

Genocidal Plans Stopped

Prophecies and excerpts from Julie
Green Ministries

<https://www.jgminternational.org/>

To My children in Ukraine, I
am your Protector, and
everything done in your land in
the dark of night behind closed
doors will suddenly end. If this
didn't take place, there would be
genocide of not only your
nation but all the nations of this
world. I am shielding you. I
love you. I want you to know
My hand is moving to set you
free, saith the Lord of Hosts.
(March 2, 2022)

My children, if I didn't stop
what they are doing in Ukraine
and what they did in the United

States elections, there would have been mass genocide everywhere. They would continue to use bio and nuclear weapons against you. (March 8, 2022)

They want to cause mass chaos on a scale never before seen. This will not happen. Neither genocide nor depopulation will happen. National shutdowns will not occur again, nor more lockdowns. No, because I always have the final say. (March 11, 2002)

Your lust to destroy and kill millions/billions of people with your plans you wanted to take place right now has been stopped by My hand, saith the Lord. You will not complete genocide nor a depopulation of

this world. (March 23, 2022)

You worked with the fraudulent government of the United States of America to destroy that Nation as well. And you wanted to cause genocide to the world's population. You thought no one would find out all the things hidden in your Nation of Ukraine, but you have been infiltrated, Zelensky. **There are people who know everything, and you will pay a high price, and the world will see your judgment take place,** saith the Lord of Hosts. (May 7, 2022)

IT'S TIME FOR THE WORLD TO KNOW THE GREAT I AM

Date Word Received: March 2, 2022

For I, the Lord this day, am speaking through My prophets to give you hope, encourage and strengthen you. "Lord, you have spoken these words before." Yes, My children, I have so you would get these words farther down on the inside of you; for your faith to grow to a new level and trust in Me even when facing such adversity, fear, and confusion. I am here to strengthen you and raise you higher than any attacks from the adversary.

My children, these are the days for My body to awaken, arise and receive Glory like never before. These are the days of turnarounds, breakthroughs, and for the world to

know the Great I AM still lives. I still deliver and save. I am the same God in the Bible that avenges My children and destroys your enemies. Yes, in this time you will see Me do more excellent works than I did: in the book of Exodus, for Daniel in the lion's den, for the three Hebrew men and the fiery furnace, for David against Goliath, for the widow and the oil, for the woman with the issue of blood, in raising Lazarus from the dead.

In all these examples, My children, you have a better Covenant with Me than they did. Believe Me that I will do far more remarkable works these days because you are part of the latter reign. I will show the world there is nothing impossible for Me to overturn, destroy, or restore even better than it was before. Just like

with the fiery furnace, I will make you come out like you were never in there. Yes, I am that God. Do not be surprised by all these things. I am about to show the world that I am the Creator. I am the Healer. I am the Provider.

You are My children, and the covenant you have with Me is stronger and more powerful than anything your adversaries have. My children, with this great exodus, your enemies will never forget who is on your side and who is with you. You are all marked with the blood of Jesus. Know this even when you can't see this. Your enemies can.

Have more faith and trust in the blood of Jesus than anything in this world, children of all of Almighty God. Your enemies will not be able to cross that bloodline just like he

couldn't in Goshen on the night of the Passover. The blood speaks, the blood defeats, the blood destroys, the blood heals, the blood delivers. Have more faith in My blood in this hour, My children.

You are never alone, never forsaken, despite how your enemies make you feel. I AM is always with you in your darkest hours. I am your light that will destroy and expel all the darkness in your life. You can trust Me. I will get you out of every entrapment from the devil. He can't win against Me nor you when you trust Me more than what he is doing.

Don't just tell Me in prayer all he is doing. I already know, My children. Just raise your hands and say, "God, I thank you that you have defeated all of what Satan has put in my life. He has nothing that can beat me, and he

cannot beat You. I have the victory, and I believe this more than what he has done. I receive Lord: my healing, deliverance, strength, finances, a way out of all evil, Lord because You are the Waymaker."

My Children, I am telling you to pursue, overtake, and recover all that has been stolen from you. I will be your everything, children of Almighty God. I say, "Fear not. There is nothing to fear."

I have told you, My children, it is time for turnarounds and breakthroughs. I am doing more for My children and the world than at any other time in history.

My children, in My written Word it states, "If My people, who are called by My name, shall humble themselves, pray, seek, crave and

require of necessity My face and turn from their wicked ways, then I will hear from Heaven, forgive their sins, and heal their land." I have heard the cries of My people and all nations of this Earth. I am healing your lands and destroying all that is against you.

