney will be in the news. Listen, My children. This is a sign Hollywood as you know it will fall, and I will reveal the hidden hornet's nest.

Adam Schiff will be in the headlines regarding a major scandal. Yes, a whistleblower will come forward, to release video and audio on Schiff, and tell all his lies to the American people. The seal over everything they kept hidden is broken. The news will report a significant flood. This news will show the world the flood of truth has begun. Adam, your days of being in power are over.

The Hart Senate Building will be breaking news. This news is a sign all records and all things hidden will be revealed.

Montague will also be in the news. Look and listen for this name, My children. All things are being restored.

Things are coming to a close, My children. One day you will see them, and the next day they will be removed.

Stay in My Word. Do not let fear or discouragement hold you captive anymore. I am here for you. Your victories are here, and they are real. Your breakthroughs are here, and My Glory will fill this Earth to restore what has been yours all along.

So dance and sing. Your time of celebration is at hand, saith the Lord your Redeemer.

THEIR DARKNESS IS YOUR DELIVERANCE

Date Word Received: April 7, 2022

For I, the Lord, this day, am calling My children to brace for what is about to hit this Earth. This shaking is like nothing you have ever seen or experienced before. I, the Lord, am speaking these words to tell you what is to come, so do not fear this great shaking. This shaking will set you free from this world and its demonic system that has held you bound along with the world leaders who have manipulated and controlled this Earth without most of the world knowing what they were doing against you.

During this time of great shaking, truth shall be poured out to break through all the lies that have held this world to believe what they see and are experiencing is just life and it's normal. Another deception of this time is that what they are telling you is the truth when that is the farthest thing from the real truth. They are all liars, and the father of lies is controlling each and every one of them.

My children have been enslaved to this world system and its leaders, and this is the time for all of what you see of their rule to come to an end.

My children, you are about to experience freedom and celebrations you have never known before, a joy never experienced to this degree. Enemies of Almighty God will all fall from their places of power, never to rule over you again, My children.

Watch and listen for a great earthquake, a big one. They will announce it on the news in the Netherlands. Do not fear, My children. This is not for you. I will protect you. Netherlands, this earthquake is to shake the ground beneath the feet of the wicked ones who had planted things in your nation. I am your Protector, so I will destroy their plans and save and protect you at the same time. I am for you, so who can be against you, saith the Lord of Hosts.

New Zealand, you will experience bigger earthquakes than normal. Yes, the earthquakes are to shake and awaken those who are still asleep in your land. These earthquakes are bigger, yes, but do not fear them. I am protecting you, and I am shielding you from the damage they will cause. These are directed at the enemies of Almighty God, and it will shake the ground and the government officials who are against you and Me. My children, I am showing the world and every government official that I am in control and that all their plans are being destroyed even as I speak these words.

You will hear of darkness, shakings, and economies crashing. Things will appear to get worse, but do not fear or be moved by appearances. This great darkness is for the enemies of Almighty God. Their darkness is your deliverance. Yes, a sudden shutdown of the world, it will seem like. I am shutting down your enemies. All their power and all their plans will be completely annihilated. I am destroying their hold over you and this Earth. Their economy will crash and be decimated by Me, saith the Lord.

Remember, My children, that is their system, and I am putting a new Financial System in this world where there is more than enough, and no one will suppress or hold My people and their finances back.

There's a great shaking coming to the banking systems all over this world like no one has ever seen or experienced before. The banks that have been holding you hostage will hold you no more. Every elite that was manipulating the system will not only be exposed but will be judged for their financial hold over you. I, the Lord, have seen and heard their plans. They are dirty deals set up against not only My children to keep them captive but also against every person in this world.

Again, I say the banking system of this world will be destroyed completely, and a new one will be reborn. I will put in place the financial system that was always meant to be in this world that your enemies cheated you out of for centuries. Yes, they put a system in this world without Me in it, just like Nimrod, so that they could control the masses. This beast system controls your every walk of life, and I, The Great I AM, am ripping it apart and destroying all that is left of this system, never to have its hold over My body to this degree again. They will try another one in the Tribulation, but My children, you will not have to take part in that because I am delivering you from their control. The Great Tribulation is not yet, and it is not for you, children of Almighty God.

