

# God's Judgment of Bill Gates

Prophecies and excerpts from Julie  
Green Ministries

<https://www.jgminternational.org/>

Bill Gates, your gates have come down. You have nowhere to go. My angels are against you for the betrayal of this nation, for the death you have caused, for your part in the pedophilia rings, sex trafficking, covid and the global reset. I will expose it all. Your sentencing will be treason. Death shall come to you but not before you lose everything you hold dear which is your money and power that you sold yourself for. Everything will be taken from you. The angel of death will visit you where you

sleep. (December 3, 2021)

Bill Gates, I am exposing you and all your plans to destroy this nation and humanity as we know it. The way you manipulated businesses, the medical industry and food medications and anything else your hand touched including child sex trafficking will all be exposed. Your money and power will be stripped from you and then your life will be taken from you. The angel of death will visit your house. (January 19, 2022)

Bill Gates, don't you dare think you are in the clear. You will let Fauci fall hoping to save yourself, but it is too late for that. Nothing can save you for what you have done to the little

children and your design which you helped put in that vaccine. Yes, you paid people to do your dirty work, but you had these plans, and you hired people to figure out how to do it in those laboratories. There is no hiding from Me... (February 19, 2022)

Bill Gates: his name will be brought down, and he will be judged in this hour. He will lose everything he has, and then he will lose his life, saith the Lord of Hosts. Treason will also be written on him for all eternity. The blood pouring from his hands speaks to Me for justice, and justice will be served. (April 8, 2022)

Bill Gates... You can not hide from Me, saith the Lord. You will pay a high price for what

you have made this world endure....You will lose everything, and I mean everything. Then you will pay with your life, and treason will be written on you for all eternity... (April 10, 2022)

Bill Gates will be in your news about something so big they never thought would be told. People were paid to keep this quiet, but they didn't count on one of those people being Mine in a covert operation. The sting on this one for Bill will be too big for him to recover from. Watch, My children, as he falls in front of the world, saith the Lord of Hosts. (July 16, 2022)

All the world leaders that have been strategically placed all over the world will come down

and be **removed by Me**. You have just seen the beginning. Removals will begin to become more common. Watch as they all come crashing down. They will all lose what they thought could never be taken. Their positions were guaranteed by George Soros. They were guaranteed by Bill Gates. They were guaranteed by Henry Kissinger. Oh yes, the list will continue to grow with who has been in on this whole thing worldwide. These men thought they were too powerful to fall. Well, so did many enemies of My children in My Word. And **none of them got what they wanted**, saith the Lord of Hosts. (July 20, 2022)

Bill Gates is about to be exposed. Someone they didn't

know about has video and audio proof of his plans and how sick and evil he really is. Bill Gates will not stay where he is. He will not keep his financial prosperity. No, he is taking a big hit that he will not recover from. All the land he bought for this world takeover will be taken from him, and Microsoft will be given to someone else, saith the Lord. (July 29, 2022)

To George Soros, Bill Gates, Mark Zuckerberg, Jeff Bezos, Klaus Schwab, all the secret societies, and all the leaders from around the world: **HEED THESE WORDS - My hand is moving now against you.** All of you will end up like Pharaoh in My written Word. You refused to listen. You hardened your hearts, and you pursued

My children with no remorse or repentance. Your fortunes will be taken from you, and death will come to each of you for the death and destruction you caused My children and the Earth that I created. **They were never your property or your slaves, and you will see that before you take your last breath - the freedom of My children and the destruction of your empires, finances, and your influence. I am ripping the secret societies apart like they never existed. Everything you have stolen will also be ripped from your hands.** (June 13, 2022)

## **JUSTICE IN THE FALL**

Date Word Received: Dec. 3, 2021

Just as Fall, justice fall on the enemies of Almighty God. Judges, take your places of morality and justice or be removed. I am moving through the justice system of this land in this hour. Rulings and sentencing will be brought down and finalized for your enemies of this land. More Justices on the Supreme Court will be removed by Me, by My hand for their heinous crimes against you. The ones who were appointed by Obama will also be removed by Me. Concerning anyone in a seat of a judge that will not rule for justice, liberty, morality and the Constitution, I will do a clean sweep of those judges and lawyers in this nation. Yes, I am cleaning the house of your entire judicial system. I will not watch criminals go free and the innocent be locked up. This government has used and abused

their powers in the judicial system along with the FBI, the CIA, and the NSA. They were used by another arm of power to destroy the masses, and I am dismantling that system. It has become a cesspool of dirty deals against the people in this nation, to rob, to kill and to spy upon others for their own gains. I speak destruction over this current system, and it is coming down in this hour.

Again, to all that are against you, to every person who has come here illegally to help in the coup and the destruction of your nation, line up and be prepared for your judgment. Judgment because of the money you took, money that had been given to you to destroy this nation from within. I will rip any freedom that you thought you had, any power, and any plans you had against My nation or My children. I am moving against

you. My angel armies are standing against you. You will not strike this nation in that planned attack.

You had been given those orders, but I WILL MYSELF STOP YOU! You will not succeed in your plans and the destruction of this Nation. The party of the blue had been given to you. Not only will all of you be taken out but so will the ones who paid you to steal and destroy this nation. Yes, to the party of the blue, I am coming for you and to the ones who pretended to be red but were not - just so the blue could control both sides for political gain financially and with power to destroy this government and any and all systems put in place by Me. And all of you know who you are. I have your names. I know where you live and where you hide. And now My spotlight will shine on you and

expose everything hidden in the dark. When I get done with My mighty works, no evil will be left standing in your government. NO!!

The ones who I have appointed and anointed will be put into their places for such a time as this!

Bill Gates, your gates have come down. You have nowhere to go. My angels are against you for the betrayal of this nation, for the death you have caused, for your part in the pedophilia rings, sex trafficking, covid and the global reset. I will expose it all. Your sentencing will be treason. Death shall come to you but not before you lose everything you hold dear which is your money and power that you sold yourself for. Everything will be taken from you. The angel of death will visit you where you sleep.

The angel of death is again coming. You will hear of mass deaths in this hour concerning the enemies of Almighty God! But, My children, do not fear when you hear of so many deaths. I am protecting you just like My children in Goshen. I separated them. Plead the blood of Jesus and put the hedge of protection over everything that you own. This angel cannot touch you.

To My children who have taken the shot and are concerned about the side effects and what you are hearing that is happening to so many, be still and know that I am Almighty God. I am wiping away any evidence of anything that shot was designed for, and it shall not harm you.

I am moving across this Earth to heal and restore all that has been done to you through your enemies' plans to

destroy you in any way they could. I am doing a cleansing across this Earth and across the masses. I will move, heal, restore and make whole once again. Miracles are breaking out all over this world as a sign that I am moving, and I am still the same yesterday, today and forever.

Disney, you are being exposed in this hour because of all that you have done with the children, for how you have been used by the elites, for the lust of the flesh and for your propaganda in your shows and your movies to control and deceive the masses. I will dismantle you and destroy your plans against My children all over this Earth. You will not have any power left after I get done with you, saith the Lord of hosts.