They will call it a monstrous storm. It is about to hit the Netherlands, United Kingdom, and France. This storm, My children, is to prove that a perfect storm is hitting your enemies. I have told you about these storms, earthquakes, and volcanoes. Do not fear and be discouraged. I am moving to deliver you. Trust Me more than what you see. I will protect you.

Brace for impact, oh United States. Your supposed government is planning a power grab. They are very desperate at this hour to stay in

power. Just stand and pray. You are about to see the works of My hand against them. This power grab and hijacking has gone on for too long. It is coming to an abrupt end. To My children in the army of the Lord, this battle is won, and you are on the winning side.

Danger is lurking behind so much in your nation, oh United States and the countries of this world. You have no idea what is taking place. I will destroy and annihilate anything that is against you. Revival and Glory are coming. Your enemies want so desperately to stop it, but nothing will work against Me, saith the Lord of Hosts.

News will break regarding the Grand Canyon National Park. Look for this sign. Breakthroughs and turnarounds will follow. 2022 is a year for you.

To My United States, look for an uptick of eagle sightings. Eagles will be reported across your land in greater numbers which is another sign I am raising the eagle. This nation will rise greater than before. Just watch, My children. I am giving you multiple signs to show I am in control, I am delivering you, and your enemies never win.

To My children in Ukraine, I am your Protector, and everything done in your land in the dark of night behind closed doors will suddenly end. If this didn't take place, there would be genocide of not only your nation but all the nations of this world. I am shielding you. I love you. I want you to know My hand is moving to set you free, saith the Lord of Hosts.

Australia, another weather event will hit your land for a cleansing,

exposing and annihilating the plans against you. I am here for you, Australia. I am completely setting you free from this tyranny.

Watch Poland. A major weather event will take place in your land, and it will be breaking news everywhere. My children, this event is yet another sign to let you know I am in control of this hour of confusion, and everything will be okay.

A major lightning storm will hit your land Oh, United States in Washington D.C. Yes, and multiple States as well. It will destroy and start multiple fires to destroy things against you.

Vengeance is Mine, saith the Lord, and this is the hour of vengeance.

Multiple exposures of government officials will break out all over the news. They told you these were

conspiracy theories. These exposures are true but twisted to make people believe they were far-fetched and could never happen. Every lie will be revealed to the children of Almighty God, so brace for truth. You never thought you would hear an avalanche of truth to this degree all at one time, but the time has come.

The time has come for an avalanche of truth, so watch for more worldwide. Major events will be reported because the avalanche of truth is not coming; it is here, saith the Lord.

The winds of change are here. Watch for gusting wind reports in the news. They will talk of major unprecedented Derechos. No way! They will say that an inland hurricane of this magnitude has never been recorded. True, because, My

children, it never has happened before. My hand is swiftly moving across your Land, Oh United States and the Nations worldwide to cleanse, heal and restore.

Breakthroughs will occur one right after another. There will be freedom from all evil rulers everywhere in your lands. My children will be placed in those places of power; honorable men and women of God who care about people, who were handpicked and prepared for this very hour. There will be some who are not yet children of Almighty God, but they will be. I see their hearts, and they can be trusted to protect you, My children. They will not become unruly like the ones before.

God, all this seems too impossible. Well, My children,

it is a good thing there is
nothing impossible for Me. I
will show the world that is
who I am. You will all see that
I AM is your Protector,
Deliverer, Healer, Comforter,
Provider and soon coming
King. Rejoice in your victories
and start to celebrate. The
winds of change are moving
across your lands and will
change everything you see
now, saith the Lord.

THE DEEP STATE IS BEING EXPOSED

Date Word Received: March 8, 2022

For I, the Lord, this day have told My children, "I am moving My hand against your enemies." I have said to you that things will abruptly change. I have warned you about the weather, silence over your airwaves, governments being overthrown, and the Angel of Death passing over world leaders who brought havoc, death, and chaos. My children, I have also said, "Enough is enough! Let My people go! Let the world go!" Nothing will stop these words from coming to pass. As you experience the coming days, stand firm and do not be moved. What is coming will bring your freedom, not destroy you. No, what is coming will destroy your

enemies. No matter how things appear at this time, they are falling. They are failing to accomplish what their leader, the devil, asked. Why, My children, do they think they could ever get away with what they are doing? Does your adversary, the devil, ever win? The answer to that is no. You thought his fall was great when I threw him out of heaven? His fall will be even greater this time for everything he has done over the years to destroy My power, My presence in this world. To accomplish world control.