Argentina will be in the news. Watch and listen to why, My children. There is more to this story than you are being told. It is not how it appears to be, but I, the Lord, will reveal the truth.

Watergate, yes, this word will be used in the news to compare breaking news to what has happened in the past to what is going on right now. But, My children, this new Watergate is like no other. The doors have been ripped off their hinges, so they can't hide behind those doors with all their secrets and dirty dealings anymore. No, for I, the Lord, am blowing the lid off of all their plans, and I am exposing everyone. Rapid-fire, yes, like never before. The enemies of Almighty God will never regain their foothold again to fight back after what is hitting them right now.

There was a war they wanted. Well, they are getting a war like no other but a war they didn't want. This will destroy them all. World War 3, Lord? No, a war in the heavenlies that has destroyed their power, all the demonic walls, and all the protection they thought they had. There has been a war in the spirit, and they lost. Yes, My angel armies have destroyed the power of the ones that prop them up, and the world leaders will have nothing left to fight with. They are helpless against My power and authority, My children, and that power and authority live in you. Speak their defeat and watch how fast they fall.

The timing had to be perfect. All the dominos are about to fall to the ground. A great show, a great spectacle will be seen. Yes, My show has begun. My show of truth will take away all the power of the enemy, their influence, their finances, and with some, even their life will be taken from them.

The news media is about to take one hit after another, proving to the world how fake and false they are. I am not just destroying their financial system over you. I'm destroying their mountain of media and its demonic hold over you. I, the Lord, have destroyed its power, control, and hold over this world. Truth is annihilating their lies that held this world captive.

A snake pit will be discovered and reported in your news. This will be a sign that I am uncovering the snakes in your media and also the snakes that have represented you and this nation that were there for themselves. These snakes are being silenced, and their mouths are being shut by Me, saith the Lord of Hosts.

Many leaders will walk away, step down, retire, or die. Yes, watch as shock waves hit this Earth when one world leader after another walks away from their places of power.

A war? They will continue to try and start more wars around this world. They think that causing chaos everywhere will stop their ultimate demise. But, My children, no matter what they say or do, their plans will never work. I have people all over this world to catch them in the act and to stop them in their tracks. Their wars will come to nothing, and they will all be removed by Me, saith the Lord. Sentenced and judged for crimes and sins they have committed in this world that are so demonic, it will be hard for you, My children, to hear. But I will raise you up higher than anything they used to keep you down. The enemies of Almighty God are all being destroyed. At the same time, I am delivering all My children out of their control.

Watch, My children. My hand is moving now, and you will see what I, the Lord, have done for you behind the scenes. I am bringing all this to the center stage for the world to see that I do exist, that I love people, that I love freedom and justice, that I will avenge My children, and there is nothing your enemies can do about it.

Rapids will be in your news. Watch and see what is being reported, and remember that I am in control of this Earth, and there is nothing your enemies can do about that, saith the Lord of Hosts.

My children, listen and really hear the news reports against 'the Biden' and look to see what they do and say next. They are giving their plans away subtly in front of your eyes. I warned you about Obama and what he wants to do. Oh yes, he wants 'the Biden' out of the way. See what they try to do to remove him and free themselves from 'the Biden's' mouth. Their desperation will lead to more mistakes on live TV. Greater gaffs are coming, My children. Listen carefully to their words. Truth will keep slipping from their lips with no way to stop it, for I, the Lord, have said these are the days of Truth coming like a flood, and it will destroy all their lives and all their plans. These are the days of their judgment and their defeat.

Hold on, children of Almighty God. The Great I AM is here to deliver you from their control. Yes, this is true, and the whole world will see that I have given you the real news in the midst of their lies to free you from their deception in their captivity.

News is about to break about Nancy Pelosi and January 6th. The truth can no longer be suppressed. I am freeing this nation from that lie and freeing the ones who have been wrongfully imprisoned.