My children, arrests have already

started even though the news media is hiding what has been going on. Hold on as My show has already begun, and this show is about to get very interesting. It's coming to a climactic part where everything changes. The storyline and the plot that was in this earth is wiped out by Me. Acts I am about to do will shock the whole world for this is the hour of The Exodus, of wealth transfer and of the new: a new life, a new beginning, a new economy, a new everything. You are about to see your promised lands where there is no lack of any kind. Watch My hand move, My children, to save and deliver you. Shout! It's the time of the new, saith the Lord.

# **THIS IS THE HOUR OF JUDGMENTS**

Date Word Received: Jan. 19, 2022

I, the Lord, this day am warning My children, of attempts by your enemies to cause conflict and fear with devastating events happening across your land: from both borders, from a virus, from the stock market, from shortages, and from gross inflation. They wanted to cripple this nation before they were removed. They think that by doing all of these things, there is some chance they can win and can stop their removals from power and can stop their destruction from coming to pass. I, the Lord, have spoken My Word and Will on this earth. No matter what the news says and no matter the supposed chaos they try to cause, know that I am God, and I saw this coming. I told

you all these things in advance so you can speak My Words in this situation and bring life and peace into your nation. The Red Sea is about to completely close on your enemies; they are desperate to stay in power. I will remove them, all nations and their plans against you.

China, I see you and all your disgusting plans to take over the United States for world dominance for you to finally have what you want which is total control. I, the Lord, have said enough is enough. China, you will never have My America, My United States. To everyone that worked with you, that was a part of this government and helped you, not only am I taking out China, but also every single person who sold out My nation to China for financial gain, power or stability. China you had no idea that while you infiltrated Me and

My nation, I had infiltrated yours. My hand is about to move to bring your government and your nation to its knees. You will never completely regain your finances or power again. You will struggle like Egypt struggles, to this day, to stay afloat. I am stripping you of the money and power you used to manipulate, blackmail and hold my nation hostage. You will be stripped of anything you had that belongs to the United States or to My other nation, Israel.

To My children who live in China, I'm setting you free, so do not be in fear regarding these Words. I'm delivering you out of this dictatorship and slavery. I am judging your government officials for their acts, not you. Anyone who stands with your government will be judged and receive the same fate. China, I am

exposing the plans you had against My nations; the terrorist attack you were planning, your plans for total chaos in the streets to weaken My nation, the United States, so as to distract them from the military moving in this hour to reinstate the rightful president. I, the Lord, have said that you are finished, and My Angel armies are against you. You shall no longer pursue nor stand against My nation, nor My children. To everyone that infiltrated the government, jobs or businesses so as to destroy this nation from within, I am bringing you all down with My Judgements against you for not turning back and repenting for your actions against Me and My children. I am stripping the farmland you stole and giving it back to My America the Beautiful once again. China, you are finished in this hour. My hand is

moving against you, and you have nothing in your power to stop it.

Bill Gates, I am exposing you and all your plans to destroy this nation and humanity as we know it. The way you manipulated businesses, the medical industry and food medications and anything else your hand touched including child sex trafficking will all be exposed. Your money and power will be stripped from you and then your life will be taken from you. The angel of death will visit your house.

This is My hour of Judgment for this Earth to strike down every evil plot, scheme and plan and everyone who was in charge or joined in with these plans. Judgment will rain down on you. Removals will be great in this hour, so hold on, My children, for a massive impact is about to strike

Your Land of Truth with explosive exposures and removals on a scale never seen before.

Watch. You will hear of reports regarding the Mediterranean Sea. Once you see this, all bets are off you would say. The avalanche impacting your nation is an avalanche of Truth.

Your enemies are petrified of the truth, and they are running to and fro to try and save everything they can, moving assets around and putting money in various accounts to hide what they have from Me. But little did they know, I see it all, and they can't stop these flood gates from devouring everything they have. But when I, the Lord, complete this wealth transfer, it won't matter where they have hidden things. I will blast it out of every place and every crevice and give it to its rightful owners

because it has their name on it. Nothing can stop this Blessing Explosion, this wealth transfer to the hands of My children. Pharaoh couldn't stop it then, and these so-called pharaohs of today can't stop the wealth transfer today either. This is the time of their end of ruling on My earth and over My people.

Biden's coffin will be revealed in the White House. They stumble upon the truth and Harris knows, along with many others in this supposed administration. The truth has leaked out. Video evidence has been seen, so now they are scrambling to hide it from the rest of this nation and from the world. But it's not going to happen. I am blowing the roof off the White House, Capitol building and exposing all the rats inside along with everything they have been hiding. I will unmask "the Biden" in

front of the world and all will see who was really behind that mask.

Obama, your earpiece has been stripped from your ear and your puppet strings have been cut, and all will see you and the shadow government you had in your basement. I will destroy everything and judge everyone for their part and the hand they had in this coup against My nation. The sick joke you committed against the United States for your one-world government is now being stripped from you.

Obama, you can feel everything being stripped from you, and you are becoming powerless and useless against My nation. The puppet masters will let everyone fall for you while they try and protect you but you will see who will get the last laugh, and it's not you, saith the Lord of Hosts.

My children, the imploding of your enemies' empire and regime has begun. Everything of theirs is falling apart so start to rejoice and celebrate. I am setting you free in this hour from their tyranny. I am the Lord and will always have the final say, and the time has come for My Reset to take place, saith the Lord your Redeemer.

## **MASSIVE EXPLOSIONS OF TRUTH ARE ABOUT TO FLOOD YOUR AIRWAVES**

Date Word Received: Feb. 19, 2022

I, the Lord, this day, have spoken many things through My prophets for this time you are living in: to get your houses in order, to get right

before Me, to show you that I am a sure thing and to show you that everything you see will not stand. I am in control no matter what things look like. I am the One True God, the Creator of Heaven and Earth.

Your enemies have tried to destroy everything they can get their hands on: to bring you to your knees; to get you to submit to their power and to rule over you. They want you to believe you are nothing, that you have nothing, that you have no authority, and that you have no ability to fight back.

Well, all of that is a lie. You have more power than you could ever dream of having. You have the Greater One on the inside of you. They don't. Again, My children, be like 'David versus Goliath'. He knew his Covenant, and he was bold in the

face of adversity. You need to do the same thing. You have a better Covenant than David. You have a blood Covenant with your Lord and Savior, Jesus Christ, and nothing can beat that. So stand and face this adversity knowing you won't lose. I have already won these battles for you.

Major falls are about to take place. Massive explosions of Truth will flood your airwaves.

Jerry Nadler, I am coming for you. Judgment is about to strike you down to the ground for your crimes against this nation and against the rightful president. You will fall on live TV. They will say you just fainted, but you will not get up from this. Everything you have done in secret will be exposed. Your heart is failing from the apprehension of what is to

come. Treason will also be written on you for all eternity. There is nowhere to hide from this. You had your opportunity to turn away, but you stood your ground against Me. Now judgment is coming, and you will lose everything, including your life.

