A GREAT EXCHANGE IS ABOUT TO TAKE PLACE

Date Word Received: June 15, 2022

[Watch video](#)

For I, the Lord, this day am telling My children, My body, to arise in this hour in great strength against the persecution, against the plans of the enemies, to rise above it all. I have given you the power. Tap into it today.

My children are asking, God, how do we tap into this power? **Proclaim this: "Lord, I take and receive the authority you have given to me through the blood of Jesus. I**

receive my blood covenant rights. I receive my freedoms and my deliverance. Satan, you can no longer take away what is rightfully mine because of the blood of Jesus. I am no longer a slave, but I am a warrior in the body of Christ. I am a heavenly armed soldier, and my victory is guaranteed." Hallelujah! My children, decree this. Get the revelation in these words because your enemy's destruction is great. I am pouring out revelation knowledge like never before because it is written in My Word that My children are destroyed for a lack of knowledge.

So, My children, no longer settle for natural reasoning and living like the world. Take My truth. Receive it, and it will destroy the lies you have believed and the chains that held you hostage all of your lives because of the lies your enemies got you to

believe. No more accept slavery and defeat, My children. Roar like a lion because the Lion of the tribe of Judah is on the inside of you. So shout for your freedom. Shout for your health. Shout until your children come home. Shout to your finances and tell them to come in. Shout until the walls of the enemies come down like the walls of Jericho. Shout until your chains come off. Shout until your enemies can't stay in your presence because of the power and the authority that is coming out of you.

Great changes are coming. Brace for the changes, My children. They will be sudden, and they will be something you have never experienced:

- Days of revival
- Days of glory

- Days of deliverance
- Days of restoration
- Days of a wealth transfer
- Days of your enemies' ultimate demise

Yes, you are living in these days.
Now receive this today, My children,
saith the Lord your Redeemer.

Gerber: will be in your news. Truth
will be revealed, and anger will grow
around the world for what they have
done against you, for what was
planned. There is proof, and this
proof will be shown to the world,
saith the Lord.

Shortages: yes, they will continue to
say this and use this against you, they
think. Leaked documents will prove
it is all a lie. A cargo ship and its
contents will also prove this is a lie.

My children, their chip shortages will be revealed and how they wanted to manipulate the car industry as well as every part of your economy. They wanted it to change to burden you with so much financial debt you would become more enslaved to them. I have told you before I am ripping apart their system, tearing it all down and freeing you from their enslaving you, My children. **I will not allow them** to go as far as they want to go. Know that what they wanted for this time was depopulation on this planet to a scale never seen before with their One World Order in full control. My children, they want you in their concentration camps again. They want to shut down churches for them never to open again. They want to destroy capitalism fully, so no one has a right to their own money or

their own businesses. They want full control of your lives medically. They want to be able to flip a switch and decide who lives and who dies. Yes, they want to control your bodies and, ultimately, your souls. That is their ultimate goal- to destroy your wills and your souls so you would break and fully become enslaved to them.

But, My children, I have intervened. I have stopped them from getting that far. Their plans and will, they will never fully get, even in the time of tribulation. They will get to see a lot, but they will never get exactly what they want, which is full control over this Earth and to destroy My power in this Earth. That could nor would ever happen, saith the Lord.

These people are not gods. They cannot have what they desire, and they will soon find this out.

Your enemies are about to experience destruction at a level never known to them. Everything will fall apart at one time. You, My children, will get back what has been taken from you by your enemies, and you will receive freedom you have never known. They will experience lack, defeat, destruction, embarrassment, heartache, and loss never known to them.

A great exchange is about to take place. My children, what is coming has never been experienced by mankind- the display of My power used against your enemies has never been seen like this. I chose you to experience: a kind of deliverance never known by My children, a wealth not known to this level, health and wholeness, and a great exchange of things stolen will be given back. Get ready, My children, for My

greatness to be on display for the world to see.