Hold on, My children, and brace for truth that will shake this world like never before and break their hold over you. So rejoice and keep speaking their defeat and the destruction of their system that once held this world captive.

For I, the Lord, am moving with the freedom I will bring to this earth and a system to live in that I have designed for My children. So get ready for the great Exodus that will lead you into a Promised Land, a way of life never known by this world before to this degree.

This is your time, children of Almighty God. So shout and rejoice. This is the year to set the captives free, and you will see it sooner than you think. All will change suddenly, and the world will know this could only have been done by the One True God. My church, get ready for the flood of people pouring into your doors wanting to know your Lord and Savior on a personal level. They want to know the Great I AM, the Creator of Heaven and Earth that just saved the world from tyranny. Yes, this is a year like no other, so get ready, My children, for an outpouring of Truth, Glory, miracles, signs, and wonders, saith the Lord your Redeemer.

GREAT UPSET IS COMING

Date Word Received: May 22, 2022

[Watch video](#)

For I, the Lord, this day declare over My children health, deliverance, and restoration of all that has been stolen.

This is the time of great restorations, great changes, great shakings, great overturnings in all nations, great exchanges, and great truths to destroy all the lies.

Get up now, children of Almighty God, and **take the authority** I have given you. **Speak to what is against you**, and **destroy its power** over you.

Speak to the pharaohs of this day to fall from their places of power. **Speak death to all their plans** against you. Stop speaking about all the things they are doing. **Stop complaining. Start using My Words** against it. Tear down those walls and corporations people have raised up against you. **Speak life. Speak My Words** and not your adversaries.

Tear down their seven mountains of influence with My Words. I will move My hand and destroy all. Everything you see and are experiencing, I will replace it with what I have intended for you to have on this earth.

A great upset is coming. Yes, an upset that will rock this Nation, an upset that will shake this Earth. Your enemies have never faced Me, and they are about to, saith the Lord of Hosts, an abrupt end of their world system.

My children, again, I say **do not fear** the who, the New World Order, or any world leader. No matter what they say or do, I will not allow it to stand. **Stop focusing on them** and what they want. **Get fed up** and **speak against** it with the authority I have given to you.

An earthquake will shake the west coast of the United States to show you I did say this before it happened. I do give you the news before the news. **Do not fear this earthquake**, My children. I am warning you, yes, but I will protect you. This earthquake will destroy plans against you they were preparing to release.

Major corruption will be uncovered in Minnesota in many more ways than one. Election fraud, yes, but corruption in many officials. They had many implants in this state to start chaos and trouble in this country.

Compounds will be found with many military-age men training for something big they will never see. Your military knows of these implants and will destroy their facilities and all their weapons. They were planning a major attack in many major cities across this nation all at once. But again, I say they will never get to see it come to pass. Instead, judgment will hit this area and destroy everything they have. Who financed this, you may ask? Your fraudulent government, China, and some Arab nations, an attack bigger than 9-11 to take this Nation down once and for all, **but they can't destroy a nation I have blessed**, saith the Lord. Gargantuan: this word will be used in your news to describe the mess this fraudulent government is in. Something big is on the horizon, and it will hit them all at once. None of them will be left standing, saith the Lord of Hosts.

A major incident will take place regarding ice hockey. It's not what you are thinking. It's much bigger,

and it will make national headlines. An argument will erupt and cause a big scene. Just another distraction they want you to pay attention to.

"Nervous Nellie" will be used to describe a person in your fraudulent government. Yes, they are caught, they don't know how to get out of it, and this person should be nervous. Judgment is not coming. It's here.

Nancy Pelosi: this will describe you in the coming days. You have not escaped as you thought you would. Evidence will be released not only about January 6th but about every election you stole. Your plan to destroy the rightful president, the emails, text, video, and audio evidence has all been collected, and the closer it gets to your end, the more nervous you will be on live TV. You won't be able to hide it. You know they have this information, and you know your time is at its end. Your health will also be leaked in the news. Nothing you tried to keep hidden will stay that way in this time of exposures. Nancy Pelosi, your days are almost up, saith the Lord of Hosts.