Ilhan Omar, I have said before you will be exposed. Explosive information will flood the news with what you have done giving secrets to foreign nations and breaking every type of protocol that would protect the American people from foreign nations. You have given security information to your land and your overlords, you would say. I am exposing you. You know you helped with another terrorist plot against this nation. Not only will I expose you and your plans, I will expose every person that infiltrated this nation to carry out this attack and where they

live.

A hornet's nest will be found in Minnesota and Michigan. You thought that no one would really look in those States. Your bunkers and your training camps will all be exposed. 911 wasn't big enough for you or those with you. Ilhan Omar, blood drips from your hands, and you will pay a price for that blood. You are a traitor and a liar, and you will pay with your life. That terrorist attack you so desired will not happen. I have people in place to stop it before it starts. Nothing will come of your plans.

Iran, how dare you infiltrate My nation and plot to steal and kill in this land. You are being destroyed yourself. What you sow, you shall reap. I will show the world that not only China financed your attack, but

so did so many in this fraudulent government. Oh, how nasty were your plans. You came in through the borders and on planes during the middle of the night. You have young men of fighting age all over this country. But guess what?

My hand is against you, and your plans will blow up in your faces. Your plans will not go how you want them to, and every person here will be destroyed by My hand, like Pharaoh and his men. Every person who paid you in the dark of night or in secret will be exposed. You were paid billions, but I am blasting that out of your hands. Your nuclear capability will be ripped from you, and everything that was done in secret will be brought to the light. All audio and video of every government official that helped you will be exposed and judged by Me, saith the

Lord of Hosts. I have had enough of you terrorizing My nation with all your plans to bring this country to its knees. The opposite will take place, and those who are left standing will watch this nation rise higher than before.

Another major avalanche will be breaking news all over for the sheer size and damage it has caused. One of the biggest on record. Brace for impact, My children. An avalanche is coming for your adversaries. This is to show you that their destruction will be great.

Watch the Atlantic Ocean. Many storms are brewing which is very unusual. They will say "This can't be. It is not yet hurricane season. This has never happened. Look at the size of these storms. This just can't be. It has to be an act of God.". These

words will be on your new stations. Watch for this. My children, everything is shaking now and becoming more unusual.

Watch Mount Etna. Yes, that mountain has been erupting, but something unusual and strange is about to take place at the opening of that mountain. This just doesn't happen. A meteor will strike the mouth right inside during a meteor shower. It will explode and become a great eruption. The land will shake in that region when this occurs. This sign is just to show you, My children, that I am in control. "All of these things are just too impossible to believe" some would say. I am the God with whom nothing is impossible. The signs are for you: to get up and believe Me once again.

Watch in the Middle East as water

becomes blood red. They will shout “How can this be possible?”. I am showing you that the plagues of old are taking place again. The great Exodus is here, saith the Lord.

Hail that turns into fire when striking the ground. Yes, watch for this. My vengeance is here to stay until all of the enemies’ plans against you are burned and are completely destroyed.

Anthony Fauci, you can't run, and you can't hide. The blood is running from your hands, and it cries out to Me for justice. I have seen all that you have done. Your deals with big Pharma, The Who, and the FDA, how you were paid by the elites as well as how you were in bed with Obama and this whole fraudulent government will all be exposed. You knew about Biden as well, but you also hid that from the world along

with every company that is working with you to roll out your vaccines, and, yes, of course, Bill Gates. I am exposing everything that is in those vaccines, what your completed plans were to depopulate this world under your control, and how, while all this has been going on, how nicely you have been compensated for all of it. How sick you actually are. You ride on a pale horse wanting to bring as much death as possible. Guess what Anthony! Death will come to you after you are completely exposed and lose everything you own. You will have nothing and then your end will come.

Bill Gates, don't you dare think you are in the clear. You will let Fauci fall hoping to save yourself, but it is too late for that. Nothing can save you for what you have done to the little children and your design which you

helped put in that vaccine. Yes, you paid people to do your dirty work, but you had these plans, and you hired people to figure out how to do it in those laboratories. There is no hiding from Me. I will open those laboratories and your financial records and even those accounts in the offshore accounts you thought no one knew about. I do, and I will not only expose them, but I will drain every single one of them right in front of you. You, too, will lose everything, and then your end will come. You are a traitor and a murderer, and treason will be written on you for all eternity.

Oh, United States. You had spies in your land in your government, your FBI, CIA, NSA, FDA, IRS, and Wall Street. Yes, everywhere to completely infiltrate and take you out. This was their year to completely

destroy you. This was their great reset, their One World Government, but I have told you that this will not yet happen, not while you are here. I will expose everyone and every nation. While your nation is being cleansed and reborn, nothing they have done will stand.

So, when they shake your lives in the coming weeks, speak My Truth, speak Life, speak Freedom and speak of Liberty. Speak that their control over you is over and that it will not prosper against you because it won't.

The landscape of this nation will suddenly change. I have said that they will shout 'insurrection, a coup, a civil war' or anything else they can to have you side with them and to bring fear into your hearts. Do not fear! Fear is a liar! There is nothing to fear when I am on your side. So

stand for Truth, and it will set you completely free.

“Convoy, Convoy” they will shout and then “shut them down”. They will threaten you with a high price, oh United States, a lockdown, martial law, arrests, and with anything they can to stop this convoy from spreading. They can't!

My hand will protect you, My children, those of you who are listening, and you know what to do. Move forward and do not fear. I will protect you from this threat. That's all they have. My Angel armies are with you. What happened on January 6th will not happen again. They did that to stop the election from being made right and to bring so much fear you would never stand up against them again. It worked until now.

Move, My children. Stand up now and take your freedoms back. Be Freedom Fighters right now. Move forward and go through with your plans. It will all be okay. I put this in your hearts to do this, and it is My job to protect you and to give you the strength, the ability, and the wisdom to do it. So do it as I have told you to. Don't listen to anyone else as they will try to lead you astray. I will expose those that will try to infiltrate your convoy. They will not stand nor prosper against you.

There is a patriotic movement brewing. It is about to grow in numbers that no one thought possible. Your streets are about to be filled with so many willing to fight for freedoms. America you are beautiful, and I will not let them destroy you. I have blessed you and given you the power to rise up

against all that are against you. They are more afraid of you than you realize. Truth will be seen. Truth will prevail, so ride truckers. Ride bikers. Ride patriots and more. Your time is now.

United States, many things are about to change for you: your president, your government, your capital, your economy, all of your branches, and all of your intelligence agencies. The Winds of Change that are here will change it all. Yes, a strong wind will be in the news, a strong wind that is so unusual concerning how far it will travel and how strong it will become.

These winds signal change, signal freedom. So hold on America, My United States. Uniting is happening and will continue to grow as many states stand, decertify their elections and change the Electoral College

votes. Yes, this is happening now. “Ghost votes” they will scream. Fraud, fake ballots, and flash drives will prove these numbers were wrong. The number stolen was astronomical. You will see a giant red tsunami break through all the blue from all the lies that have been told to you. Nothing they did that night will be kept secret.