Everything will be wiped away by Me in one day. He thought he could speed up time through more destruction. My children, if I didn't stop what they are doing in Ukraine and what they did in the United States elections, there would have

been mass genocide everywhere. They would continue to use bio and nuclear weapons against you.

It is crucial, My children, for The Great AM to intervene in these times. Let Me reassure you again. They lose, and you win. "But Lord, how can all this be overturned? They have too much control. They have destroyed so many of our freedoms." My children, who do you believe that I am? Am I not the God who created this world and everything good in it? So who do you think has the final say? I do! Receive peace through My revelation knowledge. I see all. I know all. I can and will destroy all that is against you.

Watch for breaking news about the Everglades. "Lord, the Everglades?" Yes, a death occurred there but has been hidden. It will now come out.

This news will be breaking news to you, but that blood spoke to Me first.

General Milley, you will answer for what you have done against this nation. Treason! Yes, people will find out who you are and what you have done. The military will strip you of your medals and remove any honor you received. Treason will be your end and written on you for all eternity. But, General Milley, you are just one that I will expose. None of you can run and hide from the treason you committed. With China? Yes, they paid you to turn your backs, justify this fraudulent government, and allow this coup. You knew you did wrong but refused to repent. You have no remorse, and you would do it again for money and power. General Milley, you thought your actions would give you security.

But if you wanted peace and security, you chose the wrong side. You are about to take a fall, and you won't recover. Yes, your exposure is now, General Milley. You will be a general no more.

General McInerney, My son, your green light is now. Move forward with the plans you were given. I am with you, saith the Lord. I will protect you. The information you have will overturn what has happened in this nation. Yes, it is crucial evidence. You know who to give it to, and they are trustworthy. They are with Me. You know what to do. This is the time to do it. My son, you are special to Me, and you are here for such a time as this. The road has been long. Yes, but now the time has come for all of this to end. Stand firm and stand strong. I will lead you,

guide you, and protect you. General, you will be rewarded a medal of honor from Me. Yes, you will wear a medal of honor for all eternity in heaven. I know who you are and what you accomplished in this time. Go, Thomas. Go now, saith the Lord of Hosts.

My children, you will hear a specific name, who worked with him, and all his plans concerning you, whether past, present, or future. Saul Alinsky is his name. Many in your government followed his instructions. Two well-known individuals are Barack Obama and Hillary Clinton. While this is true, many more of his followers are even more distinguished. You will be in shock and awe to find out who is involved in the plans to destroy this nation, the methods to tear it down

from the inside out. They plan to eliminate the middle class, destroy the economy, shut down churches, and shut down all normalcy, including locking people down.

They enjoy locking people down, but they desire to go even farther than that. This group wants to do what Germany did in World War II but to a greater degree. First, they plan to destroy America and its citizens' love for their nation. They plan to cause division between races, rich and poor, and religions. The list goes on. They know once you turn on each other, you will not see what they are doing because you are too distracted by the division and chaos they created. You will be fighting the wrong enemy. They are planning your destruction while you look in another direction.

They are in your schools and have changed your history. They changed what really has happened since the foundation of this nation. Some became our founding fathers. Their process was slow and tedious, but they were patient until now. They are now using everything they can. All who are involved with this plan will become known.

Anyone connected or affiliated with Saul Alinsky will be exposed. He privately passed his teachings to your government officials through the yes crowd. They knew who would sell their souls for money and power. Each was tested. If someone passed, they became a member of the deep swamp in your capital. They staged wars/conflicts, manipulated markets and medications, and even infiltrated churches to deceive the masses. Their

goal was to affect every walk of life possible. Their playbook of instructions will be exposed.

They thought they could trust one specific person, but this person is on My side. He is working solely to catch them trying to destroy this nation. It is now time to expose everyone in your government and any person in power in your States, courts, schools, businesses, or churches that betrayed this nation away for money and power or influence.

My children, brace for truth. A well-known celebrity will be exposed for their connection in a child sex trafficking ring. Yes! This exposure will cause a flood of truth to break wide open like a broken dam. I will expose actors, producers, directors, and everyone else involved in child

trafficking or involved in taking this nation down. The connection between Saul Alinsky, George Soros, and Hollywood will become public.

Watch Mount Saint Helens. It is about to erupt big time, My children. This eruption is yet another sign of this fraudulent government's demise.

Someone will record a whirlwind over open water. This, My children, is a sign the winds of change are not coming there but here to destroy the works and power of your enemies.