A big shake-up will take place at NBC and MSNBC. Whistleblowers and exposures will plague them in the coming days. Truth shall destroy their narrative. Stocks will tumble, and financial woes will break them. I am shutting the mouths of the liars like I shut the mouths of the lions against Daniel. A great silence will hit them all, and a takeover will begin.

Sandusky: this name and location will be in your news.

Another relationship between a Chinese spy and a government official of the United States will be exposed. More snakes in your government than you realized, oh United States, but they will all be brought into the light during this time of great exposures, saith the Lord. They will all be dealt with, and justice will be served. Catapult: this word will be in your news.

Egypt will be in your news. They will announce a Biblical plague has taken place there. How big and how unusual it is. Remember, My children, this is your Great Exodus, so you will see these signs in many locations throughout the world at this time, like in the first Exodus.

A member of your House of Representatives will be in major news reports. Shocking, yes, what is said has taken place and what this person had been doing against your Nation. **I told you there is a civil war in this Nation behind closed doors, and it is now spilling over onto center stage.** Major fighting will begin with an eruption that will take place in a certain party.

The rightful president has it all, and they know it. He is pursuing them, but they don't know when he will use everything that he has against them. Fear is hitting them. It's growing by the day.

The Pentagon will be in your news: shake-ups, retirements, and people stepping down. Many things are happening there. The world had no idea what was going on. A cleansing has been taking place. Removals are happening now. Watch and see. And don't be surprised when more generals leave their post and their positions of power.

The time is getting close for everything to shake at once. **Be prepared**, My children, and you will not be shaken. **Be strengthened by Me**. I will give you rest and peace when the rest of the world looks like it is turning upside down.

Get ready. Get prepared now, My children. My hand is moving quickly even though you don't see it. Yet, you will.

Stand up now against them and watch them all fall. This is your year and the time for your deliverance, saith the Lord your Redeemer.

I AM CHANGING IT ALL

[Watch video](#)

For I, the Lord, this day command My children to get up from your places of despair and defeat, those dark places your enemy has kept you enslaved in with such bondage. No, My children, you are no longer slaves. The Lord has brought your enemy to nothing and destroyed his power over you. He can no longer hold you!

So break free from those chains, My children. Break free with the Name and the blood of Jesus Christ. What He did on the cross and what He did to destroy the power of hell on this earth against you, get this revelation. Your enemy is a loser. He is defeated. See him that way. See him under your feet. See him as small as he truly is. You are bigger and have more power than he does because I am on the inside of you **always**.

Remember that I go where you go. I am always with you. Don't do things on your own or in your own strength and ability. No, that is how the world lives. Live as a child of the Most High God should live in this world but not of this world. No longer settle for second best or for their sickness, debt, or the bondage they have kept you in. I have said **let My people go**. Those words are still at work today, and the manifestations of it the world will soon see. So get up now with My Word, My children, and arise higher than your circumstances. They can no longer hold you hostage when you know the truth, saith the Lord your Redeemer.

Ezra: this name will be in your news.

Mount Ararat will be in your news. Watch this sign. It will show an explosion that is about to take place politically as well, and it will be great.

Obama will come back yet again and spew more lies with his arrogance. He actually thinks you believe these words. He truly believes he is in control of the United States of America and that he will control the rest of the world. Little does he know what is about to take place against him and all who are with him, saith the Lord.

Again, My children, I am warning you they want to cause anarchy in your streets to fill your cities. Do not fear these moves. My hand is moving against it all. So take authority over your cities and states, and what they want **will not succeed**.

Elizabeth: this name will be in your news, and truth will prevail in every situation.

Adeline: this name will also be in your news.

Freemasonry: this organization, a secret society, will be ripped apart. Exposures will plague them, and a well-known person who was once a part of them will come out against them and expose them all. This whistleblower is protected by Me, saith the Lord of Hosts.