No, it is time for all of that to come out; to come all out in many states. It is time to rectify all the wrongs and lies in your nation. I am opening the floodgates now, so hold on. You will be able to handle what is coming. A righteous indignation is growing in the hearts of the American people. “Overthrow” they will scream. Obama this will all take place, and even you, with all your resources, can not stop this flood. Your narrative and your control are over, saith the

Lord of Hosts. I am against you, and I never lose.

So, My children, rise up and speak words of truth. Now is the hour to break forth. Break out and breakthrough all that has held you captive. 2022 will be a great year for you, saith the Lord your Redeemer.

## **I AM SETTING THE WORLD FREE FROM THEIR CAPTIVITY**

Date Word Received: April 8, 2022

For I, the Lord, this day, am destroying the work of the enemy that you see now all over this Earth: the bondages, lies, captivity, fear, restlessness, depression, heaviness, sickness, pain, and distress. I am destroying the tools your enemy uses to break your spirits, break your trust

in Me, wear you down, or steal your joy, so you have no strength to fight him back.

His strategic attacks on My children must be stopped, destroyed, and broken over you so you may freely serve Me in this hour. For there is a great harvest of souls coming into the kingdom of God, and, My children, you need to prepare to be used by Me more in this time, so My glory and light will shine through you for the masses and free the world from chains that have kept them bound in torment and torture. My children, you, too, were like this, prisoners to this world and your adversaries' control. But I sent My Son to pay your ransom and to set the captives free, to redeem you from the enemies' control.

Your enemy has deceived you out of

your health, your wealth, your freedom with this system of this earth and all who he uses that would help him steal from My children and this world.

This year of the Great Exodus, I am returning what has been stolen. Yes, everything that has been taken unlawfully will be given back to you, My children. Your adversary is a thief and a liar. He has been caught. He has been destroyed and brought to nothing, saith the Lord of Hosts.

So receive the truth, My children: Jesus has already defeated your enemy and all the power he has on this Earth against you. You, My children, are far more powerful than he is, and he already knows this. Now it is time for you to know this also.

The blood of Jesus has wiped away every sin and every stain when you repent, so do not let guilt and shame tell you that you are unworthy to receive your freedom. It has already been paid for. This is the time My children have been waiting for. So hold on and brace for what is coming, a great shaking to set the captives free, saith the Lord.

Hildenbrand: this name will be in your news. Scandals will plague this company. One after another will be exposed, and nothing will stay hidden. No matter what they are doing now to ensure their safety, no one will be safe as judgment strikes them all to the ground. Justice will be served, saith the Lord of Hosts.

Austin: this name will be in your news. Truth is filling this Earth, and not one will hide from the lies that

have been spoken.

Charles Schwab: this name will be in your news, and exposures will hit this company like the plagues of Egypt to destroy what they had planned to release on this earth and to destroy their power and the hold they once had on everything and everyone. I am stripping them of their finances, power, and influence. Yes, scandals and truth will pour out like a flood. A whistleblower will blow the roof off this company, and it will be knocked to the ground, never to rise up again. Brace for this truth, My children. It will be hard to hear what they had planned against you, saith the Lord of Hosts.

Kensington: this name will flood the airwaves. Listen to what is being said. It is not as it seems, and the truth will slip out whether they want

it to get out or not.

A shot heard around the world: this will be in your headlines. When truth hits all the enemies of Almighty God, it will bring the world to a standstill, knowing what they have done and what they were planning to do against you if I did not step in and move My hand against them. The evil that will be revealed in this time will be shocking to most, that a human being could do this to another human, let alone the masses around the world.

Bill Gates: his name will be brought down, and he will be judged in this hour. He will lose everything he has, and then he will lose his life, saith the Lord of Hosts. Treason will also be written on him for all eternity. The blood pouring from his hands speaks to Me for justice, and justice will be

served.

Nightingale: this will be in your headlines. Truth is being revealed everywhere, and every lie will be destroyed.

A national forest will be in the headlines. A wildfire was set to destroy. It was no accident. The truth will be revealed about who, why, and what was being hidden and what they didn't want to be found.

A cargo ship company will be in your news once again. Evergreen, yes, they have been hiding things in plain sight. It will now be exposed. Their walls will come down, and their plans they thought they could keep getting away with will be destroyed. I am The Great I AM, and I am against them. Another ship will get stuck. It is no accident that this

continues to happen, for I am the Lord. I am exposing what they have on those ships, and it will not prosper against you anymore, My children, for My hand is moving and knocking them all down to the ground.

Hazel Green: this name will be in your headlines. Look to where this is located. More is there. It's all being discovered, recovered, and exposed.

Winegrass: this, too, will be in your headlines. See where this is, and you will see why this is so important, My children. Read between the lines. Nothing is as it seems, and it will all be revealed in this year, saith the Lord.

Another wildfire is about to break out, and this will be in the state of California. They will say it's by accident, but this is a lie. This was on

purpose. The truth will be told, and justice will be served for the ones behind this. There is more to this fire they don't want told. But I, the Lord, am revealing the truth no matter how deep it goes, no matter how hard they try to hide it.

A Disney actor will come forward with the truth about this company. Beware of the lies Disney will try to use to spin the truth. Blackmail, yes, but it goes much deeper than that, My children. Truth shall prevail all over this Earth. Disney will pay for all the crimes that have been committed, and nothing they have done will stay hidden. Justice will be served. Judgment has already started against this company, and it will not stop until their plans are all destroyed, and their power and influence are taken away along with their finances. Anyone who played a

part in helping Disney or worked for this company and knew what they had been doing will pay a high price in this hour of judgment and justice.

Desensitize: this word will be in breaking headlines all over this Earth, deception, and lies that desensitize. My hand is moving to crush its power over you, saith the Lord.

Keller: this name will be in your headlines. They are trapped, and truth shall devour all their lies, and people will see what was hidden, saith the Lord.

Graphite: this will be in your headlines. My children, nothing is as it seems, but I, the Lord, am revealing all to the world.

Full steam ahead will also be in the news as a headline. Indictments,

judgment, and justice will grow and intensify one after another. It will all be seen by the world. Judges will rule, and justice will be served, but first tribunals will take place in the spotlight. They have been taking place behind the scenes. Your enemies have been caught in the act and sentenced. This is the time for all to be shown to the world because this is the hour of exposure, truth, and all the world will know who and what everyone has done. Their punishments will be great, saith the Lord of Hosts.

Famine? They will try, but it is a lie. Shortages? No, there is more than enough. Economies crashing? My children, every dark and horrible-looking situation is directed at your enemies in these days of judgment, and you don't have to partake in anything that is directed at them.

Deaths! You will start to hear of more and more in your government in this hour. They're all starting to fall on the front lines, not just the ones behind closed doors.

Bitcoin will be in breaking news reports everywhere. My children, truth is pouring out everywhere about how things have been manipulated. The world elites didn't want these things to take place. But they can not stop what I am about to do in the world's economy to destroy all the finances, power, and influence they had. None of them will survive the moving of My hand, saith the Lord.