Spain will be in your news. Lies and manipulation will be uncovered. Yes, a leader will fall, and many more will follow all over this world, saith the Lord.

It is all about to come to a close. I will tear their empires down in front of the world.

A harbor will be in your news for an unusual reason, but is it really? My light will shine on the harbors and things hidden in the darkness. Yes, they have been unloading precious cargo in the dark of night, and it has been captured on video what they have been up to. Watch, My children. You will see it. All will be seen by the world, saith the Lord.

An expo will be in your news. Look

for what kind of expo it is, and you will know why I mentioned this to you, saith the Lord.

Tunnels will be in your news, and what has been transported in them will be exposed. It's not what you think. It's far worse. I am stopping it, and I am stopping them, saith the Lord of Hosts.

Archer: this name will be in your news.

An explosion will occur in Washington D.C. Watch for this, My children. It's a sign to you of its ultimate destruction.

A senator will be in your news. They will announce they are switching parties. It will rock the political realm, and the shock will bring the color of the blue to its knees. This party will be annihilated by the color

of red, for the party of the Donkey has much destruction and chaos about to take place. The harvest they are about to reap, they have sown, and their harvest is great.

Many seats will be in question right before the 2022 election. Midterms: My children, much change will occur before then. Don't look for man-made systems to fill those seats or replace the ones that will be vacated. My hand is doing that now. Every stolen seat will be given back.

You will have a new House of Representatives. You will have a new Senate. You will have a new government body, and they're all moving into their rightful places of power.

I am wiping out the infiltrators and taking them out of the equation.

No longer will this Nation or any nation be held hostage to the world's demonic system or the hold it had on you.

The housing market will crash to a level that will look like it will be devastating to you, My children, but don't listen. The evil system that was propped up, against you, and held you in those death grips, yes, that debt system is being destroyed by My hand. So do not let this shake you. I have everything you need. I have provided everything you need. They took it, and you will see them give it all back.

My children, you will financially know a life free from debt and lack. Yes, My children, that is My plan for you.

Every sickness plaguing your bodies

will be gone and destroyed. You will live a life where you won't need that medication to live. "Lord, that's just too good to be true, and it's too impossible to believe." My children, they caused it all, so why would I not make things right. I did it for My children in Egypt, and I am doing this for you now.

Trust in Me like never before. Believe Me, My children, more than those liars and the system they enslaved you with. I am the waymaker, and I have already made a way out of this.

So get excited, My children. Your lives will forever change for your good.

Marcus: this name will be in your news.

The White House Press Secretary

will be in question if she is capable of doing her job. This headline will be in your news. A shocking revelation will be revealed.

You will see more of a mass exodus starting to exit stage left, you would say, out of this fraudulent administration. They want to distance themselves and get away as fast as possible because the handwriting is on the wall- **"the Biden" will fall.**

So, hear this, My children. Get ready and get right before Me. Great changes will occur on levels you didn't know existed.

Lift up your heads! I am here! My plan will succeed! My Will will be done on this Earth, saith the Lord Redeemer.

GREAT MILITARY MOVES ARE ABOUT TO BE SEEN

Date Word Received: October 22,
2022

For I, the Lord, this day am telling
My children to celebrate the fall of
your enemies, their system, this
fraudulent government, their news
stations, their court systems, their
education systems, and **their medical
industry.** Celebrate your freedom
from their slavery, and celebrate My
hand moving.

Everything they enslaved you with is
about to fall suddenly. My children, **I
am the Great I AM, and none of
this is bigger than Me. None of this
is impossible** for My plans to
override, overthrow, and wipe out
all of their plans. My children, no
one can stop, change, or alter My

Will. This is the time for their end.