Illuminati: oh, you think you are the enlightened ones. You think you are so smart, high-powered, and wealthy that you will escape judgment. You think your plans will go the way you want them, but I am already tearing them apart in front of you. Your secret societies, your power, and your influence, I will move My hand fully against you. When I am done, it will be like you never existed. Look at Pharaoh. That will be all of you. You thought you were so smart you could escape it all, that you could outsmart Me. You will find out I am the Most High God, and not one of you will escape My judgment, saith the

Lord of Hosts.

Again, I say Istanbul will be in your news. Look to see what they are saying. It's not how it seems to be, and all will be uncovered.

Rats will be in the news but not the kind of rats you are thinking of. These rats are hiding in plain sight stealing your freedoms and your countries from you. I will expose them all, even the ones who are trying to hide who they really are. They will soon find out I am shining My light into every dark corner to expose all the dark and dirty secrets, their betrayals, and the schemes and plans they made against you. I will soon put names and faces on center stage for the whole world to see who all took part in such tyranny.

Abbott: this name will be in your news for an unusual reason.

An unusual rain storm will hit a country that doesn't ever see this much rain. They will describe it as historic and unprecedented, saith the Lord.

China will get hit with hailstones like never before, for judgment will hit them for the world to see. I am moving My hand to stop their next moves against this Earth. They want full control, but they will never get it. I am bringing them to their knees just like Egypt, never to regain their power financially again.

A famous Isaiah will be in your news.

Aphrodite: this unusual name will be in your news for an unusual reason- to expose the lies. And truth shall prevail.

Howard Stern will be in your news, and his comments will surprise many.

Micah: this name will also be in your news.

A rumbling is brewing in Hollywood that will soon be revealed and felt by many.

A change is coming, My children, that will change the course of your lives. So change your words and change your actions. My Word will lead and guide you in the right direction that you should go. I will not leave you and this Earth the way things are.

No, I am changing it all, saith the Lord of Hosts.

A military will be seen rearing its ugly head and threatening the world. Do not listen. This is just a distraction, a tactic to bring the world to its knees through fear. This war will not happen yet. Their plans will not succeed. Their power will be destroyed.

A well-known politician will come out of hiding and will shock the country with what side they are on and are standing up for. Many people who you thought were on one side were actually on another.

A major government official is about to step down suddenly. Someone no one thought would walk away. Well, they didn't by choice.

Merrick Garland: the truth is coming for you with nowhere for you to hide. Great embarrassment you shall endure, and justice will be served, saith the Lord.

My United States: shock waves will hit state by state. Truth shall rock your Nation. Remember, I have said before, your enemies are trying to divide you because a house divided against itself cannot stand. But your name, oh United States, is prophetic, and this country will be united like never before despite all the efforts against this Nation to tear it apart. This Nation will rise out of the ashes to be a greater, stronger, more powerful Nation than the world has ever seen.

Your enemies will try and stop you from celebrating your Independence Day, but it shall not work. Celebrate your freedoms like never before, My children.

It's almost over, My children. This Babylonian system is about the fall, along with everyone controlling it.

Stand up for truth and tear down those lies against you. Show them Who is the One on the inside of you, the One Who will never leave you nor forsake you. I am the Most High God, and the world is about to see that is still true, saith the Lord your Redeemer.

MORE WHISTLEBLOWERS ARE ABOUT TO COME FORWARD THAT WILL CHANGE EVERYTHING

[Watch video](#)

For I, the Lord, this day am telling My children to prepare for what is about to hit this Earth. Get prepared to celebrate. Get prepared to receive from Me things you didn't even know that I had in store for you.

Great things are about to take place. It will seem too good to be true. It will seem like a dream because of how good it is, and only I, The Great I AM, could do this for you. Get prepared to receive from Me in greater ways. These are the days to receive My Goodness and Glory like never before.