My children, these are great days. My Glory shall fall, and miracles will occur. Destruction and darkness for your enemies will set you free from their tyranny. So stand up and take what is yours, what I have for you,

saith the Lord.

I have paid for your freedoms, and I have not forsaken you. You will soon see that you can live such a blessed life, a free life here on this Earth that I created for you. I, the Lord, am moving, and all of you will know I love thee. I do have the final say, saith the Lord your Redeemer.

# **THESE ARE THE DAYS OF THE WHISTLEBLOWERS**

Date Word Received: April 10, 2022

For I, the Lord, this day, have been telling My children to brace for what is coming. Things are about to shake like never before, but for you, children of Almighty God, this is to set you free and completely deliver you from this demonic world system. These shakings will become intense and will startle some of My body. Fear will try to take control over you. Confusion will try to bring your mind to such a state of doubt and unbelief. But for My children who are seeking Me and spending time in My Word, there will be peace in the midst of this shaking, knowing you are at the end, and your freedoms are being restored.

There will be a darkness, gross darkness for the enemies of Almighty God, but My children will shine brighter on this earth like never before. My glory will separate you, children of Almighty God, from this world. You will not endure what the world will. No, I am your shield and buckler. I am your protector, deliverer, and soon coming King, saith the Lord your Redeemer. I am not standing by and doing nothing. Some of My children and the world think this, but I am moving in more ways than you could ever imagine. When I completely move My hand, all will fall into place like it should, and every, and I mean every evil ruler will be removed and replaced with someone I have chosen, saith the Lord.

Adam Silver, I have warned you. This time you went too far. I am

blocking your attempts against the ones you are threatening. I am moving My hand to protect them, and nothing will come of your threats. No, for I, the Lord, am against you, Adam. You are paying for the crimes you have committed against the children, against this nation, and all who live there. Your heinous crimes and connections to China and this fraudulent government are all being exposed. Get ready, Adam. My hammer of judgment is coming down on you, and you will pay the ultimate price with your life, saith the Lord of Hosts.

Jack Nicholson will be in your news, My children. Listen to what words come out of his mouth. You will soon see why I gave you this news before the news.

Johnson & Johnson will be enveloped in one scandal after another. Yes, My children, these companies against you that were doing things behind closed doors are all being exposed by Me, saith the Lord of Hosts. None of them will survive this judgment. To Johnson & Johnson: all the secret dealings behind closed doors will be brought out into the open by Me, and there is nothing you can do to stop it. Your stocks will crash to a low you never thought possible, your bank account seized, and you all will fall for the crimes you have committed against this nation and this world. Your connection to China and other foreign nations will be revealed, and you will all be brought down to the ground, never to get back up again.

Facebook will be in major headlines once again. More scandals will

plague this social media giant, and they will fall like Goliath. My David has the information to strike them down to the ground. Yes, evidence that can't be denied or suppressed. The slingshot is locked and loaded, and when that kill shot hits this giant, it will be its end, saith the Lord.

Mark Zuckerberg, you have met your match, and you have lost. You will fall and lose everything you hold dear to you. You could have walked away, turned your back, and repented. But no, you dug your feet in and hardened your heart like the Pharaoh of old, and you kept pursuing My children. Your alliances with China and the world elites will not save you because they will be too busy saving themselves. Mark, this is your hour of judgment. Your stocks will fall to new lows, but it will go farther than that. Know Mark, as you

see them tumble, know you will take a bigger stumble. The whole world will know who you are, and you will be tried for treason and hung by the gallows that have been built. These are the days of Haman, and you will not escape what is coming for you, saith the Lord of Hosts.

Lara Logan: this name will be in your headlines. Remember, My children, I give you the news before the news for a reason - to get you to see that I am in control.

Hoff or Huff: this name will be in your news. Look at what the headline says. It is no accident.

Plagiarism will be in your headlines. Look at who the breaking story is regarding this word. More will be exposed about this person, My Children.

A firing squad is ready to take out all who have been against you, children of Almighty God.

Lee Harvey Oswald: this name will be back in the news. This story is not how it seems. The real truth surrounding this name will come to light. You will see, My children, this was an inside job, and the globalist has controlled your government far longer than anyone realized.

Listen carefully, My children. Putin has things on this fraudulent government they are trying to take him out for, so he can't reveal the truth to the world. "He is a ticking time bomb," they are screaming. "Take him out once and for all." But they can't. My hand will stop them and their plans. Who are they, Lord? This fraudulent government and the ones that control it - the elites. For

the truth shall set the world free, and they can do nothing to stop it. Lord, why Putin? My children, I can use anyone who is willing and obedient to My Will. Even a sinner can be used to perform what is needed when a child of Mine isn't willing. Putin has been warned to go so far and no more. If he crosses, judgment will come to him as well.

George Soros will die by the Angel of Death. No amount of money or security will save him from what is coming. George, blood pours from your hands and cries for justice, and justice will be served. You will pay with your life, George, for all your corruption and heinous acts. The crimes you have committed in so many nations are beyond human comprehension; how evil you really are. This is the time for you to fall, but first, you will lose every penny

you have. No secret account will be spared. Some of those accounts have already been seized and frozen, but you haven't experienced anything yet. George Soros, you can't hide from The Great I AM. You will finally see I do exist. I am coming to judge you, and you will pay for all eternity, saith the Lord of Hosts.

Bill Gates: the same thing goes for you. You can not hide from Me, saith the Lord. You will pay a high price for what you have made this world endure. No amount of money can save you. No, you can not outsmart or outmaneuver Me. You will lose everything, and I mean everything. Then you will pay with your life, and treason will be written on you for all eternity, for I, the Lord, have had enough of the world elites and everything they stand for. Everyone will be judged and sentenced for their

crimes. None will be left standing, saith the Lord of Hosts.

Harbinger: this word will be in your news. This will be a signal to you, My children, that the ones who are against you, their days are coming to an abrupt end.

Whistleblowers will come from everywhere it will appear. These are the days of the whistleblowers. They have been released from their gag order. No longer will they be silenced, restricted, blackmailed, or threatened to keep their mouth shut. A boldness will come on them to move forward to say what they have to say. To show what they have to show, and nothing your enemies will do will prosper against them, saith the Lord.

These are the days of the

whistleblowers, and this will be in your headlines. Again, I say to you, children of Almighty God, I give you the news before the news to clarify to you I am in control to confirm My words through My Prophets. These are the days to stand up, praise, and worship the One True King, for I AM is here to deliver, to set the captives free, and this freedom the world will see and know it was from me, saith the Lord your Redeemer

## **THEY ARE ALL COMING DOWN**

For I, the Lord, this day am telling My children to start to celebrate. Have you not seen the things I have already started to do for you? And this is a drop in the bucket of what I

am about to do for you. Your enemies are losing their grip. They are losing everywhere they look. They're losing at everything they are doing. They are failing and don't know what to do about it.