Keep your eyes on Mount Etna. While this great eruption occurs, major news will break regarding Italy. Major exposures are coming out not only regarding the Vatican but also concerning every person that helped with a big lie in 2020. I will expose underground tunnels for what

they are.

People hid chips from the world to cause mass chaos and shortages. They were stockpiling them up. Reports will expose these facts and show the world these hidden contents in another cargo ship.

My children, they make a big deal about oil prices. Do not listen. They are using their words to instill fear and manipulate markets worldwide. They are trying to figure out the best plan to destroy the rest of you so they can make the most profit without these situations affecting them in any negative way. So they are creating a crash.

What's the truth about Russia, Lord? I told you, My children, all is not what it seems. I have told you this now for a while. The truth in Ukraine

will reveal what was planted there to start this chain of events. The doors are open, wide open for the truth to pour out.

Your military has stumbled upon more truth in that land. It needs to be dealt with to stop this One-World Government, to stop them from having complete control. My children, know that I am in control in this hour and these days, no matter what happens or what is exposed.

In the year of 2022, Your rightful President is being restored to power. It comes sooner than you think. Don't stop now. Don't give up now. The time has come for Restoration in this land and to all the nations worldwide. So

hold on, My children, it might appear bumpy, but your victory is at hand, and it is your time to celebrate, saith the Lord of Hosts.

DAYS OF JUDGMENT: DESTROYING THE WORKS OF DARKNESS

Date Word Received: Mar. 11, 2022

For I, the Lord, this day, am encouraging My children with these words for this time where there is much uncertainty, fear, and confusion. Know this, My written Word is truth, and it will set you free from anything that is in the world trying to hold you captive. I will not

let these things you see now stand. When My hand is moving against them, more people will walk away from Me, but at the same time, more will come running to Me, saith the Lord of Hosts. This is the time of the great separation. I have spoken about the separation of My children from the world and its demonic system and of My Remnant from the rest of the body of Christ. My children, this has been your time to prepare, build you up stronger, and raise you higher than any adversity you will face. Don't be moved from the right to the left or be dismayed. Focus on Me and My Word, and I will give you peace and rest, saith the Lord your Redeemer.

The news will announce mass shortages, market crashes, possible shutdowns, and lockdowns. Do not listen to any of these words. They are

just words that won't go anywhere. They will try certain things, but they will not work. My hand is moving, protecting, and delivering you.

They want to cause mass chaos on a scale never before seen. This will not happen. Neither genocide nor depopulation will happen. National shutdowns will not occur again, nor more lockdowns. No, because I always have the final say. They have gone as far as I will let them go, so their end is now at hand. So do not fear or be moved in this time of great shaking. I am here to deliver you.

Watch Yellowstone! I have spoken about this before. Things have been going on that were hidden from the public, but they can't hide anymore; obvious signs, smoke, and small eruption, nothing major. This earthquake will be reported. They

have tried so hard to suppress so much news from the public, but the floodgates are now open for the whole world to see and hear.

Again, I am mentioning the Statue of Liberty. One day you shall see it standing, but the next day there will be a collapse and then only rubble on the ground.

The same goes for the Washington Monument and many other monuments and symbols across this nation.

The bull on Wall Street will be in the news, so watch as this is a sign. The Babylonian system will crumble to the ground and will not control the world again.

Lightning will strike a major symbol in this nation, signifying their destruction and demise.

Watch the White House. It too will have a lightning strike signifying I am striking them all down, and Judgment is here to end everything standing in your way.

Insider trading, manipulating markets: a whistleblower will expose all they have done for so many years against you and the world, how some of your government officials were a part of this manipulation, how they used the markets to control bills they passed, for price gouging, inflation, tax hikes, etc. Many ask, "Lord, how does this all tie together." "Lord, I don't understand?" Soon, My children, you will see all they have done and every piece of their intricate plans against you.

I am telling you this again, My children, watch Taiwan. It will continue to be in the news.

Indonesia will be in the news again for multiple reasons: a significant weather event and major flooding. So watch for this, My children.

General Petraeus will be in the news. Watch for this, My children. Information will show which side he truly is on.

A female news anchor will be entangled in a scandal. Also, watch as you hear and see more fall for the lies they told and the truth they purposely never reported. Why? To save their jobs and receive more cash.

The news industry is about to take major hits one after another. These hits will show the world who had no integrity left. But there are a select few who did tell as much truth as they could. They will be rewarded by

Me for not bowing to the globalist agenda.