My children, shout these words: I am free to serve God. I am free in every area of my life. I am free from this Babylonian system. I am free from their chains of the One World Government. I am free from the sickness and pain their food and medicine have caused. I am free from the stress and fear they caused, to cause an unlimited amount of diseases. I am free from that fear. I am free from their deceptions and lies. I am free from their economic system that held me captive, because God is My provider, and I always have more than enough. I cannot be defeated because Jesus won my victory.

Lord, we thank you for this time, for a new opportunity to live for You freely. Lord, we thank you for

everything You have done and what You are about to do. We will not focus on what the world wants us to focus on, what the enemy wants us to dwell upon. I trust You even when I can't see it all, because You have won it all for me, and I believe You more than anything else in this world.

My children, shout these Words. Get them down into your heart. Let them become a war cry every day, instead of the thoughts your enemies want you to dwell on and every lie he tries to overwhelm you with. No, focus on Me. Focus on My Words. Focus on Jesus and the price He has paid. **Focus on Satan's defeat. He is defeated, and so is everyone with him. So shout it every day. All who are against Me are coming down,** saith the Lord your Redeemer.

A giant swell will be in your news for an unusual reason in more ways than one.

Anjelica Huston will be in your news for a very surprising reason.

A building collapse will be in your news. Pay attention to the location where this takes place. More events will happen there that will expose more of the deep state.

My children, I told you I have infiltrated the infiltrators, and more whistleblowers are coming forward with proof that will turn this fraudulent government on its head. **Nothing can stop the collapse of Washington, D.C. itself or what it stands for, no matter how hard they try or how much money they throw at it. My army is moving closer and will take them all out of their**

positions of power.

My children, **My government controls this Earth, not man's.** So watch Me move My hand across this land and the nations to deliver you out the hands of the enemies, saith the Lord of Hosts.

The Tigris River will be in your news for a surprising reason.

The Euphrates River will also be in the news and will be shocking and unusual.

Rolling blackouts will be reported all over. Why they are taking place is not the reason the news media will tell you. **There are substantial moves being made against this fraudulent government's removal. Military action is taking place.**

My children, I will say this again,

arrests are now being made. Your enemies can't hide much longer the fact they are failing to deceive this world into thinking they are in control. They absolutely are not, and I will show you this is true, saith the Lord of Hosts.

My children, someone well-known in the party of the blue is about to die unexpectedly. It will shock you who it is. They tried to keep her alive, but the time of judgment is here, and their procedures that worked before to help keep people alive aren't working anymore. You will see more of them start to drop like flies. They can't withstand My hand or My judgment, saith the Lord of Hosts.

"A great discord": this phrase will be in your news for a surprising reason.

A chateau will also be in your news

for a surprising reason.

Cassidy: this name will be in your news for an unusual reason.

Turkey: I say this country's name again. Something significant is about to take place there. Watch! I told you things hidden there are about to be released.

Cambodia will be in your news for a surprising reason.

A major volcanic eruption will be in your news reports, and it will get the world's attention because of how unusual it is.

So, My children, get ready for the shaking to intensify. Things will begin to change suddenly, but do not fear or be unsettled at what is about to be seen. Remember whose side you are on- **I will never fail you,**

and I never lose. So stand in faith on My Word that I am your deliverer, and I am delivering you from your enemies.

Changes are about to be seen everywhere in all governments. **Great changes are happening because a great move of My military is happening all over this world.** Receive that **this is the time of revival and the time of My Glory,** saith the Lord your Redeemer.

(HEARD MORE FROM THE LORD LATER THAT MORNING)

My children, **no longer** be deceived. **No longer** accept defeat. **No longer** lay down and quit. **Stand** on My Words and **watch** how fast your enemies scatter before you. **Take** My Authority that I have given to you. **A high price was paid for that gift.** It

was the blood and the sacrifice of Jesus Christ. **So stand for Him. Stand on the price that was paid for you. See** your enemies defeated. **See** yourselves as more than conquerors because that is what I have made you to be.