Major ground has been taken back for your freedom from the hands of the wicked. My children, these days, believe Me now more than you ever have. These are the days to choose which side you are on and to believe Me or your enemies.

The tide has turned. Things have started to shift. It has been gradual in the natural, but in the spiritual, there has been great warfare. And a great battle has been fought and won by Me. Your angels have fought the principalities in the air, and those principalities have lost their grip. And power over certain areas has

been destroyed. Now is the time, My children, to pray like never before. **There is less interference from your adversaries.** Get on your knees and pray and rejoice. It's all almost over.

Their walls are coming down all over the place. Their defensive shield, you would say, has come down. And the walls they had built up to defend themselves have come crumbling down.

**The more you shout, the more you rejoice, the more damage it causes the enemy.** Arise! I say again, My children, arise above your enemies and take back what is rightfully yours. They have nothing against you that will stand. Nothing against you that will keep you down. It is gone. **It is all gone for them.**

**A Red Sea-like moment is about to be seen by the world, and My children, you will know that only I could have done this.** So get up from where you have been and dance, shout, rejoice and destroy any hold or plan your enemy tries against you. **It won't work anymore,** saith the Lord your Redeemer.

Moscow: this name will be in your news. Your enemies tried to stop these next moves but couldn't. They tried to stop Putin from releasing this information but couldn't. I told you before, My children, not only are things not how they seemed to be, but it would surprise you what side Russia was actually on. I told you Ukraine and this war are a distraction to cover up something bigger they didn't want to be released. Your enemies want more distractions to stop this from coming out, but they

can't stop it **because they can't stop Me**, saith the Lord of Hosts.

Acuvview: this name will be in your news about something they wanted to hide but can't. The truth is coming, and it's coming big time.

Sudden deaths will come to leaders of states, world leaders, and people that are in governments all over the world. The resignations you have seen are just the beginning. I told you before this would happen, and I am again telling you this before this happens. **Mysterious deaths**, they will call them, but the **angel of death had an assignment, and it's being carried out**, saith the Lord. But My children, do not fear this. It will not come near you, saith the Lord of Hosts.

Montezuma will be in your news.

Suspicious activity is going on everywhere and will soon be reported. They can't hide the truth anymore, saith the Lord.

Sting operations are happening all over the place, taking down your enemies and their plans. Lord, it looks like nothing is happening. My children, then look harder. My hand is moving everywhere to restore your rightful president and bring this country to where it needs to be right now to save the world and restore freedom worldwide.

Bill Gates will be in your news about something so big they never thought would be told. People were paid to keep this quiet, but they didn't count on one of those people being Mine in a covert operation. The sting on this one for Bill will be too big for him to recover from. Watch, My children, as

he falls in front of the world, saith the Lord of Hosts.

George Soros will be in your news big time. The end is near for him, and the world will finally know all he has done and all he paid to do it. Nothing has gotten past Me. **They are all coming down.**

Klaus Schwab, oh yes, is another one that will fall in the coming days. Keep it up, My children. Call them all down. I am raining down judgment against them, and none will be left standing.

The heavy hitters in the enemies' camps are about to take heavy hits one after another, and they will not be able to stand up against Me. No, My children. **You have entered the days of their fall,** saith the Lord of Hosts.

You will continue to see heads of nations all over the world step down one after another after another. And **there will be no end in sight for them until My judgment is finished**, saith the Lord.

Lockdown: this word will frequently be in your news. A lockdown they will get **but not one they wanted**. I am locking them down from harming and enslaving you. They will not get the world lockdown they want. **No, because it's My time to remove them all**, saith the Lord.

**An all-clear is about to be heard.**  
**Yes, My children, it's all changing.**

The queen has fallen: this phrase will be in your news.

Major news will break surrounding a warship.

August will be a big month. Major shakedowns will occur. A showdown has taken place, and your enemies lose again, saith the Lord.

Massachusetts will be in your news.

A governor will fall, and many will follow who are not of Me. They stood up against Me and lost **as your enemy always does.**

A training camp has been discovered and taken out that was against you, oh United States.

Disbarred: get used to hearing this word in your news. Many judges are coming down for the decisions they made against you and this Nation. Some you were aware of, but others were done in secret.

My children, I am about to change it all. Nothing they have done against

you will stand any longer. **Watch out! They will make things look the opposite,** but remember what I have said. **Your enemies always lose, and I have the final say,** saith the Lord your Redeemer.

**THE SQUATTERS IN YOUR

For I, the Lord, this day am warning My children who are defying My Words and are not listening to the prophets. There is coming a great separation. So choose. Choose now the side you are on. These are the days that many will fall away. They

will believe only in what they see and hear and will give up on Me thinking and fully believing I have failed and have forsaken them. My Word states that even the elect will be deceived, many people will choose the wrong way to see things, and many will believe a lie.

Yes, the liars will appear to get louder and have more power, but I have told you they will fall like Pharaoh. They pursued you without drawing back. They refused to turn around and repent. They were consumed with hatred and fell to the biggest liar there has ever been, the father of lies, Lucifer himself. Great punishments are being passed down. **These days you are entering will be harsh for your enemies, and they will not recover from this time.**

**The time has come for them to be**

**removed. The time has come for their falls. The time has come for their judgments.** My children, **brace for these times.** Many things will change suddenly, but with Me, you shall not be moved, saith the Lord of Hosts.

Squatters: yes, this word will be used to describe the fraudulent government in buildings that belong to the people and **not to them.** Most of them are not rightfully elected officials. They cheated and stole their way into their positions. They are squatters. The world will call them that, and they will be chased out of their seats. **Liars and cheaters never prosper.** The world will see and know that for a fact. The squatters are being removed, saith the Lord of Hosts.

**Canada: hold on.** Do not comply to

their lies. Rise up and take back what belongs to you. Don't let Trudeau or anyone with him enslave you again. **I am removing him.** He is nothing in My sight. You will watch him squirm when exposures come to light, revealing his lies and who paid for him to be in that position. **Yes, it was stolen!** Your elections are not elections at all. These people are purposely placed even when the people have wanted otherwise. **This is over,** saith the Lord of Hosts.

All the world leaders that have been strategically placed all over the world will come down and be **removed by Me.** You have just seen the beginning. Removals will begin to become more common. Watch as they all come crashing down. They will all lose what they thought could never be taken. Their positions were guaranteed by George Soros. They

were guaranteed by Bill Gates. They were guaranteed by Henry Kissinger. Oh yes, the list will continue to grow with who has been in on this whole thing worldwide. These men thought they were too powerful to fall. Well, so did many enemies of My children in My Word. And **none of them got what they wanted**, saith the Lord of Hosts.

Australia: your leaders are falling. A coup will be seen. Rise up, Australia, and take back your freedoms. Resist these liars and remember whose side you are on. I will not put you in harm's way. I will give you special instructions, and I will protect you. Your nation will be delivered from the hands of the ones you see now that have held you hostage. They can't hold you anymore. Speak your victories and speak their defeat. All your leaders will be removed, saith

the Lord of Hosts.