A news anchor will suddenly die. They will say it was a heart attack. Don't believe everything you hear. They are hiding the real reason, but that reason will be revealed.

Mount Everest will be in the news. Big time! Watch the tallest mountain and the information that comes from there. No matter how big or small, My children, nothing is impossible for Me. An avalanche will be seen and heard. This is the sign to watch concerning this mountain.

Concerning the Hollywood elite: a high-profile and very well-known actor for generations will suddenly pass away.

Bob Saget's death will be exposed, the circumstances surrounding his

death, and why there was blunt force trauma. Yes, this was no accident. Child trafficking will be linked and shock the world regarding this beloved father on TV.

"Haha! Inflation?" they will scream and shout. And Janet Yellen, herself, will be exposed for all they paid her to say these things causing prices to soar, inflation, shortages, and markets. Everything done was to cause fear and panic so their final take over could succeed. Remember, My children, who is in charge. It is not them!

A huge report will expose a pedophilia ring. Yes, it will uncover who was in charge in a specific part of the world. Then there will be many more exposed after this.

Every dirty and dark secret is coming

to light and will be destroyed in this time of great change. My children, know who always wins and know you are on My side. A thousand may fall at one side and ten thousand at another, but it won't come near you. Study Psalm 91, 34, and 93. Get them down in your hearts. Stand on My Word, and It will destroy anything in your way. My Word pierces your enemies. It is a two-edged sword. Shout out My Words. This will cause the most damage to any plans against you. See yourselves as the giants you are and know he, your enemy, is nothing in your sight. Not the other way around. He has had so many people believing this, and he has deceived them out of what was already theirs. These are My days to destroy the works of the darkness against My children. See yourselves as I see you; through the

eyes of Christ; through the eyes of victory.

Stand and receive these words today. This is your year and your great Exodus, saith the Lord of Hosts.

A GREAT CHANGE IS UPON YOU

Date Word Received: Mar. 23, 2022

For I, the Lord, this day, have an answer for the enemies of Almighty God. A New World Order? Yes, you want yours in this hour, but that will not happen. In this time, My great reset and the great Exodus will take place, saith the Lord.

Things in this world are turning around. With this great change, the

world will be released from your evil enslavement and thievery. My children will take their place of authority, and you, enemies of Almighty God, will lose all authority, money, power, and influence you once had.

The smell of your sins, that stench, has reached My nostrils for the last time. I am done with your lies and treasonous acts. Enemies of Almighty God, I am tearing your new world order apart, and there will be nothing left of it. You tried to speed up time, but you can't. My body is still on this earth, and the one that lives inside of them is holding you back. Your lust to destroy and kill millions/billions of people with your plans you wanted to take place right now has been stopped by My hand, saith the Lord. You will not

complete genocide nor a
depopulation of this world.

All your warehouses will be raided and exposed. Every underground tunnel and business you hid it behind will be revealed. The doors are opening wide. The roofs are coming off to expose all the contents inside. My judgment is hitting you, and it is far worse than anything you could dream up. At the same time, your worst nightmare is coming to pass. The destruction and freedom you tried so desperately to destroy in this world failed. Freedom will reign in this earth like never before while you are being destroyed, enemies of Almighty God. Your end has come. These will be the best days for My children, and it will seem like a dream. My glory and goodness I am raining down on them, and all the

wealth of the wicked is coming to
My children in this year of 2022.

I am shifting the influence, power,
wealth, markets, businesses, and
governments over to My children,
where it has always belonged. There
will be no more of your order, power,
or influence, enemies of Almighty
God. It is My Will on this Earth that
will come to pass. Your world order
is finished, saith the Lord of Hosts.

All inventions and everything stolen
that was meant for My children will
be given to them in this great
Exodus.

All world leaders who were against
Me are being removed, and it is
sooner than you think, My Children.

Watch the Gulf of Mexico as a major
sign will be seen there. Listen for
another cargo ship. Yes, but pay

attention to what is in this ship and what they say is on board.

Dubai will be in the news. Listen carefully to what they say is happening there. My children, the dam of lies is breaking, and the flood of truth is pouring out from everywhere.

China, you have lifted your fist to Me for the last time. Everything you have planned will be stopped and brought to nothing by Me, saith the Lord. You are nothing, and you are about to realize that.

Watch "the Biden." He will trip and fall on live TV after speaking words of truth he never wanted to say. Listen for his slips of the tongue. They are coming more and more. Obama and all who are with him can't control "the Biden's" mouth.