This Earth is Mine, and I have given it to you. **No longer let them control you or enslave you, as they do not have the power or the authority to hold you hostage. Take** what is yours this day, saith the Lord your Redeemer.

LEADERS ALL OVER THE WORLD WILL SUDDENLY CHANGE

Date Word Received: October 27,
2022

[Watch video](#)

For I, the Lord, this day am telling
My children a great shake-up has
begun- a shake-up of governments, a
shake-up of churches, a shake-up of
nations, a shake-up of economies,
and a shake-up of all things in this
godless system. A shake-up is
necessary to shake you loose from
your captivity and the slavery you
have endured your entire lives.
Generation after generation, they
have lived under these lies thinking
this was normal, and they never
fought for the freedoms that were

already theirs.

My children, this evil has gone on over and over again, and today it grows continuously worse at a rapid pace. Your enemies saw they were losing and wanted to pick up speed to cause more damage and take control of this world faster. They were too impatient to wait for the original set time, which was too far off, so they changed it and pushed their agendas through at warp speed, you would say.

They wanted to stop the revival, stop the awakening, stop the time of My Glory upon this Earth, and stop the time of My church. They have tried everything they could, but they have failed because so many of you still believe. You are still praying. More are being added to My Kingdom every day. This was never possible in

their eyes, because they were too smart and intelligent for their plans **not to work.**

They are like gods they were told, and they were given the power to be like one. The adversary has not only deceived them into believing this, but they have deceived some of the world into believing this as well. They believe they have the power because they have the money needed to accomplish anything they want. Your adversary, the devil, has used different people over the years to try and pull off the same plan that never works- to overthrow Me. But it will never happen.

My children, **do you not see** your enemies failing? **Do you not see** them falling? **Do you not see** them resigning? **Do you not see** some being removed? **Do you not see** them

slipping up on live TV and giving themselves away more and more? **Do you not see that your enemies will always lose, and I will always win?**

My children, when you know this for sure, the fear you have endured will stop, and joy will come. Stand on My Word. What I say is truth. Watch that truth set you free, saith the Lord your Redeemer.

France is about to be in the news for a significant reason. The President is about to be enveloped in a major scandal. Watch him be removed by Me, saith the Lord of Hosts.

Keep your eyes on Canada and Australia for major political changes. **Darkness has struck your enemies' places of power, and more and more are being removed in this hour,** saith the Lord of Hosts.

Something significant is about to take place in Africa, especially in Egypt. Watch a shift and a shake-up take place.

President Zelensky is about to be unmasked and will be brought down.

Watch "the Biden." Something significant will take place.

World leaders are about to change suddenly. My hand is moving to remove them all, saith the Lord of Hosts.

A major dust storm is about to take place. Look at this location. More events are about to be seen, and many exposures are about to take place there.

Are you ready, My children, for these changes to take place? Please, My children. It is time to take your place.

Some would jump and say yes right away, but think about this question. Are you ready for everything you see as normal to suddenly change? Economies, governmental power, churches, and everything else you know are not going to stay the same. Will you still answer yes?

Those in My remnant will say yes. Those playing church will say no, along with the rest of the world. But, My children, I am preparing you now to take back all that is yours, to receive what has belonged to you all along, to receive your freedoms, your healings, property, and finances, and to go and be the blessing vessels I've intended you to be. Go and bless the nations. Show them My Glory.

My United States, be ready. The scenery of your Nation is about to change for your good- governmental

change, judicial change, presidential change, and economic change.

Everything they told you this Nation stood for, but didn't, will suddenly be gone. My hand is removing their monuments, their symbols, their laws, **their medical industry**, their food industry, their news, and their economies.

Their lies are being exposed, denied, and destroyed. My Nation is being reborn. My Nation is rising up higher. My Nation will fulfill its calling on this Earth. So, My children, rejoice in these days because I am about to be seen like never before, saith the Lord your Redeemer.