A famous arch will fall, and everything it stands for will come crumbling down with it.

Watch as another monument will fall to the ground signaling that more will follow.

Dysfunctional: this word will be used to describe "the Biden" and the ones that are in his **fake administration**.

**Yes, I said fake.** It is not real when it is stolen. They are all thieves, and they will all have to give back what was stolen.

They stole your nation. They hijacked your government and stole your freedoms away. And every law and every decision passed by them **I will overthrow.**

"The Biden" will soon trip and fall.

Yes, he will trip and slip more words he didn't mean to say. Watch him continue to get worse and worse on live TV. Just when you think he couldn't get worse, he will do something no one thought possible. He is dysfunctional, and he is losing what mind he had left. The curse has fallen on him, and there is no recovering from this. A video is about to surface with him, little children, and his sick lifestyle behind closed doors—even the fake one. Yes, the fake Biden is just as sick as the original. That's why they chose him to play this part. It will be revealed who he really is, and he will fall like Joe fell. And judgment will be their end. Treason will be written on them for all eternity, saith the Lord of Hosts.

Hypothetical: this word will be used in your news. "Worst case scenarios,"

they will scream and shout. Don't listen. **Their lies will be denied**, and the truth shall set the world free from their captivity.

Kim Jun Un: truth shall expose you, tear down your lies and what your plans were against this Nation. North Korea, you will never see what you so desired against the United States. Your financial gain and the money you received from this fraudulent government, I will expose it all. All that money will be given back to who it originally belongs to, saith the Lord. Kim Jun Un, you will pay with your life, saith the Lord of Hosts. Your power is a joke. You will go broke before you take your fall, Kim. You will soon know you are nothing. Yes, your power is nothing. You will lose everything you thought you would always have. Nothing will be left when I move My hand, saith the

Lord.

Terrain: this word will be used in your news for an unusual reason.

Hypothesis: this word will be in your news, and every lie will be revealed.

Artisan: this word will be in your news.

Agriculture: this word will be in the news. They are going after this because they want to break you into submitting further to them. I will expose what they have done and what they planned on doing. It won't get by Me, saith the Lord.

Hilton: this name will be in your news.

A famous hotel chain will have a lot of explaining to do when the truth is revealed about things they wanted to keep hidden behind closed doors. I

am opening all those doors and exposing them all, saith the Lord of Hosts.

Wall Street has been put on notice. They will all fall for their manipulation, stealing, and cheating. Who they are connected to will also be exposed. You will see the fall of the Federal Reserve, and the UN, along with every globalus organization. These are the days of great explosions, saith the Lord.

Heckler: this word will be used in your news.

A goat will be in your news, and the truth behind this will shock many people.

Breaking news regarding the Temple Mount: watch to see what just took place. I told you, My children, everything your enemies have

erected will be removed by Me, saith the Lord.

Great changes are upon you. Great decisions have been made to take this Nation back to remove the globalist agenda. All things that appear to be impossible to be removed or too impossible that it would never change, I am removing it all.

My Children, see past your enemies' plans and know they can't stand. I am removing them all. Yes, and I am also giving back to you what they have taken. Yes, thousands of years' worth of things is coming at one time. A great restoration, along with My reset is coming.

Great days lie ahead for you, children of Almighty God. A great shift is taking place, and your celebrations are soon to begin, saith the Lord

Redeemer.

## **IT'S ALL COMING TO A CLOSE**

[Watch video](#)

For I, the Lord, this day want to remind My children who I am. I am the Most High God, and no one is bigger than Me. No man can outsmart Me. No evil plan is bigger. No matter what they do, what they try to do to change time, or what they will try to do to stay in control, it will never work.

Lord, what do you mean by changing time? My children, it is the time for the body of Christ on this Earth. It is time for the Babylonian system to fall. It is time for the Great Harvest of souls. It is time for your enemies'

defeat. It is time for the Great Exodus. This time is now, and they tried to change time by changing who was in control.

They wanted their reset to control the world and destroy everything and everyone in it. They wanted to gain more power and more money. This was it for them. It was finally time for the One World Government they thought would take over the world once and for all. They did everything they could. They are throwing everything they can to make this happen right now. They really thought they would be farther by now in this time of what they considered their time to rule this Earth, but it's not working. They will continue to see failure everywhere they look. My children, I say this again, brace yourselves for what is coming and what they will try next to keep from

losing their power in this Nation and all the nations.

Takedowns and removals are happening now. People they put in charge are resigning, and they didn't plan for some of this. Some people they chose to remove because they thought they were too weak, too slow at acting on their behalf, or they didn't trust them in helping to complete the next phase of this reset. My angel armies and My people that I am using all over this world will continue to remove the people in power who are against Me. You are about to see a bigger shift of power over the nations around the world, saith the Lord.

My children, watch China rear its ugly head. They can't help but try to take control now. They don't want to wait. The United States is weak, they

say, not knowing what is hiding in the shadows. The real government and the rightful president are taking power back even as I speak these words. China, don't do what you want to do. It will be disastrous for you. Oh yes, you will try and make this move, but it will put the final nail in your coffin of power and any influence you once had. China, you will not get what you want. You will fall and fall big time, saith the Lord of Hosts.

My children, inventions have been stolen from someone they rightfully belonged to, and more truth will come out regarding this. Inventions have been suppressed and lied about, but I will uncover the truth and show the world the inventions the One World Government didn't want you to have.

Gold and silver: they didn't want you to know the truth because they would lose their power and economy. They are about to lose it all. My children, just watch their economy fall and a new one rise, saith the Lord of Hosts.

Eggs are about to be in your news. It's a lie. Don't believe what they are saying.

Tumultuous: this word will be in your news.

Insider trading will be in your news. Oh, it's bigger, nastier, and more wicked than what you have heard and seen so far. Nancy is just one of many. Oh yes! Most in your government are connected to and control Wall Street behind closed doors. The Deep State controls it all, they think. They know what's going to happen in the stock market

because they decide when and what happens. It's pure evil. They decide who wins, prospers, and when, but that is over. My children, **they are all finished.**

The Federal Reserve is about to come out and make a statement that will bring fear to many. Don't listen. They are liars. They are told what to say and what decisions to make by George Soros, Bill Gates, and the rest of them. The Federal Reserve will not stand. It's a lie and should never have been created. It was created to bring much debt to this Nation to destroy it from within. Yes, that was the plan from the beginning- using the Federal Reserve, IRS, CIA, FBI, NSA, every evil plan, and every person in these positions to destroy this Nation. It is time for their end. I have people everywhere, your enemies **never knew, who have**

**infiltrated the infiltrators and have all the evidence of everything.**

My children, **it's coming to a close.** There is hope. There is an end to all of what you see of their power and their controlling you and this world. You are going to see it this year. It's too hard to believe, Lord. It continues to worsen, people think, but My children, is it? Or does it just appear that way? I let them have certain things, it looked like, to bring them down. It's just like when I brought the pharaohs and kings down who were against Me and My people in the Bible. This time is no exception.