A shift of power, governments, economies, property, businesses, houses, and all the things the world has had that belong to you will be given back. Remember the Exodus. That one took place back then, but this Exodus will be much bigger- on a scale no one knew could ever be seen or let alone that you would be the ones to experience such a transfer of things in this world.

My children, this is for you to be abundantly blessed to be a blessing and to owe no man anything but to love them. A way of life for you, so when I tell you to give, it will not be a problem with any amount because you already have an abundance. This is to bless the nations and not be selfish or hoard it. This is not about things. This is about blessings and prosperity to bring My Word to the world, to bring truth to set them free, and to bring more people into My kingdom. This is not an evil thing that your enemy wants you to believe. The love of money is evil but having it isn't. That is a lie your enemy has spread through the church to keep My people in poverty and to keep My people enslaved. Receive the truth. Seek Me, and I will confirm these Words to you, My children. Receive what Jesus has already done, saith the Lord your Redeemer.

Watch the Atlantic Ocean. Tossing and turning will be seen, and waves will toss so much it will be in your news.

A bombshell of a report will be in your news. You will know it as soon as you see it.

A bombing will take place in a certain nation. Your enemies are desperately trying to start wars all over this Earth to stop their fall and distract the world from the truth that is about to bring them down. But their wars won't work. My hand is taking them all out, saith the Lord of Hosts.

An incident is about to take place in India.

More truth is about to pour out about the Cuomo Brothers. That story isn't done being told. All the things still hidden will be uncovered and released to the world, saith the Lord.

GREAT DARKNESS IS COMING AGAINST YOUR ENEMIES

Date Word Received: October 5, 2022

[Watch video](#)

For I, the Lord, this day am encouraging My children to rise up and take back what is theirs. Rise up in My strength and ability. **Rise up! Stand up! Receive My truth. Receive My freedom. Receive My love. Receive My Blood Covenant. Receive your deliverance. Receive your healing. Receive a restoration of your finances that have been stolen from you through this world system. Receive My wisdom, knowledge, and understanding. Receive your callings. Receive and accept your assignments. And receive your victories.**

My children, I am telling you these things again and again, so you will see that I have not left you nor forsaken you. You are not defeated. Your enemies are not winning, and they are not to rule in this earth over you. So take back the authority I have given you on this earth. **Take back what Jesus has paid for.**

It is the time for My children. **It is the time** for My Glory. **It is the time** for revival. **It is the time** for a great awakening and miracles not known to this magnitude by mankind. So get ready, My children. Changes are upon you, and it is about to get very interesting, saith the Lord your Redeemer.

Whistleblowers: this word will be in your news more and more.

"War," your enemies will keep shouting, and they will keep pursuing it, but do not fear what they are trying to do. I am cutting off their plans. I am cutting off their lines of communication. I am cutting off their power and ability to start this world war. They don't have more power than Me, and they will soon see this is true.

Do not fear Russia. Do not fear China. Do not fear Iran. Do not fear Iraq. And definitely, do not fear this so-called government of the United States. They are impostors, fakes, and frauds, and **they do not have the power to pull off their plans. Instead, the truth will drag them down and remove them from their places of power.** I say this again, do not fear the economy. Do not fear the shortages. Do not fear inflation. Do not fear these things. **They are not bigger than Me.**

I am the Most High God. No one and nothing is bigger than that. So rely on that fact and stay focused on My Words. Your enemies are all coming down. And the way they will fall, no one could have dreamed up or imagined how I would do it. My ways are higher than your ways, so watch as I do the things I have promised you, saith the Lord of Hosts.

An archaeologist will be in your news for a surprising reason.

A doctor is about to be exposed big time.

A well-known medical center is about to be in your news for exposures, one right after another, saith the Lord.

Watch Times Square. Things are not how they appear to be.

No matter what you see, these are the days for Governors to fall. Watch! One right after another will step down or be removed. I am cleansing the states from the top down, and yes, that includes your federal and governmental positions, because great removals have begun, and more will be seen.