GIANT MOVES HAVE BEEN MADE TO SECURE THIS NATION

For I, the Lord, this day am telling
My children the Jackal is falling. Say
it, say it out loud, and say it again
and again- the Jackal is falling. Who
is the Jackal? It's "the Biden."

**The death grip on this Nation has
been destroyed** and brought to
nothing. Death grip, Lord? Yes, the
control of the evil rulers, their
financial systems, their medical
systems, their education systems,
their rule, and everything of theirs
that held you to bring death to you,
death to this Nation, or any nation, is

annihilated. It is finished. Do not cry in defeat. Do not cry in despair. Do not see things that way. See these things through the eyes of victory where **you have already won.**

America is not dead.

Freedom is not dead.

Liberty is not dead.

Justice is being served, and great judgments will be seen against the ones who have held you and held My Nation.

Major corruption will be eradicated, and explosive evidence and exposures regarding the UN and the EU, connections to the One World Government and this fraudulent administration in the United States, and the WHO, and how they devised a great plan against you and the whole world. Fauci, Biden, Nancy, Mitch, Chuck, Hillary,

Zelensky, Trudeau, Macron, Gates, Schwab, and many of the world leaders devised a plan to steal your nations, your freedoms, and your lives. For world control and great depopulation. They planned to continue to lie and continue to enslave. Their plan was to completely take over. A plan to kill, not just lives, but to kill any independence, any faith, anything they didn't want you to have, like privacy or your own way of thinking. They had planned to take it all away, and **you haven't even seen or experienced everything they wanted to have done to you by now.**

A great fallout is about to be seen. A great fallout and a great collapse. A great surrender, a great silence, a great reinstatement, a great restoration, a great transfer, a great

removal, a great glory flood, great celebrations, and a Great Exodus. Yes, My children, a great fulfillment of My Word. **A great time to be alive**, saith the Lord your Redeemer.

Acquis: this name will be in your news for a surprising reason.

Mergers and acquisitions: this phrase will be in your news for a shocking reason.

An unusual hailstorm will be reported, and where this takes place will surprise you. It will get the world's attention.

A surrender will be declared by a world leader, and it will bring shock and amazement to the world.

It's not over in Georgia. Great truth will be revealed, and overturning will occur.

Keep your eyes on Arizona. It's not over there, either. **The cover-up that took place will not stand.**

Great shockwaves are coming that will overturn and overthrow their elections and their fraudulent government.

ETA: this phrase will be in your news for a surprising reason.

A well-known garden will also be in the news for a surprising reason.

Aqueduct: I say this word again will be in your news for a significant reason.

Admission: this word will be in your news for a significant reason.

Warships are moving; the waters are roaring, and the cover-up will no longer stay covered up. The waters are moving, and what's underneath

will be seen.

I will say this again, watch and listen for significant news regarding the Atlantic Ocean and listen for something significant that has been going on in the Mediterranean Sea. Something shocking has been going on in the Pacific Ocean, and territory has been given back. **Giant movements have been made to secure this Nation**, to restore this Nation, and to free this Nation, saith the Lord of Hosts.

Something significant is about to take place in Venezuela and also in Argentina, and keep your eyes on Brazil. **Something that has been brewing is about to be unleashed.**

Watch the markets tumble. Do not listen to what they say took place, and remember I said **theirs is falling**

because they are falling. This sign is for your freedom, My children.

Angela Merkel: this name will be in your news. A whistleblower will be significant because it will bring explosive evidence that will destroy their narrative big time.

A great shaking will occur at the Federal Reserve. A whistleblower is coming to destroy their lies, their chains, and their narrative.

Symphony: this word will be in your news for a surprising reason.

A tiger will be in your news for an unusual reason.

My children, unusual days are ahead, not to bring fear but to expose your enemies and to bring you victory. To wake people up, to shake them out of their comfort zones. Stay the course;

I say this again. Stay focused on Me, and soon you will see a great healing in My Nation and My body around the world, saith the Lord your Redeemer.