Conjuring: this word will be in the news.

"Hot air, these people are full of": this phrase will be in the news.

Attitude adjustments: you will see

people in your fake government change their tune, it will appear. Watch! Things are changing in a big way, saith the Lord.

Conjunction: this word will be used a lot in your news.

Impeach, impeach, they will start to say, and some will start to shout the 25th Amendment. They are trying to remove "the Biden" without people knowing what is really going on with him, but it won't work. The world will know the full truth regarding "the Biden," saith the Lord.

Shattered: this word will be in the news.

Coppertone: this word will be in your news. Truth is pouring out everywhere.

Natalie: this name will be in the

news.

Cartwright: this name will also be in the news.

A judge will be in the news. They are standing up for truth, and more will follow. It will trend all around this Nation. If they can, I will too, they will say to themselves. They will fear less about death and rule for justice and liberty once again, saith the Lord.

Constitutional values will be in question. This will be in the news.

Scoundrel: this word will be in your news.

My children, rise up now and expose the thieves. You have that power in your mouths to expose them all. There are people in places all around the world to bring your freedoms

back. Military forces are moving. Your words and prayers are more powerful than any weapon anyone uses naturally. Use My Words in this time to speed up your enemies' demise.

**Defeat is all your enemies are about to know.**

Mark Zuckerberg will announce his retirement from Meta. He is being removed by Me, saith the Lord of Hosts.

Bill Gates is about to be exposed. Someone they didn't know about has video and audio proof of his plans and how sick and evil he really is. Bill Gates will not stay where he is. He will not keep his financial prosperity. No, he is taking a big hit that he will not recover from. All the land he bought for this world

takeover will be taken from him, and Microsoft will be given to someone else, saith the Lord.

**My children, it's all coming to a close,** and no one in power to destroy you will keep what they own or their positions of power. It's all coming to an explosive place.

Hang on and see. They all will fall for their heinous crimes, and you will see justice being served.

My children, it's go time! So trust in Me more than ever before. My Glory shall keep and protect you from the judgment that is about to hit this Earth to stop your enemies' next moves against you. It's their end now, so keep rejoicing. It's your time, not theirs, saith the Lord your Redeemer.

# A GREAT SHAKE-UP

For I, the Lord, this day have proclaimed your freedom, victory, health, deliverance, and your restoration. You are no longer slaves or victims because not only have I declared your victories, but I paid the ultimate price for them. **There is nothing more powerful than the resurrection power of Jesus Christ** - the damage it did to Satan and his power. Everything he has stolen from this Earth and from My children is not his anymore. It has been given back through the Blood Covenant. My children, take it back now. You have the authority. Your adversary is defeated. Get this revelation on the inside of you. **When he comes with**

**his attacks, you will strike him down to the ground under your feet and remind him of his defeat.**

**He can't defeat you when you know the truth.** So, My children, today, hold on to the truth. Hold on to My Blood Covenant. Hold on to My Name and **resist him**. Command what is rightfully yours - your freedom, health, soundness, wholeness, joy, peace, wealth, and family. Nothing that is bad is from Me. I am good, and all good things come from Me.

I have given you all good things to enjoy. Enjoy My gifts, My children. Take what I have already provided and paid for. Don't sit by and let these attacks happen to you. **I have given you the ultimate weapon of Satan's destruction.** My children, use it daily.

What is the ultimate weapon, you may ask? The Name of Jesus. Receive greater revelation in that Name. It will destroy the attacks, sicknesses, every lie, every chain, lack, death, and every fear trying to attack you. **You are My chosen generation that hell will not prevail against.** That is why you are being attacked by the world leaders the way you are.

Satan knows what is coming - **revival and My Glory like never before. It will crush his plans and wipe out all those he used to help bring his plans to pass.**

To George Soros, Bill Gates, Mark Zuckerberg, Jeff Bezos, Klaus Schwab, all the secret societies, and all the leaders from around the world: **HEED THESE WORDS - My hand is moving now against you.** All of

you will end up like Pharaoh in My written Word. You refused to listen. You hardened your hearts, and you pursued My children with no remorse or repentance. Your fortunes will be taken from you, and death will come to each of you for the death and destruction you caused My children and the Earth that I created. **They were never your property or your slaves, and you will see that before you take your last breath - the freedom of My children and the destruction of your empires, finances, and your influence. I am ripping the secret societies apart like they never existed. Everything you have stolen will also be ripped from your hands.**

**This Nation of the United States is not yours, and it never has been.**

You are about to experience utter

betrayal. Someone you thought on your side has turned evidence into the authorities. Your blueprints are known to My side, and the world will see it all. To all corporations, businesses, and leaders against Me: you are about to take the biggest hit to your pride. That arrogance you had against Me will not keep you from your ultimate fall from your high-powered positions. I say again, you are not gods, and you never will be. I am against you, and you will soon see My power on display against you, saith the Lord of Hosts.

**My children, their destruction is at hand, so don't lose hope now.**

**Things you have never seen are about to take place. Get ready, My children. Change your lives and your hearts toward Me. Make Me a priority again. Make Me first in your lives. And while great**

**shakings and great destruction take place around the world, you will have perfect peace, and you will not be moved.**

**Great miracles and great destruction at the same time. Great death while on the other side great glory and restoration for My children.**

A great shake-up is upon you, My children. No one could have planned or imagined what is about to take place.

Receive My Glory now. Receive My Words. Receive My grace and My forgiveness. I will show up, and I will show you My goodness on a level never known to mankind. So rejoice! Every bad thing you see is about to be destroyed by Me, saith the Lord of Hosts.

Crenshaw: this name will be in your news.

Liabe: this word will be used often against "the Biden," but he is not making these decisions. My children, something big is about to prove that this is true. He is a puppet, and I will show the world the puppet masters. I will cut their lines of communication, and you will see this for yourselves.

Obama: yes, you have defied Me for the last time. Your pride will be your fall, and your judgment is great, saith the Lord.

Pence will be in your news again. My children, I have told you before, things are not how they appear to be. I will show you the truth and vindicate his name. Many lies have been told, things done behind closed doors, and decisions had to be made.

He is a hero, not a villain. He chose to obey when others wouldn't have done what I asked him to do. You may not understand this now because of what you see, My children, but you also are not supposed to walk by sight. Stop listening to a lie. I see all and know all. The new stations - they are liars and thieves. Trust Me beyond what you see today, My children, and confusion will be destroyed against you.

Wake up, My children. Chess moves are being played before your eyes. Strategic moves have been made against your enemies they don't even see yet.

They won't see the total destruction coming for them until it's too late.

Hazmat: this word will be in your news for an unusual reason. Fear is a

liar. Do not comply to another lie, saith the Lord.

A convoy is on the move to take back your freedoms. Yes, your military is marching toward your enemies' camps to take them all out once and for all. So don't be moved by appearances, My children. It's all going as planned, and a landslide is about to take place - one explosion after another **to destroy it all!**

You are right at the door, so don't give up on Me now - you who don't will receive a great reward, saith the Lord your Redeemer.