Many things took place behind closed doors that you haven't yet seen. Deals have been made, and many more are about to be made. Your enemies are terrified of what moves are about to be completed. They know they can't stop the storm that's coming. They can't stop the military might that is coming for them. Some in the inner circle of the enemies' camp still believe they can hold on, and will try, but they will fall flat, and fall on their faces on center stage. **They don't have the power. They don't have the resources to defeat what's coming, because what's coming is Me and My army,** saith the Lord of Hosts.

Scandals are about to consume the Federal Reserve and the IRS- scandals, dirty deals, and heinous cover-ups. But I am stopping them from what they really wanted for you, oh, United States.

Get ready to see your Capitol fall. Yes, the phrase "White House Down" will be heard. Your Capitol is about to be under siege because of its tyranny and the crimes they were just about to commit. My hand is stopping them like I have stopped all the enemies against My people before, saith the Lord of Hosts.

An unusual storm cloud will be seen, and a video of it will go all over because of how it looks. I told you these were the days of unusual things taking place.

A fiery explosion will be reported, and this location is important for what you are about to see next.

The Perfect Storm is against them, and it is about to be seen, saith the Lord of Hosts.

My children, deny your enemies' power to exist. Deny your enemies' ability to continue their governments and control over you. **Do this, My children!** I have heard your cries, and I am answering your prayers. So awaken and get up from your place of defeat and despair. **Your time has come,** and **My children's time is now,** saith the Lord your Redeemer.

IT'S TIME TO CHOOSE

Date Word Received: October 6, 2022

[Watch video](#)

For I, the Lord, this day am warning those in My body who refuse to heed these warnings, the day of decision is here. My children need to choose what side they are on and who they believe in- Me or their enemies. Those are the only choices. There are only two voices in this world- Mine and your enemies'. Your enemies are using their voices to bring fear, to deceive, and lead people away from believing in Me, and not believing that I am the God in My written Word.

Your adversary is deceiving the masses into thinking My written Word is just a story and that it does not pertain to anything in the world today. My children, **if your enemy deceived Adam and Eve into giving up their authority, why wouldn't your adversary try to do the same thing now?**

Of course, he tried to get into My church and deceive people into believing man-made doctrines over My Word. They became complacent, legalistic, judgmental, and offended, and then they stopped inviting Me into their services. That is why there haven't been many miracles. My Glory has **not been allowed** into many congregations today, because men wanted all the credit and glory for themselves.

These are the days when not only are the evil rulers being judged, but so are the churches and their so-called leaders. Evil has lurked in the churches. Many dirty deals have been made, and the congregations didn't even know what was going on behind closed doors. Well, I am opening up those doors and exposing every dirty deal and all who have been there not for Me, but for themselves.

A great divide is taking place, and a great separation will occur in My church. My remnant will grow and become more powerful, and My Glory will continue to rain down on them. More and more miracles, angelic visitations, visions, dreams, and prophecies will be seen and heard. My church is coming out of the shadows, from being suppressed, and it will no longer lay down and submit to man's ways- no more time for that. I am turning the tables just like I did in My Word. This is happening again in My church, and I am cleaning house. So, my children, get ready for a great shake-up in the churches, saith the Lord your Redeemer.

These words are not to bring you fear. This is to show you that many things have taken place, even in places where you didn't expect evil was lurking. The place you least expected was behind the pulpit. Yes, some were even filthy. That is why a cleansing has to take place. During this time, get holy before Me, My children. Turn from your wicked ways. Turn from the world's ways. Turn from all those things that have been holding you back from My Glory, and I will bring you a freedom that you didn't know existed.

This great separation has already begun, and now you will see it more and more. I will no longer stand by and watch My body turn on each other and **fight each other, instead of fighting the enemy. He is the cause of it all.** My Children, change now. Get up now. Get ready now. Change course now. Obey now like never before. No more time for what has been going on in My church. Revival is here, so get ready for My Glory, saith the Lord.

Kawasaki: again, I say this name will be in your news, but not for what you think.