Yes, they are getting nervous about what next will come out. But this time, they will not expect what he says. No, this will be their worst nightmare. Biden will give Obama away. They will be forced to do something they don't want to do. Obama is itching to take center stage. Watch, My children, for their next moves. They will be forceful. Yes, they will be pushing all boundaries.

Nancy and Kamala will both slip and speak words they never meant to say.

Argentina will be in your news. Listen and watch for a weather event to be reported. Unusual, they will say. Know with this, My children, My words I am giving My prophets are true, so stand with Me, saith the Lord.

Your enemies are coming down now.

Yes, they will all fall before Me, saith the Lord. The world will see who was all on the side of darkness. They are all being judged even as I speak these words. Whether you can see these things happen right now or not, know many more things are happening behind the scenes than you realize.

Some of My children still do not believe even after all these prophecies are fulfilled. Open your eyes and see My hand is moving beyond the political realm to show you that I am The Great I AM, and I am here to deliver you, My children, out of the wicked hands that held you.

News reports about Egypt at this hour will come out. Look at what takes place there as a sign of your Exodus. Yes, a great Exodus it shall

be.

There will be more exposure regarding the Royal Family. A split? Yes, there are some on the side of truth, but there are also liars in the midst of them. A line has been drawn, and the truth has been revealed. There is a traitor in their midst. Charles is his name. Charles, you are about to take a major fall, a scandal. Yes, you have committed crimes against this world, your country, and your own family. They have had enough. You will hear about MI6, My children. A whistleblower will blow the top off the royal castle. Yes, exposure is coming. Charles had his hands on many things. They are dripping with blood, and he holds blood money in his hands. Watch. His FALL will be great, saith the Lord of Hosts.

Fauci, you can run, but you cannot hide from Me, saith the Lord. You are being let go. You are falling with no one to pick you up. Major news will be exposed about you. I am moving My hand against you. Yes, you are part of the days of Haman. What you wanted for the world will come upon you but not before you lose everything nor before the world knows exactly who you are.

Bill Barr will be in the news. Watch and listen for what he is about to say. He will give a hint to you, My children, to let you know whose side he is really on. Some have played parts in these chess moves that had to look like they were playing for a different side when they were actually playing on Mine.

Durham will be in the news again. Explosive intel will be released. I

told you, My children, about the rapid-fire against your enemies. They can't handle the truth, and a flood is coming their way which will knock them off their feet, never to regain their foothold against you, children of Almighty God.

News reports out of Iceland: watch for this. Breaking news, unusual weather events. Yes, I told you this before; I am giving you the news before the news.

A major sinkhole will be in your news. Watch and pay attention to where the sinkhole is located. News reports will come out of this area, and a sex trafficking ring will be exposed and destroyed.

You will see great changes: earthquakes, volcanoes, unusual and strong weather, political upsets and

uproars, removals, more stepping down, more retiring in the coming days. These changes are for your good, no matter how it appears.

What about the markets, Lord? What shall we do? Just pray and obey, and all will be well with you, saith the Lord. The markets are for their destruction, not yours.

So stand up.

Roar like the lion of the tribe of Judah. He lives in you.

Claim your victory.

Claim your healing.

Claim your redemption rights as a child of God.

Claim your freedom.

Claim your finances.

Yes, it is all yours now, saith the Lord your Redeemer.

REAT DESTRUCTION WILL COME TO YOUR ENEMIES

Date Word Received: May 7, 2022

[Watch video](#)

For I, the Lord, this day have considered the stars in the heavens and the works of My hand that I created for you to enjoy. I have seen the destruction your enemies have caused and what they intended to cause, but nothing they have done has gotten past Me, saith the Lord.

I am moving My hand to replenish, restore, and make new everything they damaged on this Earth; the financial system, your bodies, your food supply, your schools, churches, and everything they have done to enslave, control, manipulate, and destroy. **I am wiping it out like it never existed.**

I know, My children, that seems too good to be true or too hard to believe, but I will show you how good I am and how much I love each and every one of you. I am the same God in the Bible that delivered so many and set the captives free. I healed, delivered, and I am still the same God, no matter how your situation or the circumstances in your life may appear to be right now. I am good, and I am your Father that will never leave you nor forsake you, no matter what your enemies want you to believe.

Soon they will see My hand move in ways no one thought I would or could. Shock waves will hit worldwide. How abrupt things will change. I am here to deliver, and soon you will see that is true. Your enemies are being stopped,

destroyed, and annihilated by Me,
saith the Lord of Hosts.