THE TECH GIANTS ARE ABOUT TO FALL

Date Word Received: January 8, 2023

[Watch video](#)

For I, the Lord, this day, am **sending a war cry** to My church and My children to **come together, stand in My Name, have faith in My Blood, and stand on My Word**, even when circumstances are screaming at you not to because it appears nothing is happening. My children, that is the **farthest thing from the truth.**

Darkness has appeared to be winning, while light has been diminishing. Evil is ruling, while good things don't seem to happen anymore. Justice has been trampled upon, and injustice is running rampant. **Nothing is staying that way. War drums are playing** to let your enemies know that My church is **awake** and My angel armies are with you and marching into the enemies' camps to **take back everything that belongs to you.** My children, these are the days for My Great Exodus and for you to experience great victory in the year of 2023.

I am pouring out My Glory like never before, so expect it, take it, and receive it. Glory days are here to stay for My children. Get ready for a great outpouring that I have for you in these days. **Don't give up now.** Your victories are at hand, saith the

Lord your Redeemer.

My children, the economy is about to shake. A great rumbling has started to expose all in control of the world's wealth. Governments, corporations, Hollywood, election officials, elections, intelligence agencies, judges, lawyers, the DOJ, your House and Senate, your White House, and your news media will all be exposed.

Whistleblowers are coming, and again I say they will no longer be silenced. Your Pentagon is being exposed. **The medical industry is being exposed.** The globalists are being exposed. **This is a great year for exposures and a mass exodus of people out of positions they don't belong in.**

A mass exodus is coming of

powerful seats being vacated in powerful corporations, and big tech going bankrupt. Get ready, My children, for a great shaking to all the big tech giants. I will say this again, My David is here to bring them all down, but **My children, speak them all down now, and every lie will be revealed.**

Another island will be in your news. Yes, another island that so many used to hide what they had been doing to children. I told you before Epstein Island was not the only one.

Underground cities will be exposed of child trafficking, and where all the tunnels lead to will shock you. My Children, much **darkness has been hidden that My light and My truth are exposing in this hour**, saith the Lord of Hosts.

I am saying this again, Florida is

about to be in your news for
**something very significant that will
change the course of this Nation.**

Guantanamo Bay will be in your
news. You're about to hear all the
things that have taken place there that
have started a shift of this Nation
away from the globalists' control,
saith the Lord.

Archaeologists are about to uncover
breaking news. People will be
shocked at this newfound discovery
that had been hidden.

Gold is about to be in your news for
a significant reason.

Something significant is brewing in
Mexico that you don't know about
yet, but **you soon will.**

A massive avalanche will be reported
that will get the world's attention..

Something is about to take place in New York City that will get the world's attention, and great exposures will continue to pour out of that area.

Again I say, pay attention to the next wildfire and where it's located. Something significant will also come out of that area.

Significant evidence will pour out of DC regarding many crimes that have been committed by many government officials. Get ready; a flood of truth has started that they cannot stop from ultimately destroying their narrative.

This country's history is about to shock the world- how corrupt corporations paid to control this Nation and to steal freedoms from not only the American people but

the world, and it's all coming out,
saith the Lord.

Great exposures will come out regarding the Rothschilds, the Kennedys, the Bushes, the Rockefellers, and many more families who have controlled many things behind closed doors. I have told you before- **I'm opening those doors wide open to destroy this corruption once and for all,** saith the Lord of Hosts.

Magma: this word will be in your news for a significant reason.

A bell tower will be in your news for a surprising reason.

Charles is about to be exposed big time. A great exposure is coming regarding the royals that **no one saw coming.**

My children, a great battle for the soul of this Nation is about to be seen and felt. I told you a great shaking has begun to free you from the globalists' control, and it's now. So, get ready for shock and awe to take the world by surprise. Your year to be free is here in 2023, saith the Lord your Redeemer.