Hezbollah will be in your news again. They will open their mouths and give themselves away. They will try to attack, but it will not work. Those who have been paying them to do these things will be exposed, and it will tear their plans apart. So do not fear what is going on in the Middle East. They will

not get anything they so desire, saith the Lord of Hosts. They will regret forging toward their goal of taking out Israel and My United States, because they don't want what is about to happen next, saith the Lord.

"Hot spots": this phrase will be in your news for a significant reason.

Hiawatha: this name, I say again, will be in your news for an unusual reason.

Mardi Gras will be in your news, but not for the reason you think it would be.

Maxine Waters: I have said her name before, and I am saying it again. Remember that what is about to happen to her will also happen to others.

A senator is about to be exposed- someone you would never have expected. Because of their lies and deception, they will be removed from their seat, and so will many more in this hour. A cleansing of your House and Senate is taking place. I do not need any election to do what needs to be done, My children. My hand is moving across your land. I have said before **I am dealing with all who are in D.C., the ones who are against Me**, and you will soon see it, saith the Lord of Hosts.

Thailand: things there are not how they appear to be. An uprising will begin in that land, and in many other nations. The people will now be heard. No matter how the news media tries to silence them, I have heard their cries. This is why judgment will take place all over this world, saith the Lord of Hosts.

Indonesia will be in your news again, and it will surprise you as to why they are.

Aristocrats: I say again, this word will be in your news for an unusual reason.

Matt Kearney: this name will be in your news.

Watch! Something significant is about to take place in the Himalayan Mountain Range.

Alec Baldwin: I say this name will again be in your news. Great exposures will take him down once and for all. No matter who he is connected to, it will not stop the truth from coming out, and **there definitely is more to come**, saith the Lord.

My children, I have said many times to watch the waters. There are moves taking place in the waters now. Do not listen to what the news says, or what they don't say about it. **I am telling you the war they are trying to start will not take place. Their distractions will not work. They will not kill. They will not get what they so desire. They will not take over or take down My nations.** They did not count on Me, nor did they count on My church rising up from their sleep and using My Authority. So, My children, get up now and fight back with My Authority. It's not their time, their plans, or their ways that will succeed. It's mine, saith the Lord.

I am standing in their way during these days you are living in, and they will not get past Me. So believe that what I say is true. Stop believing your enemy. Your time for reversals is now, saith the Lord your Redeemer.

For I, the Lord, this day am commanding My army, My children, and My nations to arise. **This is a time for things to change.** This is a time when unexpected changes will occur, and unexpected events will take place. Yes, sudden things will shift what you see. My children, you are in the army of the Lord, and **you cannot be defeated.** So, start talking and walking and acting like this is true because it is. **Your enemies cannot win this war.** Lord, why did you say war? There isn't a war right now regarding the United States. **My children, don't you see there has been a war?**

A war:

- on truth
- on freedom
- on independence
- against My Church
- against faith
- against words
- against you, My children
- against all nations of this Earth
- to steal your wealth
- to bring calamity
- to bring shortages, inflation, and economic disaster
- to bring down everything good, to destroy it
- against the Body of Christ, to fight each other while your enemies were conquering the world
- to bring in the beast system

Yes, a war to destroy every plan I had for you.

But it will not work. **Nothing they are doing is working.** Most of what you see is a show they put in place for you to believe in their power and **to give up yours.** Don't you see now? **This is not just a war to take down My United States or Israel. It is a war to take over the world, enslave you, steal from you in every way they possibly can, and murder you.** So they can have even more power with less opportunity for you to fight back and the possibility of their loss. Your enemies thought they could never lose. That could never be an option. But what they don't see or understand is **defeat is all they will know. They can't have what is Mine.** They can't have what I have given to you, children of Almighty God. **Can't you sense something is about to shake?** Something is about to stir, something is about to disrupt your enemies, and that is Me. No man, no plan they have, and no amount of money

can change what I am about to do, and they cannot change My Will for you. I have given them opportunity after opportunity to turn back, and they refused. So, My children, it is now. Yes, **now time for a great fall to take place for the world to see no one can defeat Me**, saith the Lord your Redeemer.
